Love Wins, the book by Rob Bell, pastor of Mars Hill Church in Michigan, caused a firestorm within Christianity when it was released, and rightfully so. It is full of the false teaching of universalism--the idea that everyone will be saved. As an apologist, I had to read it.

Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions--so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much, much better than we ever imagined. Love wins.

Bestselling author Rob Bell offers a provocative book which gets to the heart of questions about life and death. His perspective, encapsulated by his famous slogan "love wins", will surprise and challenge both Christians and atheists, and will inspire people of all faiths and none.

Argues that God's main message regarding the afterlife is that "love wins," and that many popular--and grimmer--depictions of Hell were developed outside of the Bible.

The fascinating and very moving story of the lovers, lawyers, judges and activists behind the groundbreaking Supreme Court case that led to one of the most important, national civil rights victories in decades--the legalization of same-sex marriage. In June 2015, the Supreme Court made same-sex marriage the law in all fifty states in a decision as groundbreaking as Roe v Wade and Brown v Board of Education. Through insider accounts and access to key players, this definitive account reveals the dramatic and previously unreported events behind Obergefell v Hodges and the lives at its center. This is a story of law and love--and a promise made to a dying man who wanted to know how he would be remembered. Twenty years ago, Jim Obergefell and John Arthur fell in love in Cincinnati, Ohio, a place where gays were routinely picked up by police and fired from their jobs. In 2013, the Supreme Court ruled that the federal government had to provide married gay couples all the benefits offered to straight couples. Jim and John--who was dying from ALS--flew to Maryland, where same-sex marriage was legal. But back home, Ohio refused to recognize their union, or even list Jim's name on John's death certificate. Then they met Al Gerhardstein, a courageous attorney who had spent nearly three decades advocating for civil rights and who now saw an opening for the cause that few others had before him. This forceful and deeply affecting narrative--Part Erin Brockovich, part Milk, part Still Alice--chronicles how this grieving man and his lawyer, against overwhelming odds, introduced the most important gay rights case in U.S. history. It is an urgent and unforgettable account that will inspire readers for many years to come.

Rob Bell's book, Love Wins, has generated a national conversation about ultimate issues, such as the nature of hell, heaven, and the ultimate destiny of humankind. Yet, the book has also created unnecessary confusion. God Wins is a response to the provocative questions Love Wins has raised. In God Wins, Mark Galli explores the important questions that are left unasked and the issues left uncharted. Mark shows how Love Wins is not enough--and that there is even better news for our world. Includes a group-discussion guide with relevant Scripture passages.

This enhanced edition of LOVE WINS includes extras such as the complete LOVE WINS COMPANION as well as the book trailer video that started it all and ten brand-new videos featuring Rob Bell discussing each of the chapters. In LOVE WINS, bestselling author of VELVET ELVIS and the 2 million-plus selling Nooma videos, Rob Bell, reveals a secret deep in the heart of millions of Christians--they don't believe what they have been taught are the essential truths of their faith. Bell brings out to the open and faces squarely the questions on everyone's mind: Does it really make sense that God is a loving, kind, compassionate God who wants to know people in a personal way, but if they reject this relationship with Jesus, they will be sent to hell where God will eternally punish them forever? Bell goes to the heart of these issues and argues that the church's traditional understanding of heaven and hell is actually not taught by the Bible. Bell is emphatically not offering a new view of heaven and hell--instead, he closely examines every verse in the Bible on heaven and hell and shows what they really teach. And he discovers that Jesus's most fundamental teaching about heaven and hell is, "Love wins."

How could a loving God send people to hell? Will people have a chance after they die to believe in Jesus and go to heaven? With a humble respect for God's Word, Francis Chan and Preston Sprinkle address the deepest questions you have about eternal destiny. They've asked the same questions. Like you, sometimes they just don't want to believe in hell. But as they write, "We cannot afford to be wrong on this issue." This is not a book about who is saying what. It's a book about what God says. It's not a book about impersonal theological issues. It's a book about people who God loves. It's not a book about arguments, doctrine, or being right. It's a book about the character of God. Erasing Hell will immerse you in the truth of Scripture as, together with the authors, you find not only the truth but the courage to live it out.

During the summer of 2011, armed with a camera and a map, award-winning Canadian filmmaker and photographer Afzal Huda set out to chronicle the Separation Wall in Palestine. His aim was to magnify the ugly face of the Wall and depict the contradictions and hardships endured by human beings living under a military occupation. He was intent on showing the world what it was like to live in an open air prison and how Palestinians have developed ways to cope with the Wall's existence. Afzal spent three weeks doing just that: visiting all the Palestinian areas along the Wall and interviewing people young and old from all walks of life. But instead of the overwhelming reality of misery and suffering he had witnessed with his own eyes, his camera caught images of a contrasting nature: photos of people and faces of compassion, perseverance and hope rarely seen in mainstream media's usual portrayal of Palestinians. The resulting book--conceived and beautifully designed by Waleed Abu-Ghazaleh--is a powerful photo journal that depicts the humanity of a resilient people. It is divided into four parts, each starting with a short introduction in English, Spanish, German, French, and Chinese followed by brief statistics taken from United Nation sources. It includes: "Images of the Wall as a physical barrier: how it dissects towns and farmland" "Images of Palestinians living under its shadow: checkpoints, gates and the resultant poverty" "Images of solidarity: support from international artists and visitors as well as local inhabitants" "Images of perseverance and hope"

As Love Wins continues to become a touchstone for thousands of readers worldwide, controversy surrounds the book's arguments. Author Brian D. McClaren wrote that with Love Wins "thousands of readers will find freedom and hope and a new way of understanding the biblical story," yet USA Today observed that "Bell has stuck a pitchfork in how Christians talk about damnation."
