When Micky Bellsong meets Leilani Klunk, a disabled girl, and her stepfather, Preston Maddoc, she finally finds some purpose in her troubled life, but when the family disappears, she embarks on an arduous mission to find them.

This ebook edition contains a special preview of Dean Koontz's *The Silent Corner*. Hailed as "America's most popular suspense novelist" (*Rolling Stone*) Dean Koontz has entered a rich new phase of his writing career that is yielding his most imaginative, meaningful, and popular work yet. At the height of his powers as a literary craftsman, he has won the acclaim of critics as well as the allegiance of millions of fans the world over, transforming the greatest fears and hopes of our time into masterworks of dazzling originality and emotional resonance. Now, with the stunning depth and virtuosity of his storytelling, he brings to readers one of his most gripping and richly imagined novels to date—an intoxicating story of adventure and suspense, mystery and revelation, told with humor, heart, and high art. *One Door Away From Heaven* In a dusty trailer park on the far edge of the California dream, Michelina Bellsong contemplates the choices she has made. At twenty-eight, she wants to change the direction of her troubled life but can't find her way—until a new family settles into the rental trailer next door and she meets the young girl who will lead her on a remarkable quest that will change Micky herself and everything she knows—or thinks she knows—forever. Despite the brace she must wear on her deformed left leg, and her withered left hand, nine-year-old Leilani Klunk radiates a buoyant and indomitable spirit that inspires Micky. Beneath Leilani's effervescence, however, Micky comes to sense a quiet desperation that the girl dares not express. Leilani's mother is little more than a child herself. And the girl's stepfather, Preston Maddoc, is educated but threatening. He has moved the family from place to place as he fanatically investigates UFO sightings, striving to make contact, claiming to have had a vision that by Leilani's tenth birthday aliens will either heal her or take her away to a better life on their world. Slowly, ever more troubling details emerge in Leilani's conversations with Micky. Most chilling is Micky's discovery that Leilani had an older brother, also disabled, who vanished after Maddoc took him into the woods one night and is now "gone to the stars." Leilani's tenth birthday is approaching. Micky is convinced the girl will be dead by that day. While the child-protection bureaucracy gives Micky the runaround, the Maddoc family slips away into the night. Micky sets out across America to track and find them, alone and afraid but for the first time living for something bigger than herself. She finds herself pitted against an adversary, Preston Maddoc, as fearsome as he is cunning. The passion and disregard for danger with which Micky pursues her quest bring to her side a burned-out detective who joins her on a journey of incredible peril and startling discoveries, a journey through terrible darkness to unexpected light. *One Door Away From Heaven* is an incandescent mix of suspense and humor, fear and wonder, a story of redemption and timeless wisdom that will have readers cheering. Filled with tragedy and joy, with terror and hope, it solidifies Dean Koontz's reputation as one of the foremost storytellers of our time. This is Dean Koontz at his very best—and it doesn't get any better than that.

around him, Junior Cain, a serial killer and rapist who believes that Bartholomew is his nemesis, goes on a hunt to kill him.

Newbery Honor-winning, New York Times–bestselling, and as full of fun and adventure as it is of deeper family issues. School’s out for summer, and Penny and her cousin Frankie have big plans to eat lots of butter pecan ice cream, swim at the local pool, and cheer on their favorite baseball team—the Brooklyn Dodgers! But sometimes things don’t go according to plan. Penny’s mom doesn’t want her to swim because she’s afraid Penny will get polio. Frankie is constantly getting into trouble, and Penny feels caught between the two sides of her family. But even if the summer doesn’t exactly start as planned . . . things can work out in the most unexpected ways! Set just after World War II, this thought-provoking novel also highlights the prejudice Penny’s Italian American family must confront because people of Italian descent were “the enemy” not long ago. Inspired by three-time Newbery Honor winner Jennifer Holm’s own Italian American family, Penny from Heaven is a story about families—about the things that tear them apart and the things that bring them back together. Includes an author’s note with photographs and background on World War II, internment camps, and 1950s America, as well as additional resources and websites. Booklist: “Holm impressively wraps pathos with comedy in this coming-of-age story, populated by a cast of vivid characters.”

Millennia after a god is condemned to live among the hateful creatures he has created, the magical veil entrapping the god and his monsters weakens, compelling bow hunter Than Junell and his companions to undertake a dangerous and secret journey to protect their people.

A dying man's clairvoyant prophesies about his grandson, Jimmy Tock, reveal five terrifying and horrific events, occurring on five different days at different periods in his life, that will turn the young man's world upside down. 600,000 first printing.

New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls “a shining light.” Alexander the Great stands alone as a leader and strategist, and Fire from Heaven is Mary Renault’s unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son’s love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror’s two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone’s life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. Fire from Heaven is the first volume of the Novels of Alexander the Great trilogy, which continues with The Persian Boy and Funeral Games. This ebook features an illustrated

biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel

The first book by a respected journalist on Nearing Death Awareness—similar to Near-Death Experience—this "fascinating" (Kirkus Reviews) exploration brings "humor, sympathy, and keen critical intelligence to a topic that is all too often off-limits" (Ptolemy Tompkins, collaborator with Eben Alexander on Proof of Heaven). People everywhere carry with them extraordinary, deeply comforting experiences that arrived at the moment when they most needed relief: when they lost a loved one. These experiences can include clear messages from beyond, profound and vividly beautiful visions, mysterious connections and spiritual awareness, foreknowledge of a loved one's passing—all of which evade explanation by science and logic. Most people keep these transcendent experiences secret for fear they will be discounted by hyperrational scrutiny. Yet these very common occurrences have the power to console, comfort, and even transform our understanding of life and death. Prompted by her family's surprising, profound experiences around the death of her father and her sister, reporter Patricia Pearson sets out on an open-minded inquiry, a rare journalistic investigation of Nearing Death Awareness, which Anne Rice praises as "substantive, eloquent, and worthwhile." Opening Heaven's Door offers deeply affecting stories of messages from the dying and the dead in a fascinating work of investigative journalism, pointing to new scientific explanations that give these luminous moments the importance felt by those who experience them. Pearson also delves into out-of-body and near-death experiences, examining stories and research to make sense of these related but distinct categories. Challenging current assumptions about what we know and what we are still unable to explain, Opening Heaven's Door will forever alter your perceptions of the nature of life and death.
