and multinational firms. The ongoing concerns of the environment and the sustainability of business are integrated throughout the text. Other important emergent areas affecting the practice of international marketing, such as corporate social responsibility and the dominance of social media and e-commerce are also discussed. To aid class discussions, short case studies are presented at the end of each chapter as well as a case for more extensive analysis at the end of each part. To encourage a learn by doing approach, additional activities for students are available from
