This best-selling comprehensive book conveys the relevance of sociology by presenting a timely collection of theories, research, and examples -- including its signature first-person accounts that open many chapters. These lived experiences are relevant to students and introduce themes that provide a framework for learning the chapter material. Kendall's vivid and inviting writing style, emphasis on applications, and eye for compelling current examples further highlight sociology's relevance to all students. Now in its eleventh edition, SOCIOLOGY IN OUR TIMES is acclaimed for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. This edition focuses more on social/global change and on the contemporary world, presenting such current debates as bullying and social media abuse, digital-age methods to increase school attendance, food trucks and the spread of culture, modern slavery, and weight bias. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Kendall's SOCIOLOGY IN OUR TIMES: THE ESSENTIALS, 12th edition, introduces you to the study of sociology through real-life stories, told by the people who have lived them, as well as timely topics such as the relationship between suicide, bullying and social media. The author humanizes sociology, showing you how it is at work in society and can be applied to everyday life and the pressing social issues we face. You'll learn how you can make a difference in your community -- and the world. You'll also examine issues making headlines, such as the war on gun control and policies to help prevent military suicides. Photos and videos complement the text's main themes of diversity, the application of sociology to everyday life, global comparisons, media and social change, particularly as it relates to social media and other forms of technology that are spurring new ways of living and interacting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Acclaimed for being the first sociology textbook to integrate race, class, and gender issues, this best-selling text emphasizes applications and highlights sociology's relevance by including timely theories, research, and examples.

Study more effectively and improve your performance at exam time with this comprehensive guide. Written to work hand-in-hand with SOCIOLOGY IN OUR TIMES, 8th Edition, this user-friendly guide includes a wide variety of learning tools to help you master the key concepts of the course.

This best-selling comprehensive book conveys the relevance of sociology by including a timely collection of theories, research, and examples--including its signature first-person accounts that open chapters. Experiences represented in these opening vignettes accurately mirror the richness and complexity of society, while also establishing the themes that are carried throughout the chapters. Author Diana Kendall's vivid, inviting writing style, emphasis on applications, eye for the most compelling current examples, and use of assignable photo essays and companion videos engage readers and further highlight sociology's relevance to all students. Now in its Ninth Edition, SOCIOLOGY IN OUR TIMES is acclaimed in the field for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Student Study Tools is a brief booklet, available with the text, containing chapter learning objectives, glossary terms (with space to write in definitions), and short practice multiple-choice and true-false tests (one each per chapter).

Diana Kendall's successful brief text is known for the effective way it guides students into the study of sociology in a way that touches their lives. It is especially noted for its coverage of race, class, and gender filtered through an applied orientation. The text takes an inclusive approach to diverse theoretical viewpoints. Each chapter incorporates recent research (especially by women and people of color) as well as classic studies. The author has a vivid writing style and uses compelling everyday life examples which make sociology come alive for students.

The latest edition of SOCIOLOGY IN OUR TIMES: THE ESSENTIALS builds on the best of this popular text's previous editions while offering new chapter-opening first-person accounts of individuals lived experience and significantly updated coverage, learning tools, and opportunities for students to apply what they learn and make a difference in their own communities. Compelling examples, a vivid writing style, and chapter themes grounded in social issues already familiar to students hold students' interest and engage their sociological imaginations as they learn the concepts, theories, and research that comprise sociology today. A vibrant new interior design and an exciting collection of new videos with assignable activities complement the text's new coverage of timely topics such as health care legislation, the U.S. and global economies, Barack Obama's presidency, and the BP oil spill in the Gulf of Mexico. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Framing Class explores how the media, including television, film, and news, depict wealth and poverty in the United States. Fully updated and revised throughout, the second edition of this groundbreaking book now includes discussions of new media, updated media sources, and provocative new examples from movies and television, such as The Real Housewives series and media portrayals of the new poor and corporate executives in the recent recession. The book introduces the concepts of class and media framing to students and analyzes how the media portray various social classes, from the elite to the very poor. Its accessible writing and powerful examples make it an ideal text or supplement for courses in sociology, American studies, and communications.
