"Absolutely brilliant. A real page-turner. Highly original. I could not put this thriller down." Chris Anderson A gripping murder mystery detective thriller that keeps you guessing until the end. Detective Inspector Munro is a burly Scottish policeman who doesn't suffer fools gladly. Detective Sergeant West is an intelligent young woman, new to the force, with a lot to prove. When a missing person case lands on their desks, Munro is skeptical there is much to it. But their investigation soon comes to some strange findings, and before long, a body is found. With a serial killer on their hands they must act fast to trace a woman placed at the scene of the crime. Yet discovering her true identity, let alone finding her, proves difficult. And as the plot thickens they realize the crime is far graver than either of them could have imagined. If you like crime fiction with a killer twist you will love SHE, the latest Scandinavian style suspense thriller by Pete Brassett. "When you read Brassett's books you enter a world you don't want to leave." Sally Heath PETE BRASSETT is the author of several crime fiction thrillers, all are available on Amazon Kindle: KISS THE GIRLS follows the story of a soldier who gets into trouble after returning home, traumatized by war. THE WILDER SIDE OF CHAOS is a racy fast paced international crime novel. THE GIRL FROM KILKENNY and PRAYER FOR THE DYING are both murder mysteries set in Ireland. BROWN BREAD is a farce about a family who literally get away with murder. * Look out for AVARICE and new release ENMITY, also featuring DI Munro and DS West.

The young girl pushes against the backseat of the family sedan, fighting to free herself from the crude ties restricting her hands and feet. As the car speeds towards the edge of town, she looks back at her family home, and watches in horror as it is suddenly engulfed in a mass of flames. Trembling with fear, she turns towards the driver and hears only laughter. She knows that the worst is yet to come... Detective Jenna Alton surveys the charred remains of the large suburban home, stopping to pause at the three lifeless bodies of the Woods family. Jenna knows she 's looking for a serial killer, but her priority is finding the missing teenage daughter last seen on the night of the inferno. Days later, Sophie Wood 's body is discovered floating in a shallow pool of crystal-clear water—known locally as Dead Man 's Drop—but Jenna still doesn 't know who would target the quiet family in such a brutal attack. Delving into the family 's past, she makes a shocking discovery—a link between the killer and someone connected to her deputy David Kane. If Jenna is right and the killer is back and seeking revenge, then she must act fast to keep her deputy safe. When another girl is taken, Jenna and David follow the trail into a network of underground caves on the outskirts of town. With little time before the killer claims his next victim, they race into the pitch-black tunnels, unsure whether they have just walked into the killer 's trap. Can they find the girl in time and escape the caves without the killer chasing them down? If you like pulse-racing thrillers from Lisa Regan, Melinda Leigh and Kendra Elliot, you will love this gripping new book from USA Today bestselling author D.K. Hood. A gripping and shocking story of a serial killer mother, and the brave daughter who brought her to justice. Dulcie Bodsworth was the unlikeliest serial killer. She was loved everywhere she went, and the townsfolk of Wilcannia, which she called home in the late 1950s, thought of her as kind and caring. The officers at the local police station found Dulcie witty and charming, and looked forward to the scones and cakes she generously baked and delivered for their morning tea. That was one side of her. Only her daughter Hazel saw the real Dulcie. And what she saw terrified her. Dulcie was in fact a cold, calculating killer who, by 1958, had put three men in their graves - one of them the father of her four children, Ted Baron - in one of the most infamous periods of the state's history. She would have got away with it all had it not been for Hazel. Written by award-winning journalist Janet Fife-Yeomans together with Hazel Baron, My Mother, A Serial Killer is both an evocative insight into the harshness of life on the fringes of Australian society in the 1950s, and a chilling story of a murderous mother and the courageous daughter who testified against her and put her in jail.

Her body is broken. Wrapped in plastic. Dumped on the side of the road. She is the first. There will be more. The serial killer thriller that "refuses to let go until you've read the last sentence." The most recent body was discovered in the grease dumpster behind a Burger King. Dismembered. Shoved into two garbage bags and lowered into the murky oil. Now rookie agent Violet Darger gets the most important assignment of her career. She travels to the Midwest to face a killer unlike anything she's seen. Aggressive. Territorial. Deranged and driven. Another mutilated corpse was found next to a roller rink. A third in the gutter in a residential neighborhood. These bold displays of violence shock the rural community and rattle local law enforcement. Who could carry out such brutality? And why? Unfortunately for Agent Darger, there's little physical evidence to work with, and the only witnesses prove to be unreliable. The case seems hopeless. If she fails, more will die. He will kill again and again. The victims harbor dark secrets. The clues twist and writhle and refuse to keep still. And the killer watches the investigation on the nightly news, gleeful to relive the violence, knowing that he can't be stopped.

The dead don 't tell secrets... unless you listen. The girl 's smashed-in face stared unseeing up to the blue sky, soil spilling out of her mouth. A hundred flies hovered above the bloodied mess. Westerley research facility is not for the faint-hearted. A 'body farm ' - investigating human decomposition, its inhabitants are corpses in various states of decay. But when Detective Kim Stone and her team discover the fresh body of a young woman, it seems a killer has discovered the perfect cover to bury their crime. Then a second girl is attacked and left for dead, her body drugged and mouth filled with soil. It 's clear to Stone and the team that a serial killer is at work - but just how many bodies will they uncover? And who is next? As local reporter, Tracy Frost, disappears, the stakes are raised. The past seems to hold the key to the killer 's secrets - but can Kim uncover the truth before a twisted, damaged mind claims another victim? The latest utterly addictive thriller from the No. 1 bestseller Angela Mansons. Watch out for more from Detective Kim Stone A detective hiding dark secrets, Kim Stone will stop at nothing to protect the innocent. Silent Scream is the first book in the series. What readers are saying about Play Dead " I read this book in one sitting, yes it really was that good ... the perfect crime thriller, well plotted, great characters, suspense ... and the most deviant and chilling serial killer. ... Utterly gripping and it's certainly going to be in my top reads of 2016... 5 stars out of 5 plus a glass of wine (to steady my nerves, after reading such a heart-pounding crime thriller). " The Book Review Caf é " Wow, wow, wow. I absolutely freaking loved it and without a shadow of doubt this is the best one yet... with this one being more gritty and tense. You crime book fans are seriously going to love it. If you haven't read any yet this can be read as a standalone although I would advise reading the series. It's too good not to miss... I cannot recommend this book enough it's flippin fantastic or like they say in the Black Country Supa 'smashin' great read! " Chelle 's Book Reviews " Hooks you and reels you in... Life gets put on hold until you've finished the latest offering in her AMAZING Kim Stone series... utterly fantastic. " Reading Room with a View " Wow. Give me a minute while I catch my breath, because I've just finished the latest Angela Manson's book... Ingest it by any means, just make sure you do. It is a riveting, blood-tingling, pulse pounding read that will take you on the journey that will play on your mind long after you've finished reading. " Caroline-Writes " This may well be the best thriller I have ever read. I could hardly breathe with the suspense and it was definitely a hardship to wrench myself away from the action. " Redheaded Bookworm " I defy anyone to turn away from the page. I was glued to this book...a truly gripping and, at times, terrifying story. " Book Addict Shaun " The best book I've read all year so far. ... Dark, intense, spine-tingling and absolutely perfect. " The Bookshelf Blog " A thrilling, tense and nail biting read. " Best Crime Books & More " Wow, I didn't think Angela Mansons DI Kim Stone series could get any better, but this one really has blown me away! Fast paced and tension filled, I loved every second of this rollercoaster of a ride. How soon can the next one be released? A highly recommended 5 star read. " Cal Turner Reviews " Play Dead is fast-paced, has a complex mystery, and great, well-developed characters. I did not want to put it down (so I just kept reading). " Bibliophile and avid reader

Her body floats. A bloated thing half atop the river. Naked. Pale. Mouth and eyes open wide. When two fishermen discover a corpse floating in the Clackamas river, profiler Violet Darger heads to rural Oregon to hunt another serial killer. What she discovers in the woods might change the course of her life. What secrets does the water conceal? The girl in the water marks the third such case in the area -- all drowned with superficial stab wounds and discovered in a body of water -- and Darger feels certain she won't be the last. The corpses are badly decomposed. The flesh purpled and softened from their time in the water. The forensic evidence dispirited by decay and the elements. But the victims share one more thing in common -- all were discovered roughly five days post mortem. A coincidence? Something with meaning to be discerned? Darger suspects the timeline to be significant, but without evidence, she can only guess as to why. That sets up what might be the key to the case: What is the killer doing to the victims for the four days between their deaths and dumping their bodies? It's Darger's first case without Loshak, and it will test her like none before. This pulse-pounding thriller will have you holding your breath until the final page. Fans of John Sandford, Karin Slaughter, Gillian Flynn, and Lisa Gardner should check out the Violet Darger series. The books in the series can be read in any order, so grab Five Days Post Mortem and get started today. Praise for the Violet Darger series: "Un-put-downable! I cannot wait for this series to grow. If you love Sandford, Slaughter, Kava, Steljes and Deaver, you'll LOVE Vargus & McBain!" -- Melody M "The Violet Darger books are honestly the best detective novels I've ever read." -- Devin "Vargus and McBain have, in Violet Darger, created a character that absolutely stands up with some of the greats -- Phillip Marlowe, Dave Robicheaux, Elvis Cole, Charlie Parker, August Dupin, Jack Reacher, Harry Bosch, etc." - Lucinda E. Snyder "I devour each installment in this series the instant it is available." -- Shelley R. Klouzal "Wow, just wow! If you like scare-you-half-to-death mystery books this is the one for you. It starts with a bang and just doesn't stop." -- Ada Lavin "Violet Darger is a unique, incredible character, and I immensely enjoyed taking this journey with her." -- Cat "A rush of excitement, twists and turns." -- C. Munger "Insightful, bloody, Page turner about the corruption of morality and warped thinking patterns." -- Bella from Readingstuff.com "Refuses to let go until you have read the last sentence." -- Bloodmummer "Reading a Violet Darger novel always feels like coming home to an old friend--we hang out, we drink some coffee, we talk about her and Loshak's personal lives, we interview victims' families, we chase down some serial killers--all the stuff you normally do with your friends, except better. More exciting." -- eden Hudson, author of Revenge of the Bloodslinger "These books are kind of a nice combination of crime fiction and horror. Ok nice might not be the right word to use. How about gruesome. Or thrilling? Terrifying? Gripping? They're all that. They suck you in right away. And you just can't put them down until it's over." -- Melanie "If you are a fan of Silence of the Lambs, this book is a spiritual successor." -- Amazon customer "Vargus and McBain spin a fine tale with characters I want to climb inside -- but not in a weird way." -- Jeanne Tarrant
