It was the war that lasted ten thousand days. The war that inspired scores of songs. The war that sparked dozens of riots. And in this stirring chronicle, Pulitzer Prize-winning journalist Philip Caputo writes about our country's most controversial war -- the Vietnam War -- for young readers. From the first stirrings of unrest in Vietnam under French colonial rule, to American intervention, to the battle at Hamburger

Hill, to the Tet Offensive, to the fall of Saigon, 10,000 Days of Thunder explores the war that changed the lives of a generation of Americans and that still reverberates with us today. Included within 10,000 Days of Thunder are personal anecdotes from soldiers and civilians, as well as profiles and accounts of the actions of many historical luminaries, both American and Vietnamese, involved in the Vietnam War, such as Richard M. Nixon, General William C.

Westmoreland, Ho Chi Minh, Joe Galloway, Dr. Martin Luther King Jr., Lyndon B. Johnson, and General Vo Nguyen Giap. Caputo also explores the rise of Communism in Vietnam, the roles that women played on the battlefield, the antiwar movement at home,

the participation of Vietnamese villagers in the war, as well as the far-reaching impact of the war's aftermath. Caputo's dynamic narrative is highlighted by stunning photographs and key campaign and battlefield maps, making *10,000 Days of Thunder* THE consummate book on the Vietnam War for kids.

Christians often say, "In Jesus' name" to close their prayers. But is this truly a desire of the heart or a perfunctory "Yours Truly" to God? Bryan Chapell says we should begin our prayers in Jesus' name—we should be Praying Backwards. In this practical and inspiring book, he shows readers that to truly pray in Jesus' name is to reorder one's priorities in prayer—and in life—away from oneself and towards Jesus and his

kingdom. It is to pray believing in the power and the goodness of the One who hears, and thus to pray boldly, expectantly, and persistently. Readers seeking to transform their prayer lives will find wonderful direction in *Praying Backwards*.

Bestselling and award-winning author, Sharon G. Flake, delivers a mystery set in the 1950s that eerily blends history, race, culture, and family. Octobia May is girl filled with questions. Her heart condition makes her special - and, some folks would argue, gives this ten-year-old powers that make her a "wise soul." Thank goodness for Auntie, who convinces Octobia's parents to let her live in her boarding house that is

Online Library Manual De Usuario Yamaha Fz16

filled with old folks. That's when trouble, and excitement, and wonder begin. Auntie is non-traditional. She's unmarried and has plans to purchase other boarding homes and hotels. At a time when children, and especially girls, are "seen, not heard," Auntie allows Octobia May the freedom and expression of an adult. When Octobia starts to question the folks in her world, an adventure and a mystery unfold that beg some troubling questions: Who is black and who is "passing" for white? What happens when a vibrant African American community must face its own racism? And, perhaps most important: Do vampires really exist? In her most and probing novel yet, Sharon G. Flake takes us on a heart-
