Lionheart is the first book I've read by Ben Kane although I'm aware of his reputation as a bestselling and highly regarded author of historical fiction set in the Roman period. Series such as Spartacus, Hannibal and Eagles of Rome have earned him a devoted following and I can now appreciate why.

Lionheart by Ben Kane - Goodreads

Douglas Boyd's Lionheart: The True Story Of England's Crusader King is a strange animal. Reveals the dark side of England's most celebrated monarch, reads the tagline. In fact, his goal seems to have been to undo much of the rehabilitation of King Richard's reputation and return to the state of scholarship over a century ago.

Richard I, byname Richard the Lionheart or Lionhearted, French Richard Coeur de Lion, (born September 8, 1157, Oxford, England;died April 6, 1199, Châlus, duchy of Aquitaine), duke of Aquitaine (from 1168) and of Poitiers (from 1172) and king of England, duke of Normandy, and count of Anjou (1189-99). His knightly manner and his prowess in the Third Crusade (1189-92) made him a popular king in his own time as well as the hero of countless romantic legends.

Lionheart - Kindle edition by Collingridge, Richard ...

In 1978, "Lionheart" appeared a mere 9 months after her acclaimed debut "The Kick Inside." Apparently Bush felt the album was rushed, but the record company probably didn't want the frenzy over "The Kick Inside" to fizzle in case Bush ended up as a one-hit wonder.

☞The great Crusader king Richard the Lionheart comes alive in all his complex splendor in this masterpiece of medieval tapestry.☞Margaret George A.D. 1189. After the death of his father, Henry II, and the early demise of two of his brothers, Richard is crowned King of England and immediately sets off for the Holy Land.

Lionheart: A Novel by Sharon Kay Penman, Paperback ...

lionheart in American English. (ˌlaɪnˈhɜːrt) noun. a person of exceptional courage and bravery. Most material © 2005, 1997, 1991 by Penguin Random House LLC. Modified entries © 2019 by Penguin Random House LLC and HarperCollins Publishers Ltd.

Get transported to a lush, vibrant jungle in this gorgeously illustrated picture book about facing your fears. Richard hears something in his room before bedtime. Is it a monster? He doesn't wait to find out and sets off running through the streets, over the hills, through the forest, and into the fields until he finds himself in a magical jungle. With the help of his stuffed lion Lionheart, Richard finds the courage he needs to face his fears.

When Lions and Wales rugby star Richard Hibbard crashed into George Smith under a clear night sky in Australia, it felt as though the tremors might have rocked Sydney Harbour Bridge. Smith was the [Mr Indestructible] of Australian rugby, yet he was helped off the pitch. Hooker Hibbard simply shook his trademark blond locks and carried on helping the Lions earn their 2013 series victory. Soon, pictures of "Hibbz" celebrating in the dressing room with James Bond actor Daniel Craig were being beamed around the world. In Lionheart the Ospreys star reflects on his long and often rocky road to the top of world rugby: from his roots in Port Talbot, to his stint with rugby league club Aberavon Fighting Irish, to fighting back from countless serious injuries.

Richard the Lionheart You might have heard of King Richard-the Lionhearted, the "good king" in the tales of Robin Hood. But what do you really know about this twelfth-century ruler of England? Do you know why he left England, or why he was taken prisoner by another sovereign as he tried to return? Did you know Richard had other brothers besides the famed scoundrel, Prince John? Have you heard tales of Richard not only as a missing king but as a leader who rode boldly into battle alongside his knights? Inside you will read about... - From Aquitaine to King of England - Beginnings of a Crusade - The Way to Palestine - Sea Battles and Sieges - A Captive King - The Last Five Years And much more! In this book, you'll learn the actual story of King Richard, a king who may not have been exactly "good," but was certainly brave, charismatic, and dashing-a historical character with a story to remember.

"Brad Ricca's Olive MacLeod is my favorite sort of woman from history—bold and unconventional, utterly unsinkable—and her story is so full of adventure and acts of courage, it's hard to believe she actually lived. And yet she did! Brad Ricca has found a heroine for the ages, and written her tale with a winning combination of accuracy and imagination." | Paula McLain, author of Love and Ruin and The Paris Wife From the Edgar-nominated author of the bestselling Mrs. Sherlock Holmes comes the true story of a woman's quest to Africa in the 1900s to find her missing fiancé, and the adventure that ensues. In 1910, Olive MacLeod, a thirty-year-old, redheaded Scottish aristocrat, received word that her fiancé, the famous naturalist Boyd Alexander, was missing in Africa. So she went to find him. Olive the Lionheart is the thrilling true story of her astonishing journey. In jungles, swamps, cities, and deserts, Olive and her two companions, the Talbots, come face-to-face with cobras and crocodiles, wise native chiefs, a murderous leopard cult, a haunted forest, and even two adorable lion cubs that she adopts as her own. Making her way in a pair of ill-fitting boots, Olive awakens to the many forces around her, from shadowy colonial powers to an invisible Islamic warlord who may hold the key to Boyd's disappearance. As these secrets begin to unravel, all of Olive's assumptions prove wrong and she is forced to confront the darkest, most shocking secret of all: why she really came to Africa in the first place. Drawing on Olive's own letters and secret diaries, Olive the Lionheart is a love story that defies all boundaries, set against the backdrop of a beautiful, unconquerable Africa. This book is not for sale in the United Kingdom.

History and myth collide in Nathan Makaryk's Lionhearts, a riveting story of vengeance, redemption and war, perfect for fans of Game of Thrones. All will be well when King Richard returns . . . but King Richard has been captured. To raise the money for his ransom, every lord in England is raising taxes, the French are eyeing the empty throne, and the man they called, [Robin Hood,] the man the Sheriff claims is dead, is everywhere and nowhere at once. He's with a band of outlaws in Sherwood Forest, raiding guard outposts. He's with Nottingham's largest gang, committing crimes to protest the taxes. He's in the lowest slums of the city, conducting a reign of terror against the city's most vulnerable. A hero to some, a monster to others, and an idea that can't simply be killed. But who's really under the hood? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The rousing conclusion to A. C. Gaughen's action-packed and romance-filled Robin Hood retelling is getting a fresh new look!

Collects Avengers (1998) #77-81. "It seems like a routine mission when Captain America and Earth's Mightiest Heroes head to Great Britain to deal with the Wrecking Crew's latest scheme. But when matters get out of hand, it takes the bravery of an innocent bystander using Cap's indestructible shield to save them all. These events lead to the resurrection of a forgotten Marvel hero and the introduction of a new member of the Avengers!

He's supposed to be the ruler of this kingdom.The prince poised to take his rightful place on the pitch.Instead, he plays the jester, shunning his legacy.Only I am privy to his lion heart.Kingston Phillips is the heir to England's football dynasty. The offspring of two of the world's greatest players, the expectations set on his shoulders could crush the universe. But the golden-haired Adonis chooses to live his life as a game; a series of nightclubs, brawls, pranks and different kit chasers parading through his sheets.I'm the last woman he should chase, and I've told him so. My cheeky mouth and icy demeanor guard the secret no one can learn. But when the Casanova I've been avoiding becomes the bloke next door, he quickly begins to thaw the frost around my heart. Kingston shows me the ferocious, loyal, protective side of himself that no one else gets to witness.I begin to realize that he's just as damaged as I am.That as much as I try to deny it, we're the same.And ... that might just be our undoing.

With insight, humor and fascinating detail, Lacey brings brilliantly to life the stories that made England -- from Ethelred the Unready to Richard the Lionheart, the Venerable Bede to Piers the Ploughman. The greatest historians are vivid storytellers, Robert Lacey reminds us, and in Great Tales from English History, he proves his place among them, illuminating in unforgettable detail the characters and events that shaped a nation. In this volume, Lacey limns the most important period in England's past, highlighting the spread of the English language, the rejection of both a religion and a traditional view of kingly authority, and an unstoppable movement toward intellectual and political freedom from 1387 to 1689. Opening with Chaucer's Canterbury Tales and culminating in William and Mary's "Glorious Revolution," Lacey revisits some of the truly classic stories of English history: the Battle of Agincourt, where Henry V's skilled archers defeated a French army three times as large; the tragic tale of the two young princes locked in the Tower of London (and almost certainly murdered) by their usurping uncle, Richard III; Henry VIII's schismatic divorce, not just from his wife but from the authority of the Catholic Church; "Bloody Mary" and the burning of religious dissidents; Sir Francis Drake's dramatic, if questionable, part in the defeat of the Spanish Armada; and the terrible and transformative Great Fire of London, to name but a few. Here Anglophiles will find their favorite English kings and queens, villains and victims, authors and architects - from Richard II to Anne Boleyn, the Virgin Queen to Oliver Cromwell, Samuel Pepys to Christopher Wren, and many more. Continuing the "eminently readable, highly enjoyable" (St. Louis Post-Dispatch) history he began in volume I of Great Tales from English History, Robert Lacey has drawn on the most up-to-date research to present a taut and riveting narrative, breathing life into the most pivotal characters and exciting landmarks in England's history.
