REALIDADES is a Standards-based middle school and high school Spanish program that combines language proficiency and cultural understanding. The program integrates research-based communication strategies, support for differentiated instruction, engaging technology, and a personalized learning management system (realidades.com) to make the program real for today's Spanish students.

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms.
