In the second volume in a trilogy set during the Trojan war, Agamemnon tightens his control of the lands around Troy, Achilles prepares to test his godlike strength in battle, and Odysseus is confronted with a terrible choice between friendship and honor.

With this first masterly volume in an epic reimagining of the Trojan War, David Gemmell has written an ageless drama of brave deeds and fierce battles, of honor and treachery, of love won and lost. He is a man of many names. Some call him the Golden One; others, the Lord of the Silver Bow. To the Dardanians, he is Prince Aeneas. But to his friends, he is Helikaon. Strong, fast, quick of mind, he is a bold warrior, hated by his enemies, feared even by his Trojan allies. For there is a darkness at the heart of the Golden One, a savagery that, once awakened, can be appeased only with blood. Argurius the Mykene is a peerless fighter, a man of unbending principles and unbreakable will. Like all of the Mykene warriors, he lives to conquer and to kill. Dispatched by King Agamemnon to scout the defenses of the golden city of Troy, he is Helikaon 's sworn enemy. Andromache is a priestess of Thera betrothed against her will to Hektor, prince of Troy. Scornful of tradition, skilled in the arts of war, and passionate in the ways of her order, Andromache vows to love whom she pleases and to live as she desires. Now fate is about to thrust these three together –and, from the sparks of passionate love and hate, ignite a fire that will engulf the world.

When I was a youngster my parents invented a cool contraption. They put one of every kind of animal in it. I accidentally got in before it started. Halfway through the process my mum saw me and took me out. All the animals had simply disappeared and I looked normal, or so it seemed. They trashed the heaping hunk of metal as if it were a failure and went back to the drawing board. That shows you how little they knew. I 'm everything but normal, to be precise. I 'm everything. In Dovera everything is magical. Items in stores float without the need for shelves, fires warm but don 't burn people, and ponds are windows to other worlds. Green trees and bushes are everywhere and vines grow so fast you can see it. In Dovera, castles are carved out of mountains and cliffs of red sand tower above the valleys. In Dovera, trees talk and move and laugh and dance. Welcome to a world where love is stronger than hate and good wins over evil. This breathtaking story is filled with anticipation and accomplishment, and a little hint of love. It is a great story for all who fantasize about heroic rescues and heroines that are honest, pure and true. Welcome to my world of fantasy, in The Morning Star. –G. Davidson (Author)

Once the legendary knights of the Gabala defended the nine duchies. Their hearts were beautiful; their armor was beyond compare. They were greater than princes, more than men. But they were gone, disappeared through a demon-haunted gateway between worlds. Only one held back -- Mananion, whose every instinct told him to stay. Now he was the coward knight, and in torment. Murder and black magic beset the land. Rumors circulated that the king was enchanted, changed, that his soul was dead . . . and that a reign of terror was about to begin. Now Mananion realized he would have to face his darkest fears: he had no choice but to ride through that dreaded gate and seek out his vanished companions. And the secret he would learn there would tear his soul apart. . . . "A sharp, distinctive medieval fantasy. Dramatic, colorful, taut." -- Locus

With mythic sweep and epic scope, David Gemmell 's bestselling novels of magic and adventure feature brooding heroes who fight to preserve all that is good and honorable in themselves and in the worlds through which they stride like lonely giants. In times of terror and despair, theirs are the swords that carve a shining path, inspiring others to follow. Even after their deaths, their names live on. . . . A thousand years after they fell in battle, two heroes—Druss and Skilgannon—are revered throughout the war-torn lands of the Drenai. Yet men and women live in abject fear of the Joinings, abominable meldings of man and beast, and of their mistress, the dark sorceress known as the Eternal. None can stave off these ruthless foes. But what if the soul of one such hero could be called back from the void, his bones housed again in flesh? An ancient prophecy foretold that Skilgannon would return in his people 's darkest hour. To most, this is a foolish hope. But not so to Landis Kan. For years, as the power of the Eternal grew, Kan searched for the tomb of Skilgannon the Damned. And at last, he found it, gathering up the bones and performing the mystic ritual. But the reborn hero is an enigma: a young man whose warrior skills are blunted and whose memories are fragmented. This Skilgannon is a man out of time, marooned in a world as strange to him as a dream, remote from all he knew and loved. Or nearly all. Before bringing Skilgannon back, Landis Kan experimented upon other bone fragments found in the hero 's tomb. That ritual resulted in a surly giant who possessed astounding strength, but no memories. To Kan, he was a dangerous failure. But to Skilgannon, this giant represented their last hope. For as the ageless evil of the Eternal threatens to drown the Drenai lands in blood, two legendary heroes will once again lead the way to freedom.

"Gemmell not only knows how to tell a story, he knows how to tell a story you want to hear. He does high adventure as it ought to be done." —Greg Keyes, author of The Briar King One awesome night, the sadistic, seemingly invincible Daroth vanished from the face of the earth. Gone were their cities, their armies, their reigns of terror. Not a trace of this conquering race remained. Until a thousand years later. . . . With the rising of a dark moon above the Great Northern Desert, comes a black tidal wave that sweeps across the land. Suddenly, the desert vanishes beneath lush fields and forests and a great city glitters in the morning light. From this city reemerges the blood-hungry Daroth, powerful and immortal, immune to spear and sword. They have only one desire: to rid the world of humankind forever. Now the fate of the human race rests on the talents of three heroes: Karis, warrior-woman and strategist; Tarantio, the deadliest swordsman of the age; and Duvodas the Healer, who will learn a gruesome truth. "Gemmell 's great reading; the action never lets up; he 's several rungs above the good—right into the fabulous!" —Anne McCaffrey
