OGGI IN ITALIA is an introductory Italian program featuring a balanced four-skills approach to language learning. OGGI includes various perspectives of Italian culture, ranging from its rich, historical legacy, to current changes affecting the country and culture. This allows students to practice the basics of the language and develop oral communication skills in a variety of contexts while learning about contemporary Italian life and culture. product text may not be available in the ebook version.

This is a mainstream introductory Italian programme that develops the four language skills (listening, speaking, reading and writing) and increases students' awareness of and appreciation for Italian culture. The fifth edition retains the successful organization and format of previous editions. It features expanded cultural coverage, heavily revised and many more communicative exercises, an attractive design and a more manageable number of lessons (reduced from 22 to 20). Ancillary package available upon adoption.

The first edition of Percorsi quickly became one of the best-selling elementary Italian texts. The new second edition features a new design, more focus on skills-development, updated cultural information and a full version of MyItalianLab. Percorsi is an introductory program that promotes the acquisition of Italian language and culture through the integration of the “ 5 Cs ” principles of the National Standards for Foreign Language Education. Percorsi is designed to provide beginning learners with a variety of tools to develop their communicative competence in the four major language skills – listening, speaking, reading, and writing – as they acquire familiarity with Italian culture. All of the features in Percorsi have been carefully thought out to support the two key aspects of the language acquisition process: language comprehension and language production. From the start, carefully structured communicative activities based on authentic materials and texts encourage students to use Italian in everyday situations. Generous use of authentic content also offers students a chance to develop reading skills

while gaining cultural awareness and understanding of Italian communities and traditions throughout the world. In addition, each chapter explicitly promotes cultural exploration through illustrated presentations that are followed by activities facilitating comprehension and highlighting cultural comparisons. Students are encouraged to analyze and compare extremely varied aspects of Italian culture while making connections to their own experiences. MyItalianLab will be available for Fall 2011 courses.

A brand new Italian series for beginner students in Years 7-10. Level 1 is intended for Years 7-8 and Level 2 for Years 9-10 Written to meet the full requirements of the Australian Curriculum: Languages Italian, *Parliamo Italiano Insieme* is the ideal course to support you and your students with transition to the new curriculum Combining a well-paced approach with a focus on intercultural skills, your students will be able to improve their language skills with confidence while developing their intercultural competence A full suite of engaging print and digital resources including fun interactive activities for language practice and audio material by Italian native speakers.

This Seventh Edition of the best-selling intermediate Italian text, *DA CAPO*, reviews and expands upon all aspects of Italian grammar while providing authentic learning experiences (including new song and video activities) that provide students with engaging ways to connect with Italians and Italian culture. Following the guidelines established by the National Standards for Foreign Language Learning, *DA CAPO* develops Italian language proficiency through varied features that

Simply the best investment for anyone learning to write in French! This powerful program combines the features of a word processor with databases of language reference material, a searchable dictionary, a verb conjugating reference, and audio recordings of vocabulary, and example sentences. You will quickly learn to read, analyze, see word associations, and understand the link between language functions and linguistics structures in French.

The Second Edition of *Parliamo italiano!* instills five core language skills by pairing cultural themes with essential grammar points. Students use culture—the geography, traditions, and history of Italy—to understand and master the language. The 60-minute *Parliamo italiano!* video features stunning, on-location footage of various cities and regions throughout Italy according to a story line corresponding to each unit's theme and geographic focus.

'Basic Italian' provides readers with the basic tools to express themselves in a wide variety of situations. The book contains 23 individual grammar points in lively and realistic contexts.

**#1 NEW YORK TIMES BEST SELLER** • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.
