seizure laws.

Professor LaFave interprets and applies the Fourth Amendment in diverse factual situations for developing more effective arguments of search and seizure issues in plea bargaining, trial, and appeal phases of a criminal case. Expert discussion covers the exclusionary rule and other remedies, protected areas and interests, probable cause, and search warrants. This work also addresses search and seizure of persons and personal effects, entry and search of premises, search and seizure of vehicles, and consent searches. Explores stop and frisk and similar lesser

Updated October 2013 Includes Apple iPhone Unlock and Bypass Procedures and Google Android Unlock and Bypass Procedures Search warrants are one of the most powerful tools available to law enforcement officers. However, one of the greatest challenges in drafting a search warrant can come while trying to accurately describe or articulate the person, place, or thing to be searched and the items to be seized. This book is designed to assist law enforcement officers who have little or no experience in writing a search warrant affidavit, as well as, experienced investigators who have written search warrants in the past and who want a reference of both common and unusual templates. If you are looking for a legal manual full of case citations and legal theory then this is the wrong book for you. If you are looking

for practical search warrant and affidavit templates covering some of the most common subjects, and some unusual ones, you've come to the right place. Every search warrant template, court order, and affidavit was taken from actual court documents after having been reviewed by a magistrate and authorized. Each of the subjects covered in this book are drawn from a review of hundreds of federal, state, and local affidavits used to successfully create search warrants which were subsequently authorized by a judge or a magistrate. The search warrant, court order, and affidavit templates in this book include: Incorporating Information into the Affidavit and Search Warrant-From Crime Report, Witnesses, Informants, and Citizen Informants Dominion and Control Evidence-Authorization for Videotaping and
