Do you ever wonder, "Why doesn't God answer my prayers?" Do you wish you could see the evidence that prayer changes lives? Are you tired of playing it safe with your faith? In *Dangerous Prayers*, New York Times bestselling author Craig Groeschel helps you unlock your greatest potential and tackle your greatest fears by praying stronger, more passionate prayers that lead you into a deeper faith. Prayer moves the heart of God—but some prayers move Him more than others. He wants more for us than a tepid faith and half-hearted routines at the dinner table. He's called you to a life of courage, not comfort. This book will show you how to pray the prayers that search your soul, break your habits, and send you to pursue the calling God has for you. But be warned: if you're fine with settling for what's easy, or you're OK with staying on the sidelines, this book isn't for you. You'll be challenged. You'll be tested. You'll be moved to take a long, hard look at your heart. But you'll be inspired, too. You'll be inspired to pray boldly. To pray powerfully. To pray with fire. You'll see how you can trade ineffective prayers and lukewarm faith for raw, daring prayers that will push you to new levels of passion and fulfillment. You'll discover the secret to overcome fears of loss, rejection, failure, and the unknown and welcome the blessings God has for you on the other side. You'll gain the courage it takes to pray dangerous prayers.

Why are many Christians often defeated? Because they pray so little. Why do most Christians see so few brought out of darkness to light by their ministry? Because they pray so little. Why are our churches simply not on fire for God? Because there is so little real prayer. We may be assured of this: The secret of all failure is our failure in secret prayer. This book explores, in depth: · * God's wonder at our lack of prayer · * God's incredible promises concerning those who do pray · * God's condition for providing signs · * God's desire for earnest prayer · * God's perspective on hindrances to prayer The Lord Jesus is as powerful today as ever before. The Lord Jesus is as anxious for men to be saved as ever before. His arm is not shortened that it cannot save, but He does not stretch forth His arm unless we pray more – and more genuinely. Prayer, real prayer, is the noblest, the sublimest, and the most stupendous act that any creature of God can perform. Lord, teach us how to pray.
