James Herbert stories Nobody True is a wonderful story about a man who loved his life, his wife, his daughter and his job. Unfortunately he is soon wrong about every thing. As the story continues there are many remarkable occurrences,. some good most bad. James Herbert was one of the best horror writers I've ever had the pleasure to read.

Nobody True by James Herbert—Goodreads

Nobody True is one of his most recent, and like most Herbert novels, it's a pleasure to read. Typically when you read a book narrated in the first person, you have a reasonable assurance that, whatever else happens, the narrator will survive. Not so here: from the get-go, James True is dead, a ghost relating the story of his life and after-life.

Nobody True James Herbert—s2.kora.com

James John Herbert, OBE (8 April 1943 – 20 March 2013) was an English horror writer. A full-time writer, he also designed his own book covers and publicity. His books have sold 54 million copies worldwide, and have been translated into 34 languages, including Chinese and Russian.

James Herbert—Wikipedia

In James Herbert's Nobody True, an epic and deadly battle ensues between True and a seemingly unstoppable and hideous serial killer - a man now intent on even more murders, including True's wife and child.

Nobody True: Amazon.co.uk: Herbert, James: 9780330522069----

NOBODY TRUE is James Herbert's best work in years, arguably his best yet. It is also one of the most original and compelling "horror" books in the past decade. Herbert takes what could have been a preposterous plot, and through brilliant narrative and several twists and turns, makes it a must read for genre fans.

Nobody True. James Herbert is in my opinion the fourth greatest author in the world (No 1 is Dean Koontz, No 2 is Stephen King, No 3 is Sidney Sheldon), I have read all of his books, I wont tell you about the book because if you are like me, You like to find out things as they happen in the book, The only thing I will say is that he is a Horror writer.

Nobody True by James Herbert (2005, Hardcover) for sale----

Considering that my last encounter with James Herbert was mixed at best though, I was somewhat wary going into this, regardless of my enthusiasm for the premise. Nobody True follows Jim True, a man who is ordinary in all but one way: he has had incredibly vivid out-of-body experiences ever since he was a young boy.

In James Herbert's Nobody True, an epic and deadly battle ensues between True and a seemingly unstoppable and hideous serial killer - a man now intent on even more murders, including True's wife and child... Displaying his usual talent for spine-chilling plots, this new thriller is the work of genius.

What happens when you lose your body? Jim True knows. He has returned from an out-of-body experience to find he has been brutally murdered and his body mutilated. No one can see him, no one can hear him, no one, except his killer, knows he still exists. Freed from his body, True embarks on a quest to find his killer and discover why and how he has managed to survive. As he closes in on his murderer, True discovers that even the very people he loved and trusted have betrayed him. He meets his killer, a strange and sinister figure who can also leave his body at will. In James Herbert's Nobody True, an epic and deadly battle ensues between True and a seemingly unstoppable and hideous serial killer - a man now intent on even more murders, including True's wife and child . . .

Chilling and disturbing, meet the demons in international bestseller James Herbert's Creed. Sometimes horror is in the mind. And sometimes it's real. Telling the difference isn't always easy. It wasn't for Joe Creed. He'd just photographed the unreal. Now he had to pay the price. Because he always thought that demons were just a joke. But the joke was on him.And it wasn't very funny. It was deadly . . .

Part of the Rats trilogy, the restless rats return in James Herbert's Lair. The mutant white rat had grown and mated, creating offspring in its own image. They dominated the others, the dark-furred ones, who foraged for food and brought it back to the lair. Now the dark rats were restless, tormented by a craving they could not satisfy. But the white slug-like thing that ruled them knew. Its two heads weaved to and fro and a stickiness drooled from its mouth as it remembered the taste of human flesh . . .

I wasn't there when I died. I was having one of those out-of-body dreams, the kind where you feel your spirit has left your body and it isn't really a dream. But somebody murdered me while I was away. Mutilated me. Left nothing for me to come back to. Who did it? The serial killer who was terrorizing the whole city? Or someone closer, someone known to me? But I had no enemies. At least, I didn't think I had. Then I began to discover things about myself. Funny what people say about you when they think you're dead. And it's scary when you meet the serial killer, when horror is followed by even greater horror, when your own family is threatened and only you can stop the killings...

Part of the Rats trilogy, international bestseller James Herbert's Domain pits man against mutant rats, who are back with a vengeance. The long-dreaded nuclear conflict. The city torn apart, shattered, its people destroyed or mutilated beyond hope. For just a few, survival is possible only beneath the wrecked streets - if there is time to avoid the slow-descending poisonous ashes. But below, the rats, demonic offspring of their irradiated forebears, are waiting. They know that Man is weakened, become frail. Has become their prey . . .

The Magic Cottage is another classic from the Master of Horror James Herbert. A cottage was found in the heart of the forest. It was charming, maybe a little run-down, but so peaceful--a magical haven for creativity and love. But the cottage had an alternative side--the bad magic. What happened there was horrendous beyond belief.

Can a ghost haunt a ghost? Can the dead reach out and touch the living? Can ancient evil be made manifest? These are the questions that confront investigator David Ash in James Herbert's The Ghosts of Sleath, when Ash is sent to the picturesque village of Sleath in the Chiltern Hills to look into mysterious reports of mass hauntings. What he discovers is a terrified community gripped by horrors and terrorized by ghosts from the ancient village's long history. As each dark secret is unveiled and terrible, malign forces are unleashed, he will fear for his very sanity. Sleath. Where the dead will walk the streets.

In James Herbert's Others, private investigator Nicholas Dismas is hired to track down a missing baby stolen away at birth, he finds himself immersed in a grim underworld of lies and deceit. His investigations ultimately lead him to a mysteriously located place with the seemingly innocent name of Perfect Rest, a nursing home where the elderly can live out their days in peace . . . But appearances can be deceptive and Dismas discovers the shadowy presence of the Others lurking in the hidden rooms and passages of Perfect Rest. His own dark heart is called into question in the events that follow and, in an astonishing and spectacular finale, Dismas finally resolves the enigma of his existence and answers the disturbing questions . . . who and what are the Others?

Ash is James Herbert's most controversial novel, and will make you wonder what is fact and what is fiction. Fear will let you in. Terror will keep you there. They were miscreants with black souls, roaming the corridors and passageways. Infamous people thought long-deceased. Hiding and nurturing their evil in a basement full of secrets so shocking they would shake the world if they were ever revealed. David Ash, ghost hunter and parapsychologist, arrives at Comraich Castle – a desolate, ancient place with a dark heart – to investigate a series of disturbing events. An incorporeal power has been ignited by a long-ago curse, fed and now unleashed by the evil of those who once inhabited this supposed sanctuary – and by some who still do. Yet their hour of retribution is at hand . . .
