DNF.*1 star. Since I can't give it 0 stars I'm giving it one star. Review completed July 15, 2013 And another one bites the dust. This was beyond bad. Older heroine younger hero is one of my favorite tropes but Mid Life Love is absolutely unacceptable; it didn't work out for me at all.

December 28, 2012. Dear Journal, I just realized that the key to advertising can be summed up in one word: Bullshit. That ' s right, the key behind every single strategic slogan, even the greatest ones—Nike ' s “ Just Do It,” McDonald ' s “ I ' m Lovin ' It,” and L ' Oreal ' s “ Because You ' re Worth It ” —is pure bullshit.

I knew that my life was bound to be terrible if I spent any more time in the hell hole that was Ohio, so that night I made a plan to get out. Mid Life Love Series | Whitney G.

I love Whitney Garcia Williams. Her stories are refreshing and her characters are usually fun, unpredictable, and relatable. I liked the premise of the Mid-Life Love, but my frustration with the main character, Claire, prevented me from loving it. Jonathan is THE ultimate book boyfriend, and he is unrelenting in his pursuit of Claire.

A self diagnosed candy addict, travel junkie, and hypochondriac, Whitney Gracia Williams LOVES to write about characters that make you laugh, cry, and want to (in the case of Selena Ross) reach through your Kindle and slap them. She is the "imaginary bestselling" author of the Jilted Bride Series, Mid Life Love, Wasted Love, and Captain of My Soul.

****Book Two in the Mid Life Love series**** If you ask me if Jonathan Statham makes me happy, I'll say 'Absolutely. He's the man of my dreams and I can't wait to marry him.' If you ask me why my ex-husband Ryan is currently one inch away from me—staring into my eyes and pressing his hand against my cheek, I'll say, 'I have no fucking idea...' Claire Gracen finally has the life she's always wanted: A career she loves, a man who's willing to do any and everything for her, and friends that show her the true meaning of the word 'friendship.' As she and Jonathan prepare to make the ultimate commitment to one another and plan the wedding of her dreams, she quickly realizes that the hurtful past she left behind in Pittsburgh is a lot closer than she thought. Sexy, unpredictable, and as charmingly clever as Mid Life Love, 'At Last' will captivate you from the first page and never let you go.

Subject: Delete this message after you read it... Dear Hayley, I'm assuming you're still hungover, so I'll make this brief. Last night, you slipped under my sheets (without my permission), and we almost had sex. I got the hell out of the bed once I realized it was you, and I took you home. That's the story. The end. Period. Just in case you've forgotten, you're my best friend's little sister. We will never be anything more. (We can't be anything more.) Our previous friendship is still

unresolved--or "over" in your terms, so I'd prefer if we worked on becoming 'just friends' again since you're in town. Nonetheless, I'm not a man who leaves questions unanswered--even the drunken ones, so to properly close our inappropriate conversation: 1) Yes, I liked the way your lips felt against mine when you were on top of me. 2) Yes, I do "prefer" rough sex, but I'm pretty sure I wasn't rough with you. 3) No, I had no idea you were still a virgin... This message never happened, Corey

He definitely wasn't supposed to get that email... Subject: My Boss. Have I already told you that I hate my boss today? Sexy as hell or not, this pompous, arrogant, ASSHOLE asked me to pick up his dry cleaning the second I walked through the door. Then he told me that I needed to take his Jaguar to a car wash that was ten miles outside of the city, but only after I needed to stand in a never-ending line to buy some type of limited, hundred-dollar watch. I honestly can't wait to see the look on his face two months from now when I tell him that I'm quitting his company and that he can kiss my ass. KISS. MY. ASS. All those former fantasies about him kissing me with his "mouth of perfection" or bending me over my desk and filling me with his cock are long over. OVER. Your bestie, Mya PS--Please tell me your day is going better than mine... Subject: Re: My Boss. No, you haven't already told me that you hate your boss today, but seeing as though you've sent me this email directly, I know now... Yes, I did ask you to pick up my dry cleaning the second you arrived to work to day. (Where is it?) And I did tell you to take my Jaguar to the car wash and pick up my thousand-dollar watch. (Thank you for taking five hours to do something that could be accomplished in two.) You don't have to wait two months from now to see the look on my face when you tell me you're quitting. I'm standing outside your office at this very moment. (Open the door.) No comment on your "fantasies," although I highly doubt they're "long over." Your boss, Michael PS--Yes. My day is definitely going far better than yours...

Outraged, she defies her new lord. But even as his smoldering passion seduces her into a gathering storm of desire, Whitney cannot—will not—relinquish her dream of perfect love. Rich with emotion, brimming with laughter and tears, Whitney, My Love is “ the ultimate love story, one you can dream about forever ” (RT Book Reviews).

I should've never agreed to this arrangement... Thirty days ago, my boss (Mr. Wolf of Wall Street), came to me with an offer I couldn't refuse: Sign my name on the dotted line and pretend to be his fiancé e for one month. If I agreed, he would let me out of my employment contract with a "very generous" severance package. The rules were pretty simple: No intimate kissing, no actual sex. Just pretend to love each other for the press, even though I've secretly wanted to knock that sexy smirk off his face since the first day we met. I definitely didn't need to think twice about this. I signed my name and started counting down the seconds to when I would never have to deal with his special brand of ass-holery again. I only made it to one minute... We argued the entire four-hour flight to his hometown, failed to make a convincing impression with the welcoming press, and right when I was about to knock that arrogant look off his face in real life? He purposely dropped his bath towel in front of me, distracting me with his nine-inch cock to "show me who the bigger person was" in our relationship. Then he gave me his trademark smirk once again and asked if I wanted to consummate our marriage. Tragically, this is only day one. We still have 29 more days to go...

My boyfriend is an asshole. A pure, one of a kind, I-wish-I-was-making-this-up asshole. Every year, I write "Dump his ass" as my most important resolution, but I've never done it. Until now. Well, kind of ... Instead of showing up to our "secret" engagement party, I've shown up to the airport--ready and willing to go wherever the next flight is bound. Determined to keep and fulfill all of my resolutions, I'm proud of myself for finally striking out on my own. Until I never make it to my final destination. Until the sexy stranger who sat next to me on the plane changes everything. Until my "last resolution" is fulfilled a lot earlier than I thought...

The man I fell in love with is a f-cking liar... I don't have much time to reveal all the details, but I will say this: The "Woman disappears after wedding" and "Woman flees after honeymoon" headlines are lying. I'm not missing. I didn't run away after my wedding. I would've never run away right after our amazing honeymoon. My husband has taken me. No, correction: He's kidnapped me because he claims that "it's what's best." That I'm a mere pawn in his twisted game of chess. Despite the fact that my heart is still tethered to his, or the fact that he's still the most gorgeous and beautiful man I've ever met in my life (he can still make me wet with a single sentence), I have to focus on getting away from him. I have to accept that he's no longer the man I fell in love with. He's the king of lies... King of Lies is the first episode in the Empire of Lies series.

She lied to me... She betrayed the one rule that I'm most adamant about: Honesty. Complete and utter f*****g honesty. I really wish she was someone else—someone who didn't have the ability to make me feel, someone I could easily discard like the hundreds of women before her. She isn't. I'm drawn to her like I've never been drawn to a woman before—completely captivated by the very sight of her. But unfortunately, with my past slowly re-surfacing for all of the world to see, I'll have to find a way to let her go. She can never be mine.

"Whitney Way Thore stands five feet two inches tall and weighs well over three hundred pounds, and she is totally, completely, and truly ... happy. But she wasn't always the vivacious, confident woman you see on TV. Growing up as a dancer, Whitney felt the pressure to be thin, a desire that grew into an obsession as she got older. From developing an eating disorder as a teenager, to extreme weight gain in college, to her ongoing struggle with polycystic ovarian syndrome (PCOS), Whitney reveals her fight to overcome the darkest moments in her life. She holds nothing back, opening up about the depths of her depression as well as her resilience in the face of constant harassment and mistreatment. Now Whitney is on top of the world and taking no BS (Body Shame, of course). And she's sharing the steps she took to get there and the powerful message behind her successful No Body Shame campaign. She even reveals her favorite 'F' word (it's probably not what you think), the thrill of doing it with the lights on, and the story behind the?Fat Girl Dancing? video that started it all."--
