Professional Magician Reacts to SLEIGHT OF HAND MASTER ...

Sleight of hand refers to fine motor skills when used by performing artists in different art forms to entertain or manipulate. It is closely associated with close-up magic, card magic, card flourishing and stealing. Because of its heavy use and practice by magicians, sleight of hand is often confused as a branch of magic. But it is actually a separate genre of entertainment and many artists practice sleight of hand as an independent skill. Sleight of hand pioneers with worldwide acclaim include

Magic handbook : sleight of hand - Garland County Library

The tricks here are doable by children. Some of the tricks are not tricks at all though. Centrifugal force seems more science than magic. Nevertheless, there's enough here to hold a child's attention. What I found lacking is that most of what is contained here is not what I would consider sleight of hand. I
