Katherine Mansfield is the celebrated biography by bestselling author Claire Tomalin 'One of the best biographies I have ever read: a perfect match of author and subject. It should become a classic' Alison Lurie Pursuing art and adventure across Europe, Katherine Mansfield lived and wrote with the Furies on her heels; but when she died aged only thirty-four she became one of the most influential writers of the twentieth century. Sexually ambiguous, craving love yet quarrelsome and capricious, she glittered in the brilliant circles of D. H. Lawrence and Virginia Woolf, her beauty and recklessness inspiring admiration,

jealousy, rage and devotion. Claire Tomalin's biography brings us nearer than we have ever been to this courageous, greatly gifted, haunted and haunting writer. 'Generous, dispassionate, even-handed, setting out probably as plainly as anyone ever will Katherine's high hopes, the odds she faced and the impossible obstacles that ditched her in the end' Hilary Spurling, Daily Telegraph 'Provides the finest and most subtly shaded portrait so far' John Gross, New York Times From the acclaimed author of Samuel Pepys: The Unequalled Self, Charles Dickens: A Life and The Invisible Woman, this virtuoso biography is invaluable reading for lovers of Katherine Mansfield everywhere. Claire Tomalin is the award-winning author of eight highly acclaimed biographies, including: The Life and Death of Mary Wollstonecraft; Shelley and His World; Katherine Mansfield: A Secret Life; The Invisible Woman: The Story of Nelly Ternan and Charles Dickens; Mrs Jordan's Profession; Jane Austen: A Life; Samuel Pepys: The Unequalled Self; Thomas Hardy: The Time-Torn Man and, most recently, Charles Dickens: A Life. A former literary editor of the New Statesman and the Sunday Times, she is married to the playwright and novelist Michael Frayn.

The growth rate of real hourly wages in France has fallen below the trend growth rate of total factor productivity. The distribution of wage and earnings growth has not been uniform across deciles. A breakdown in employment growth by wage deciles also suggests important composition changes. The development of key labor market variables has been discussed in this note. Microeconomic estimations provide evidence of an outward shift in the relationship between wages and unemployment that is independent of changes in labor demand taxes and unemployment income.

In the first installment of the A Fire Beneath the Skin trilogy, the city of Klaar has never fallen. No enemy has ever made it across the Long Bridge or penetrated the city's mighty walls. Even when a powerful invading army shows up at the gates, the duke and his daughter, Rina Veraiin, are certain that it poses little threat. But they are cruelly betrayed from within and, in a horrific spasm of violence, the city is brought to its knees. With the help of her bodyguard, Kork, the battle-trained young Rina narrowly escapes the slaughter and makes her way to the lair of an ancient sorcerer--the Ink Mage--who gifts her with a strange, beautiful set of magical tattoos. Now a duchess in exile, Rina sets out on a quest to reclaim what is rightfully hers, aided by a motley assortment of followers who will help her in her cause--some for noble reasons and others for their own dark purposes. With the enemy's agents nipping at her heels, Rina must learn to harness her new and startling magical powers if she is to assert her rightful place as ruler of Klaar.

A collection of English poems penned by Praveen Kumar

There was a time when magic was welcome in the country of Chahir, but that was nearly two centuries ago. Now, all forms of magic are strictly forbidden. Anyone caught using magic, or possessing magical abilities, are immediately imprisoned and executed. For Garth, that policy is a problem. As Garth approaches his sixteenth birthday, he realizes that he definitely has

magical abilities. What's worse, he has no control over them. In order to stay alive, he only has one choice—he must leave his homeland, Chahir, and flee into the neighboring country, Hain. The journey isn't an easy one; he still has to make it out of Chahir without alerting anyone as to his abilities. What Garth doesn't know is that getting to Hain, and the Academy for All Magic, is going to be the easy part. Garth goes into Hain for one reason only; he wants training for his out-of-control magical powers. So how does he become a member of an exclusive magical clan known as the Jaunten; adopted by a magically enhanced colt; best friends with a gifted Witch; and foster brother of a four year old Mage? Let's just say he has a gift for finding trouble.

A collection of exercises, for Viola, composed by Samuel Applebaum.
