Described as "Who owns whom, the family tree of every major corporation in America," the directory is indexed by name (parent and subsidiary), geographic location, Standard Industrial Classification (SIC) Code, and corporate responsibility.

The North American Integrated Services Digital Network (ISDN) Users' Forum developed this national ISDN solutions catalog, which explains over 30 solutions for ISDN applications that members identified as most important in a recent survey. Some of the solutions detailed include video conferences, screen sharing, facsimile, caller ID, telecommunications and file transfer. Also lists more than 120 products that 60 suppliers have identified as part of these solutions.
