"Throughout history, the largely gentile Christian Church has utterly failed to heed Paul's warnings, falling headlong into both ignorance and arrogance toward unbelieving Israel almost from the start. The horrific results of this have been seen in the long and bloody history of anti-Semitism against the Jewish people, in the profound blindness of the Church concerning God's unfolding prophetic plans, in a widespread identity crisis, and in its an inability to faithfully proclaim the true and

For more than 800 years scholars have pointed to the dark augury having to do with "the last Pope." The prophecy, taken from St. Malachy's "Prophecy of the Popes," is among a list of verses predicting each of the Roman Catholic popes from Pope Celestine II to the final pope, "Peter the Roman," whose reign would end in the destruction of Rome. First published in 1595, the prophecies were attributed to St. Malachy by a Benedictine historian named Arnold de Wyon, who recorded them

in his book, *Lignum Vitæ*. Tradition holds that Malachy had been called to Rome by Pope Innocent II, and while there, he experienced the vision of the future popes, including the last one, which he wrote down in a series of cryptic phrases. According to the prophecy, the next pope (following Benedict XVI) is to be the final pontiff, Petrus Romanus or Peter the Roman. The idea by some Catholics that the next pope on St. Malachy's list heralds the beginning of "great apostasy" followed by "great tribulation" sets the stage for the imminent unfolding of apocalyptic events, something many non-Catholics would agree with. This would give rise to a false prophet, who according to the book of Revelation leads the world's religious communities into embracing a political leader known as Antichrist. In recent history, several Catholic priests-some deceased now-have been surprisingly outspoken on what they have seen as this inevitable danger rising from within the ranks of Catholicism as a result of secret satanic "Illuminati-Masonic" influences. These priests claim secret knowledge of an multinational power elite and occult hierarchy operating behind supranatural and global political machinations. Among this secret society are sinister false Catholic infiltrators who understand that, as the Roman Catholic Church represents one-sixth of the world's population and over half of all Christians, it is indispensable for controlling future global elements in matters of church and state and the fulfillment of a diabolical plan they call "Alta Vendetta," which is set to assume control of the papacy and to help the False Prophet deceive the world's faithful (including Catholics) into worshipping Antichrist. As stated by Dr. Michael Lake on the front cover, Catholic and

"the New World Order"--A code word for the supposed minority-led, worldwide conspiracy - it cannot be a moment too soon to learn the truth about the covert symbols, spreading zealotry, and deadly machinations of the armies of millennium rage.

There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim--the offspring of angels who mated with human women--described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This *Genesis 6 Conspiracy* marches toward the Great Tribulation, when the loyalty of the Terminal Generation--this generation--will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical
