In recent years, there have been several excellent books which cover much of the same material found in this volume. For example, Steven Silbiger's The Ten-Day MBA: A Step-By-Step Guide To Mastering The Skills Taught In America's Top Business Schools and Milo Sobel's 12 Hour MBA Program.

Practical ideas from the best brains in Business A sharp, jargon-free guide to the core curriculum of an MBA program, MBA in a Book shows how to master the big ideas of business and use them in a practical way to build and enhance career success. "In the world of business, ideas matter. . . . Some of the sharpest minds in the business world give perceptive looks into innovation, marketing, finance, strategy, and leadership, providing stimulating, useful perspectives on these core topics."—Larry Bossidy, retired chairman and CEO of Honeywell International and coauthor of Execution: The Discipline of Getting Things Done Great business thinkers such as Michael Porter, Rosabeth Kanter, and Bill George of Harvard Business School; Paul Argenti of the Tuck School at Dartmouth; Jeffrey Sonnenfeld of Yale; Peter Senge of MIT; the entrepreneur and inventor Dean Kamen; and the financial innovator Michael Milken are just a few of the best brains in business, providing the intellectual nourishment that will help you play the game of business at the highest level.

The best minds in business—at your service MBA in a Box brings together some of the best brains in business who show how the core curriculum of an MBA program works in the real world. People like Michael Porter, Rosabeth Moss Kanter, Adrian J. Slywotzky, Warren Bennis, and Bill George give you a box full of ideas and tools that can boost your career and help you add value to your organization. For example: • Why finance is not just about manipulating numbers but of immense importance in sustaining growth, building widespread wealth, and creating jobs. • The profit zone and how to tell if a business is in one. • The skill of turning an idea or invention into a product that solves a problem for a market. • Merging the need of business to produce and grow with the environment so they are both sustained. • The latest thinking in marketing about branding, pricing, reversing a product's life cycle, and turning what has become a commodity into a specialty. • And much more.

Steven Silbiger has distilled the material of the ten most popular business schools in order to teach readers the language of business. At the rate of one easy-to-understand chapter a day, this book will enable readers to absorb the material, speak the language, and, most importantly, acquire the confidence and expertise needed to get ahead in the competitive business world.

Master the fundamentals, hone your business instincts, and save a fortune in tuition. The consensus is clear: MBA programs are a waste of time and money. Even the elite schools offer outdated assembly-line educations about profit-and-loss statements and PowerPoint presentations. After two years poring over sanitized case studies, students are shuffled off into middle management to find out how business really works. Josh Kaufman has made a business out of distilling the core principles of business and delivering them quickly and concisely to people at all stages of their careers. His blog has introduced hundreds of thousands of readers to the best business books and most powerful business concepts of all time. In The Personal MBA, he shares the essentials of sales, marketing, negotiation, strategy, and much more. True leaders aren't made by business schools—they make themselves, seeking out the knowledge, skills, and experiences they need to succeed. Read this book and in one week you will learn the principles it takes most people a lifetime to master.

Are you tempted to go to business school? Save your money and read The Personal MBA instead. This bestselling book gives you everything you to transform your business and your career. An MBA at a top business school is an enormous investment in time and cash. And if you don't want to work for a consulting firm or an investment bank, the chances are it simply isn't worth it. The Personal MBA gives you simple mental models for every subject that's key to commercial success. From the basics of products, and marketing to the nuances of teamwork and systems, this book distils you need to know to take on the MBA graduates and win. Finally, here's a £10.99 MBA. Well on its way to becoming a business classic: Jason Hesse, Real Business 'No matter what they tell you, an MBA is not essential. If you combine reading this book with actually trying stuff, you'll be far ahead in the business game.' Kevin Kelly, founding executive editor of Wired

Written by one of the top professors at Northwestern's Kellogg School of Management, Mastering the Case Analysis offers a systematic approach to analyzing business cases typically given in MBA job interviews. An overdue and much-needed aid to support students' preparation for case interviews, this book introduces an integrative framework for analyzing business problems and offers a detailed overview of the essential methods and concepts used in case analysis.

Citing a disparity between the models taught in business schools and the practices of the real world, a business and marketing educator shares essential principles in such areas as sales and strategy and offers advice on making the most of every career stage.

Now totally revised -- the 3rd edition of The Ten-Day MBA includes the latest topics taught at America's top business schools, including leadership, corporate ethics and compliance, financial planning, and real estate. This internationally acclaimed guide (more than 200,000 copies sold in the United States and around the world) distills the material of the most popular business-school courses taught at Harvard, Stanford, the University of Pennsylvania, the University of Chicago, Northwestern, and the University of Virginia. Silbiger's research comes straight from the notes of real MBA students attending these top programs today. You will learn how to: Read and understand financial statements Develop effective and comprehensive marketing plans Understand accounting rules and methods Manage your relationship with your boss Develop corporate strategies Understand the present value concept Use quantitative techniques to evaluate projects Value stock, bond, and option investments Understand the language of business law Master the most-used MBA jargon At the rate of one easy-to-understand chapter a day, this classic business book enables readers to absorb the material, speak the language, and acquire the confidence and experience needed to succeed in the competitive global business world of the twenty-first century.

The MBA Handbook is a solid support guide for students studying for their MBA, providing advice about the whole MBA process, including choosing a course and examining post-MBA job opportunities. It can be used either to support a specific study skills unit on the course or as student reference and support beyond the classroom - it therefore has a lot of value for distance-learning students.
