earned his B.A., M.B.A., and law degree at the University of Iowa and was the Hawkeyes' starting tight end in the 1991 Rose Bowl. Now back in private life, Whitaker is a frequent guest on Fox News.

Matthew Whitaker came to Washington to serve as chief of staff to Attorney General Jeff Sessions, and following Sessions's resignation, he was appointed Acting Attorney General of the United States. A former football player at the University of Iowa who had been confirmed by the Senate as a U.S. Attorney, Whitaker was devoted to the ideals of public service and the rule of law. But what he found when he led the Department of Justice on behalf of President Trump were bureaucratic elites with an agenda all

their own. The Department of Justice had been steered off course by a Deep State made up of Washington insiders who saw themselves as above the law. Recklessly inverting, bending, and breaking the law to achieve their own political goals, they relentlessly undermined the Constitution by flaunting the rightful authority of a President they despised. Whitaker was an outsider with a desire to see justice done and democracy work. In his straightforward new book, *Above the Law*, he provides a stunning account of what he found in the swamp that is Washington. Whitaker reveals:

- How former FBI Director James Comey and top figures in the Justice Department openly worked against President Trump
- How the

Deep State relies on the complicity of the mainstream media to achieve its ends • How the Deep State—drawing on elite universities and corporate law firms—perpetuates itself, keeping a small clique of people in power to ensure that nothing ever changes • How Robert Mueller's investigation into alleged Russian collusion quickly concluded there was no evidence of wrong- doing by the President or his campaign but nevertheless produced a massive report that was intended as an act of political subversion If you had any doubts that the Deep State actually exists, that it perpetuates a government of insiders, and that it inexorably pursues a political agenda of its own, then you will find Whitaker's first-

person account eye-opening and utterly convincing.

The perfect gift for the lawyers in your life -- for law school graduation, birthdays, firm holiday gifts, retirement, or just because. More than 70 vignettes from life in the practice of law are rendered here as wryly humorous poems. Each one stands alone as the sort of snapshot one lawyer might forward along to another for a laugh or a knowing nod. Together, they comprise a collection to be treasured by anyone who has lived through law school, first jobs, thrilling victories, eye-opening disappointments, and the lifestyle particular to this career choice. This book is not about laughing at lawyers. It's about laughing

with them. It's for everyone who's in on the joke: Everyone who has witnessed the madness and met the quirky characters in this field. Everyone who, even just for a second, has wondered if they should have gone to medical school, culinary school... anything other than law school. Everyone who has ever sat down at the end of an evening and thought, "No one would even believe me if I told them about my day." We believe you. Editorial reviews: "In many of the poems, the authors capture perfectly the oddities of law practice and law school. 'Sisterhood' may be one of the most insightful poems that could be enjoyed within any profession. These poems... took the mundane and made it soar." - Arizona Bar Association

editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

In this book, Army veteran and attorney John S. Berry maps a road toward successful VA disability claim appeals by guiding readers step-by-step through the three most common battles veterans fight with the VA. You earned your VA benefits, but you might have to fight for them. If you become discouraged and fail to appeal, it may be more difficult for you to win your disability claims in the future. The time to act is now.

THE LEMON DAY was inspired to me from my three-year-old, Kelly, as to how she pronounced "Lemon-aid" . I made a list of those slightly different ways that she pronounced things and worked a rhyming story around it. Basically, there is a grumpy, not too kind, character who is in a sense a bully. He gets put in his place by the other, kind, characters in the story and has a change of heart. It is a children's story, but I find it to send a positive message to all ages, with the main point being "it's OK to be different, choosing acceptance and above all to always keep the imagination alive!" I dedicated it to my Mother, Suzanne

THE LEMON DAY is a cute, fun and wonderful book.
