As youth workers, we all have our vision—the plan we hope to make real in our ministries—to change the lives of teenagers as we introduce them to Jesus. But how often have you found yourself wondering if your picture is just wrong—or thinking you just don't know how to make your ministry match what you envision?In 101 Ideas for Making Disciples in Your Youth Group you'll explore the idea of ACTS to create a disciple-making ministry with the elements needed to create an environment necessary to cultivate this mission. ACTS represents everything a missional youth ministry needs to be about:• Adoration—More than an act, this is a lifestyle that is fleshed out in expressions of prayerful dependence, deep gratitude, and expectancy in what God can do.• Community—This is an atmosphere of genuine caring, authentic relationships, and unity based on Christ's love for his Church and the Church's love for one another.• Truth-and-Grace—The basis of everything that is taught and valued, this is a setting where God's Word is the standard and central to belief and behavior.• Serving-and-Sharing—As a way of life, serving involves helping the whole person by ministering to both believers and the lost by meeting their needs, as well as verbally sharing God's message of grace.As you dig into each aspect of ACTS, you'll discover Jesus' style and see how he cultivated each element in his own ministry. Then you'll explore the youth ministry style of each aspect, where you'll find 25 hands-on, easy-to-implement ideas on how to cultivate the same element in your context in order to create an environment of disciple-making that finally fits your ministry.

It is hard to deny that today's world can seem apathetic toward Christians. Some may look down at their iPhones when we mention God, motion for the check when we bring up church, or casually change the subject when we talk about prayer. In a world full of people whose indifference is greater than their desire to know Christ, how can we dream of growing the church? In Contagious Disciple Making, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to Cityteam's two previous books, Miraculous Movements and The Father Glorified, Contagious Disciple Making details the method used by Cityteam disciple-makers. This distinctive process focuses on equipping spiritual leaders in communities where churches are planted. Unlike many evangelism and church-growth products that focus on quick results, contagious disciple-making takes time to cultivate spiritual leadership, resulting in lasting disciple-making movements. Through Contagious Disciple Making readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church. Features include: Engagement tools for use in the field Practical techniques to equip others to make disciples
