Sharing his family's own struggles within a culture that is quickly changing, a national correspondent at The New York Times and father of a gay teen provides a thought-provoking guide that offers crucial lessons about helping gay kids and how to cope in a potentially hostile world. 17,500 first printing.

Meet Oddly Normal, a ten-year-old girl with pointed ears and green hair -- a half-witch who will be the first to tell you that having a mother from a magical land called Fignation and a father from Earth doesn't make it easy to make friends at school! On her tenth birthday, she blows out her cake's candles and makes a disastrous wish. Now, Oddly must travel to Fignation to uncover the mystery of her parents' disappearance. Join Oddly as she navigates a strange new school, monstrous bullies, and Evil itself on an unforgettable fantasy adventure through the vibrant world of Fignation in ODDLY NORMAL.

A New York Times correspondent shares his financial successes and mishaps, offering an everyman's guide to straightening out your money once and for all. Money management is one of our most practical survival skills—and also one we've convinced ourselves we're either born with or not. In reality, financial planning can be learned, like anything else. Part financial memoir and part research-based guide to attaining lifelong security, This Is the Year I Put My Financial Life in Order is the book that everyone who has never wanted to read a preachy financial guide has been waiting for. John Schwartz and his wife, Jeanne, are pre-retirement workers of an economic class well above the poverty line, but well below the one percent. Sharing his own alternately harrowing and hilarious stories—from his brush with financial ruin and bankruptcy in his thirties to his short-lived budgeted diet of cafeteria french fries and gravy—John will walk you through his own journey to financial literacy, which he admittedly started a bit late. He covers everything from investments to retirement and insurance to wills (at fifty-eight, he didn't have one!), medical directives and more. Whether you're a college grad wanting to start out on the right foot or you're approaching retirement age and still wondering what a 401(K) is, This Is the Year I Put My Financial Life in Order will help you become your own best financial adviser.

This exciting and engaging textbook introduces students to the psychology of lesbian, gay, bisexual, trans and queer lives and experiences. It covers a broad range of topics including diversity, prejudice, health, relationships, parenting and lifespan experiences from youth to old age. The book includes 'key researcher' boxes, which outline the contributions of significant individuals and their motivations for conducting their research in their own words. Key issues and debates are discussed throughout the book, and questions for discussion and classroom exercises help students reflect critically and apply their learning. There are extensive links to further resources and information, as well as 'gaps and absences' sections, indicating major limitations of research in a particular area. This is the essential textbook for anyone studying LGBTQ psychology, psychology of sexuality or related courses. It is also a useful supplement to courses on gender and developmental psychology.

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “ An amazing story, and truly inspiring. It ' s even better than you ' ve heard. ” —Bill Gates NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA ' S FAVORITE BOOKS OF THE YEAR • BILL GATES ' S HOLIDAY READING LIST • FINALIST: National Book Critics Circle ' s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara ' s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she ' d traveled too far, if there was still a way home. “ Beautiful and propulsive . . . Despite the singularity of [Westover ' s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up? ” —Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • BookRiot • Pamela Paul, KQED • New York Public Library

Oddly Normal's adventures in the fantastic world of Fignation continue! Collects ODDLY NORMAL #6-10.

I guess I always felt even if the world came to an end, McDonald ' s still would be open. High school sophomore Miranda ' s disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents,

and volcanic ash is blocking out the sun? As August turns dark and wintery in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year ' s worth of journal entries, this heart-pounding story chronicles Miranda ' s struggle to hold on to the most important resource of all—hope—in an increasingly desperate and unfamiliar world. An extraordinary series debut! Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

NATIONAL BESTSELLER For years, people have been asking Ezekiel “ Zeke ” Emanuel, the brash, outspoken, and fiercely loyal eldest brother in the Emanuel clan, the same question: What did your mom put in the cereal? Middle brother Rahm is the mayor of Chicago, erstwhile White House chief of staff, and one of the most colorful figures in American politics. Youngest brother Ari is a Hollywood superagent, the real-life model for the character of Ari Gold on the hit series *Entourage*. And Zeke himself, whom the other brothers consider to be the smartest of them all, is one of the world ' s leading bioethicists and oncologists, and a former special advisor for health policy in the Obama administration. How did one family of modest means produce three such high-achieving kids? Here, for the first time, Zeke provides the answer. Set amid the tumult of Chicago in the 1960s and 1970s, *Brothers Emanuel* recounts the intertwined histories of these three rambunctious, hypercompetitive Jewish American boys, each with his own unique and compelling life story. But ultimately, this is the story of the entire Emanuel family: the tough, colorful Old World grandparents; a mischievous, loving father who immigrated to the United States with twenty-five dollars and who enthralled his boys with tales of his adventures in Israel ' s war for independence; and a proud, politically engaged mother who took the boys with her to rallies and protests—including a civil rights march through the streets of Chicago led by Martin Luther King himself. Even as the Emanuels distinguished themselves as individuals, the bond of brotherhood that tied them together was never broken. *Brothers Emanuel* is a wry, rollicking, and often poignant narrative of how one American family succeeded in raising three extraordinary children. Praise for *Brothers Emanuel* “ An endearing, honest and gripping account of an American success story. ” —San Francisco Chronicle “ A beautiful portrait of growing up Jewish in an urban environment during an era of profound social change. ” —Publishers Weekly “ This delightful memoir is a deeply personal tale of one family, but it ' s also about much larger things: America and tribal identity, love and rivalry, and the moral lessons to be learned as you grow up. ” —Walter Isaacson “ Fascinating . . . a classic tale of an immigrant family. ” —Chicago Tribune “ Mighty entertaining. ” —The Hollywood Reporter “ A clear-eyed, candid memoir that is unique and yet quintessentially American. ” —BookPage “ A fun read. ” —The Forward

This memoir from the former child actress and veteran journalist describes the pride, pressure and cruelty she felt from her ambitious stage mother while working as part of the cast of *Little House on the Prairie*. 60,000 first printing.

INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA COVER TO COVER BOOK CLUB PICK “ Rich, dark, and intricately twisted, this enthralling whodunit mixes family saga with domestic noir to brilliantly chilling effect. ” —Ruth Ware, New York Times bestselling author “ A haunting, atmospheric, stay-up-way-too-late read. ” —Megan Miranda, New York Times bestselling author From the New York Times bestselling author of *Then She Was Gone* comes another page-turning look inside one family ' s past as buried secrets threaten to come to light. Be careful who you let in. Soon after her twenty-fifth birthday, Libby Jones returns home from work to find the letter she ' s been waiting for her entire life. She rips it open with one driving thought: I am finally going to know who I am. She soon learns not only the identity of her birth parents, but also that she is the sole inheritor of their abandoned mansion on the banks of the Thames in London ' s fashionable Chelsea neighborhood, worth millions. Everything in Libby ' s life is about to change. But what she can ' t possibly know is that others have been waiting for this day as well—and she is on a collision course to meet them. Twenty-five years ago, police were called to 16 Cheyne Walk with reports of a baby crying. When they arrived, they found a healthy ten-month-old happily cooing in her crib in the bedroom. Downstairs in the kitchen lay three dead bodies, all dressed in black, next to a hastily scrawled note. And the four other children reported to live at Cheyne Walk were gone. In *The Family Upstairs*, the master of “ bone-chilling suspense ” (People) brings us the can ' t-look-away story of three entangled families living in a house with the darkest of secrets.
