Investigation Procedures - Marine Investigations (US National Transportation Safety Board Regulation) (NTSB) (2018 Edition) The Law Library presents the complete text of the Investigation Procedures - Marine Investigations (US National Transportation Safety Board Regulation) (NTSB) (2018 Edition). Updated as of May 29, 2018 This final rule adopts revisions to the NTSB's regulations regarding its investigative procedures. The intent of these revisions is to reorganize, clarify and update the regulations to reflect the last 20 years of NTSB's experience in conducting transportation investigations. These regulations affect investigations of transportation accidents within the NTSB's statutory authority, except marine casualty investigations. This book contains: - The complete text of the Investigation Procedures - Marine Investigations (US National Transportation Safety Board Regulation) (NTSB) (2018 Edition) - A table of contents with the page number of each section
