Ms. McDougall has clearly spent a huge amount of time imagining a lavish alternate history, and then she doesn't actually talk about it. In the six years since its first publication, this is the bit of Romanitas that has driven some readers completely batty. The setting is just that - the background for the story.

McDougall initially does well easing the reader into the new Rome milieu with an interesting background and enough details to pique the interest of the reader. However once the chase begins - which dominates the book, the plot and writing falters, and the nature of the characters comes through as thin and in need of firmer writing.

In 2756 AC (2003 AD in Christian terms), magnetic railways span Roman territory from Persia to Terranova, and mechanised crucifixes are ranked along the banks of the Thames. As volume one of ROMANITAS opens, Marcus Novius Faustus Leo, heir apparent to the Imperial throne, is mourning the death of his parents following a tragic accident. However, as information about the last days of his father's life becomes known, Marcus realises that his father's death was no accident - and that his own life is in danger. Meanwhile, an escaped slave girl called Una, who possesses the power to see inside others' minds, struggles to save her brother, Sulien, from a London prison ship. In a fortune teller's stall in a Gallic flea-market, Marcus, Una and Sulien's paths cross. Now the fate of the Empire rests on their shoulders ...

An explosion rips through the Colosseum, and as the smoke clears the world is changed forever. A new Emperor, spurred on by a riddling prophecy and armed with a devastating superweapon, stands ready to make his mark on history. Una, Sulien, and a desperate alliance of slaves, refugees and criminals, must resist the full power of the Roman Empire at its most ruthless, or lose everything they have fought for.

From bestselling UK author Sophia McDougall comes *Space Hostages*, an intergalactic quest full of humor, adventure, and, of course, aliens! This hilarious middle grade sequel to *Mars Evacuees* is perfect for fans of *Artemis Fowl* and packed with nonstop fun. Young Alice Dare is relieved that at last humans and the alien Morrors are now living peacefully together on Earth. But with an influx of too many Morrors, space is getting a bit tight. To make room for all the Morrors, they've been terraforming a cold little moon in the Alpha Centauri system—and Alice and her friends are invited to the inauguration of the Morrors' new home! But just as they're approaching Alpha Centauri, the kids are kidnapped by the hostile Krakkiluks and must save themselves—and the Eemala people in the process!

The Left Hand of God by Paul Hoffman is the gripping first instalment in a remarkable trilogy. "Listen. The Sanctuary of the Redeemers on Shotover Scarp is named after a damned lie for there is no redemption that goes on there and less sanctuary." The Sanctuary of the Redeemers is a vast and desolate place - a place without joy or hope. Most of its occupants were taken there as boys and for years have endured the brutal regime of the Lord Redeemers whose cruelty and violence have one singular purpose - to serve in the name of the One True Faith. In one of the Sanctuary's vast and twisting maze of corridors stands a boy. He is perhaps fourteen or fifteen years old - he is not sure and neither is anyone else. He has long-forgotten his real name, but now they call him Thomas Cale. He is strange and secretive, witty and charming, violent and profoundly bloody-minded. He is so used to the cruelty that he seems immune, but soon he will open the wrong door at the wrong time and witness an act so terrible that he will have to leave this place, or die. His only hope of survival is to escape across the arid Scablands to Memphis, a city the opposite of the Sanctuary in every way: breathtakingly beautiful, infinitely Godless, and deeply corrupt. But the Redeemers want Cale back at any price... not because of the secret he now knows but because of a much more terrifying secret he does not. The Left Hand of God is a must read. It is the first instalment in a gripping trilogy by Paul Hoffman. Imagine if Phillip Pullman's His Dark Materials met Umberto Eco's Name of the Rose. Fans of epic heroic fiction will love this series. Praise for Paul

Gratillonius, a Roman prefect, is tricked by the nine priestesses of Ys into defeating the King, thereby becoming the new King of Ys

Firethorn, the first volume in an epic trilogy, is a stunning debut. Sarah Micklem has introduced an unforgettable heroine into the fantasy pantheon. Loving, reckless, and indomitable, Firethorn travels through an imaginary world as real as history and as marvelous as legend. Firethorn flees a life of drudgery to live alone in the forest, relying on her knowledge of herb lore to survive. She returns transformed, indebted to the god who saved her life, and blessed -- or cursed -- with uncanny abilities and a nagging sense of destiny. After a few nights of dalliance with Sire Galan, a high-caste warrior on his way to join the king's army, Firethorn seizes the chance to go with him, only to find she has exchanged one form of servitude for another. The army readies for war in the vast encampment of the Marchfield, where men prey on each other and women dare go nowhere alone. Among the lowborn harlots and the highborn dames of the camp, Firethorn learns to use her gifts as a healer, venturing into realms of dream and shadow. Desire drew Firethorn and Sire Galan together, but love binds them -- a love that has no place in the arrangement between a warrior and his sheath. When Galan makes a wager with disastrous consequences, Firethorn uses her gifts to intervene in his fate and learns just how hard it can be to tell honor from dishonor, justice from vengeance.

Sarah Micklem has written an extraordinary tale -- at once magical and earthbound, beautiful and violent. She immerses readers in a remarkably imagined world where gods are meddlesome, the highborn uphold their privileges with casual brutality, and a woman's only recourse may be the strength she finds within.
