Today the faith of Christians is being undermined daily. A relentless stream of secular attacks from supposedly solid science has put many Christians on the defensive. Whether the argument is about evolution, history, or theology, every believer must be able to provide an answer for the hope that is within them. But you don't have to be an expert to respond effectively when confronted about your faith. Quick Answers to Tough Questions gives you quick and concise answers to the tough questions that are often posed to believers regarding: Creation and evolution Age of the earth and Noah's Ark Death and suffering Origin of life and missing links. Biblical history and a biblical worldview help us to understand the past, present, and future. Too many believers have fallen victim to those who say that the Bible's history is false or that science has disproved it. Equip yourself to address the skeptical questions and comments of believers and unbelievers alike and successfully stand strong in your defense of the inerrancy and truth of God's Word.

Neuroscience in small bits for the brain-curious. From magazine covers to Hollywood blockbusters, neuroscience is front and center. This popular interest has inspired many questions from people who wonder just what is going on in the three pounds of tissue between their ears. In Brain Bytes, neuroscience educators Eric Chudler and Lise Johnson get right to it, asking and answering more than one hundred questions about the brain. Questions include: Does size matter (do humans have the largest brains)? Can foods make people smarter? Does surfing online kill brain cells? Why do we dream? Why can't I tickle myself? Why do cats like catnip? Why do we yawn and why are yawns contagious? What can I do to keep my brain healthy? Whether you are interested in serious topics like the history of neuroscience or practical topics like brain health or fun topics like popular culture, this book is sure to provide your brain with some piece of information it didn't have before.

Answers over one hundred questions that the author has been asked on his radio show, covering such topics as retirement planning, creating a budget, credit card debt, buying a home, and saving for college.

Christians sometimes come across objections about the Bible they don't know how to answer, and they don't know where to look or whom they should ask. Believers can also get confused about doctrine, not having the knowledge or background to recognize unbiblical teaching. Bible scholar Ron Rhodes addresses many questions surrounding Christianity on topics such as... atheistic objections to Christianity evolution vs. creationism alleged contradictions or general accusations concerning the Bible answering the claims of cults about biblical doctrine relativism vs. absolute truth ethical issues such as abortion and divorce This book of short, one-page answers on 365 of the most frequently asked questions can greatly increase readers' level of discernment in critical areas in just minutes a day. Busy people can boost their understanding of the Bible at their own pace by browsing topics of interest or by reading a topic a day.

Deftly handle the sixty most common problems classroom teachers face Quick Answers for Busy Teachers presents some of the most common challenges teachers encounter in the classroom, and provides expert help toward solving those problems. This easy-to-read guide is organized into short, discreet chapters, making it an ideal quick reference for on-the-spot answers, with practical advice and concise, actionable solutions. Readers will develop systems for dealing with issues that repeatedly crop up, from handling the out-of-control class to falling out of love with the job. The book offers innovative methods and techniques that improve student achievement and behavior while minimizing stress on the teacher. Recover from challenging situations with parents, students, coworkers, or administrators, implement a system that keeps those challenges from happening again, and learn to relax and enjoy this richly rewarding profession. Teaching is difficult. Educators must grapple with a roomful of diverse students, an evolving curriculum, massive organization of books, papers, and supplies, and ever-changing technology. They must deal with challenges from uninvolved parents, overinvolved parents, administrators, and fellow educators. This book helps teachers avoid some of the frustration by providing solutions for the sixty most common challenges teachers face. Deal with the student pushing your buttons, and get that student actively engaged in meaningful learning Keep students on task, and deal effectively with poor test performance Speak your mind at faculty meetings Deal with negative coworkers effectively Handle problem parents without embarrassing students or sacrificing professionalism As a teacher, igniting young minds is only a small part of the battle — it's usually everything else that makes teachers occasionally reconsider their career choice. With solutions and systems in place ahead of time, readers can handle challenges swiftly and skillfully with Quick Answers for Busy Teachers.

Bring a fresh perspective to your classroom Teaching Outside the Box: How to Grab Your Students by Their Brain, Third Edition integrates practical

strategies and engaging advice for new and experienced teachers. Whether you are preparing for your first year of teaching or have been working in the classroom for decades, this conversational book provides you with answers to the essential questions that you face as an educator—how to engage students, encourage self-directed learning, differentiate instruction, and create dynamic lessons that nurture critical thinking and strategic problem solving. This updated edition includes expanded material that touches on Project-Based Learning, brain-based teaching, creating smooth transitions, integrating Common Core into the classroom, and other key subject areas. Questions for reflection at the end of each chapter help you leverage this resource in book groups, professional development courses, and in both undergraduate and graduate classes. The art of teaching is one that evolves with changing educational standards and best practices; to be the most effective teacher possible, daily self-reflection is critical, along with a need to see things from a different perspective. This means we must step outside the box—moving our focus from 'fixing' the students when a problem arises to helping a teacher improve his or her practice. Improve classroom management, discipline, motivation, and morale Explore strategies for arranging your classroom, engaging students, and avoiding the misbehavior cycle Create an environment where students learn and teachers teach Leverage insight from teachers and students Teaching Outside the Box: How to Grab Your Students by Their Brain, Third Edition is an essential resource for teachers at any stage in their careers.

The collapse of the Christian worldview in America and the West is happening, to the utter shock of Christians. Why? They've been blind to the enemy's stealth attack on biblical history and authority, which has led multiple generations to abandon God's Word as their foundation. When our culture asks the questions dealt with in this book — and our kids parrot these questions and ideas heard from schools, libraries, movies, books, music, YouTube, social media, etc. — it must be remembered they're not innocent, unintentional questions. They stem fundamentally from a rejection of biblical authority. Quick Answers to Social Issues provides answers for some of the toughest questions of the day regarding: Marriage and sexuality from God's Word Response to the LGBTQ+ community Animal rights and the green movement The biblical response to racism It's imperative that Christians be ready to give answers to today's questions! Thus, the passion and purpose of this book is to equip you with clear, concise biblical answers to effectively stand on God's Word and boldly proclaim the gospel of Jesus Christ on the frontlines of today's battle!

Have you ever earnestly prayed for God's guidance yet heard nothing but silence? Have you fervently prayed for God to help you with a major issue in your life and yet no answer came for you? Have you ever been filled with worry about a problem and it seems that God just stays far away? Yet with no guidance to go on, you and many other people still must make serious life decisions. But they are made with great uncertainty because you don't know if God is with you or will support you in the decision you made. With this new way to pray, any sincere soul will find a way to open up that communication from God so a clear and loud response to your prayer can be heard. If you are honest about wanting an answer to your prayer, and if you are a person who is truly seeking God's will with real integrity and you are willing to be patient and wait for the Lord's reply, here is a way to get your response. Six simple steps are given here to help you state your clear question to God, what to do while you wait for God's answer, and to know the exact day you will receive God's reply! This book will tell you precisely what you can do to obtain God's clear direction with the specific prayer request you lift up. This may seem unbelievable, but the proven results of following these six steps, exactly as presented in this volume, are consistent and reliable in giving you a godly response. And this answer you receive can even be double-checked if you doubt it! The author of this volume has been very slow to publish his findings. He has spent over forty years in researching, refining, testing, and retesting this method so that an answer can come for any sincere soul who is an honest seeker in wanting to make an all-important connection with God. Try it once and discover for yourself exactly what God's response will be to your sincere prayer request.
