Problem-solution essays consider the problems of a particular situation, and give solutions to those problems. They are in some ways similar to cause and effect essays, especially in terms of structure (see below). Problem-solution essays are actually a sub-type of another type of essay, which has the following four components: Situation; Problem; Solution; Evaluation

Problem-solution essays - EAPFoundation.com
The most important thing about the problem solution essay is the structure, which, as you may have already noticed, is reflected in its name. In other words, what makes an essay a «problem solution» one is the particular structure, in which the first paragraph is telling about a certain problem and the next is suggesting the possible solution.

How to Write a Problem Solution Essay: Guide with Examples
The key to writing a good problem-solution essay is to think small. In other words, pick a very specific problem (money in politics, for instance) that will lead to goals that are clear and viable. When you pick a topic that readers feel confident that they'll be able to tackle, you'll write an essay that just might move them to act.

IELTS Problem Solution Essays – IELTS buddy
A problem-solution paragraph identifies a problem, or problems, and recommends a plausible solution(s). This method of internal organization splits the paragraph, or paragraph block, into four easily-recognizable parts: Use a topic sentence to explore the paragraph's main idea, or claim (the problem that will be explored).

Problem Solution Paragraphs | University of Houston-Victoria
A problem-solution essay is an essay that describes a problem and discusses possible solutions to the problem. This type of essay may be assigned in a high school or college composition class, and it generally requires some research before the writing process can begin.

"Sean Karns will break your heart. The narrator of this collection makes starkly vivid the hardscrabble background of his life: an unhappy mother who works at the slaughterhouse, a father whose farm fails, a boy who loves both but plays the piano to escape. A group of poems referencing the likes of Walker Evans and James Agee enlarges the context considerably. There is a doomed affair, a brilliant dream sequence about the father, and a field of "cornstalks...flutter ing] their death rattle." Deeply sad, profoundly moving, and seductively musical, these poems are a testament to survival and art." – KELLY CHERRY, author of The Life and Death of Poetry: Poems

Help students improve their writing skills by implementing useful strategies that can be used by today's teachers.

This book reports research on the Problem-Solution rhetorical pattern, which has to date received very little attention in corpus-based studies. Insights from genre analysis and systemic-functional grammar are also applied to the analysis of the Problem-Solution pattern, thus moving towards a more multi-faceted analysis of corpus data. The pattern is investigated in two specialized corpora of technically-oriented report writing, a professional corpus and a student corpus, using a key word and key-key word analysis. Phraseological analyses of key words in both corpora are presented. Data show that students' writing lacks a range of lexico-grammatical patternings for expressing the Problem and Solution elements of the pattern. The book concludes with some pedagogic implications and applications of the findings. Suggested concordancing activities are discussed within the context of key issues in the field of data-driven learning.

Prudy collects so many things that everyone says she has a problem, but when a crisis convinces her that they are right, she comes up with the perfect solution.

This book on doctoral writing offers a refreshingly new approach to help Ph.D. students and their supervisors overcome the host of writing challenges that can make—or break—the dissertation process. The book's unique contribution to the field of doctoral writing is its style of reflection on ongoing, lived practice; this is more readable than a simple how-to book, making it a welcome resource to support doctoral writing. The experiences and practices of research writing are explored through bite-sized vignettes, stories, and actionable 'teachable' accounts.Doctoral Writing: Practices, Processes and Pleasures has its origins in a highly successful academic blog with an international following. Inspired by the popularity of the blog (which had more than 14,800 followers as of October 2019) and a desire to make our six years' worth of posts more accessible, this book has been authored, reworked, and curated by the three editors of the blog and reconceived as a conveniently structured book.

There's nothing more frustrating than watching your bright, talented son or daughter struggle with everyday tasks like finishing homework, putting away toys, or following instructions at school. Your "smart but scattered" 4- to 13-year-old might also have trouble coping with disappointment or managing anger. Drs. Peg Dawson and Richard Guare have great news: there's a lot you can do to help. The latest research in child development shows that many kids who have the brain and heart to succeed lack or lag behind in crucial "executive skills"--the fundamental habits of mind required for getting organized, staying focused, and controlling impulses and emotions. Learn easy-to-follow steps to identify your child's strengths and weaknesses, use activities and techniques proven to boost specific skills, and problem-solve daily routines. Helpful worksheets and forms can be downloaded and printed in a convenient 8 1/2" x 11" size. Small changes can add up to big improvements--this empowering book shows how. See also the authors' Smart but Scattered Teens and their self-help guide for adults. Plus, an academic planner for middle and high school students and related titles for professionals.

The second edition of The Concise Guide to Writing helps students through all phases of the writing process. With new chapters on justifying an evaluation, reading critically, conducting research in the library and on the internet, and citing sources, this flexible rhetoric offers valuable information for first-year composition courses.
