PUENTES is the market-leading one-semester program designed to meet the unique challenges of high-beginner or intensive first-year Spanish courses. With a dynamic power-pacing organization, rich integration of culture, and a full array of ancillary components, PUENTES reinforces familiar concepts while motivating students to progress from receptive knowledge to active and accurate use of Spanish. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Simply the best investment for anyone learning to write in French! This powerful program combines the features of a word processor with databases of language reference material, a searchable dictionary, a verb conjugating reference, and audio recordings of vocabulary, and example sentences. You will quickly learn to read, analyze, see word associations, and understand the link between language functions and linguistics structures in French.

Provides answers to the Student Activities Manual activities along with the script for the SAM Audio recordings. For purchase by student at the instructor's discretion.

Camino 3 offers students complete preparation for GCSE/Standard Grade through full coverage of all five Areas of Experience, Grades A*-G. Mixed abilities are catered for in one carefully structured Student's Book by the use of symbols to indicate differentiated activities. Student motivation is encouraged through the use of material appropriate for the 14-16 year age group in both content and style. Full support for the teacher is provided through detailed notes, National Curriculum cross referencing, tapescripts and answers as well as general teaching advice. Student's Book and worksheet activities are supported by 7 cassettes of audio material.

Reinforces language learnt by revisiting and revising selected core language from Camino 1. Teaches grammar in a systematic way, identifying patterns clearly and providing plenty of practice. The increasingly wide spread of attainment in the second year of language learning is covered by differentiation materials offering activities at two levels. Develops language learning skills with activities such as dictionary and pronunciation work.

Taruka is the new girl at the high school in town. The story takes the reader through a year of high school that Taruka is not likely to forget. She makes friends and meets a boy, Cooper. Like Cooper and many of the students at the school Taruka is very involved in sports, so she gets along with her new classmates well. But issues arise with her newfound friendship with Cooper when their differences are highlighted by the adults in their lives. This book is intended as a reader for students learning English. While the story has a plot similar to the classic story of Romeo and Juliet or Tony and Maria, the vocabulary and grammar are simple and comprehensible even for those just beginning with English.
