For example, the following are common reasons to use an LLC resolution: Opening a bank account in the LLC's name. Banks and other financial institutions typically require a resolution that states that an individual member is authorized to open up an account in the LLC's name. Obtaining a bank loan.

This new, third edition, has added many updates regarding critical asset-based collateral subjects and issues, including regulatory Uniform Commercial Code (UCC) changes and more. Asset-based lending, or the extension of credit against company's balance sheet assets on a collateral margin basis, is a rapidly growing field in the lending arena - thanks to better controls and understanding as well as the intensification of non-bank competition in the field. Asset-Based Lending defines lending controls and policies, assessing collateral and borrower quality, loan pricing, collateral monitoring and much more, including: - Cash collateral accounts, commingling funds and controlling payments and advances - Completing notes, security agreements and other documents - Accounts receivable and inventory lending - Chattel paper, notes, machinery and equipment - Direct and third party leasing - Collateral field examinations - Factoring

The Universal Declaration of Human Rights proclaims that "everyone has the right to a standard of living adequate for the health and well-being of himself and of his family." The guarantee of good health for its people is therefore every government's aspiration. Public – private partnerships (PPP) in health offer effective and sustainable solutions where the private sector and government can work together to bring long-term benefits to the people. This guidebook offers readers a guide for the development of a PPP in hospital management through six simple, customizable steps. It looks at hospital management as an important component of well-rounded health care systems. Through PPPs in hospital management, people will have increased access to effective, affordable, and compassionate health care services.

This comprehensive guide to all the essential legal and business considerations in financing the business activities of the modern corporation. Readers are provided with a clear and concise introduction to the legal and contractual framework that governs the major capital raising transactions in which a firm might be involved, with a particular emphasis upon the federal and state securities laws. An indispensable resource for consummating any private investment transaction, public offering, or commercial loan transaction, as well as dealing with disclosure requirements, the structuring of underwriting arrangements, and complying with public company responsibilities. Intended for entrepreneurs and managers at firms of all sizes.

In The Partnership Charter, psychologist and business mediation expert David Gage offers a comprehensive guide to the art of establishing and maintaining a business partnership. The centerpiece of his approach is the Partnership Charter, a document that clearly outlines the goals, expectations, responsibilities, and relationships of the principals. The charter identifies potential sources of conflict and how they will be resolved, while addressing such sensitive issues as personal styles, values, money, and power. Illustrating every principle through engaging stories drawn from Gage's front-line experience consulting to business partners, as well as interviews with the founding partners of such successful businesses as Progressive Insurance Company and Manpower, Inc., The Partnership Charter dispels common myths and presents a practical framework for launching, building, and sustaining a thriving business partnership.
