Enlighten your students and improve your understanding of management accounting with this carefully curated collection of case studies Management Accounting Case Book: Cases from the IMA Educational Case Journal offers a detailed account of real-world business cases accessible to a variety of business-savvy audiences. It provides comprehensive coverage of several areas relevant to students and professionals in business and finance, including: · Strategic cost management (including product and service costing, cost allocation, and strategy implementation) · Planning and decision making (including cost estimation, CVP analysis, budgeting, decision making, capital investments, target costing, and TOC) · Operations, process management, and innovation (including flexible budgeting, standard costs, variance analysis, non-financial performance indicators, quality control, lean, and innovation governance) Used by dozens of different universities, the Management Accounting Case Book contains cases reviewed and rigorously vetted by the Institute of Management Accountants. The book is perfect for anyone hoping to increase their understanding of management theory or facilitate lively discussion about the topics contained within.

Advances in Digital Forensics V1 describes original research results and innovative applications in the discipline of digital forensics. In addition, it highlights some of the major technical and legal issues related to digital evidence and electronic crime investigations. The areas of coverage include: Themes and Issues, Forensic Techniques, Internet Crime Investigations, Live Forensics, Advanced Forensic Techniques, and Forensic Tools. This book is the sixth volume in the annual series produced by the International Federation for Information Processing (IFIP) Working Group 11.9 on Digital Forensics, an international community of scientists, engineers and practitioners dedicated to advancing the state of the art of research and practice in digital forensics. The book contains a selection of twenty-one edited papers from the Sixth Annual IFIP WG 11.9 International Conference on Digital Forensics, held at the University of Hong Kong, Hong Kong, China, in January 2010.

The Gutenberg Connection sends young and pregnant Hannah Morraine down a dangerous path to reclaim her inheritance from the man who steals it. Preoccupied by her brother 's disappearance into World War II 's European upheaval, Hannah must balance giving birth to her fourth child, taking care of her immediate and extended family, and finding a way to sell the original Gutenberg Bible that belongs jointly to her, her parents, and her siblings. The sale of the Gutenberg Bible is taken out of Hannah 's trust and given to the thief who betrays the entire family. As consolation, Hannah 's mother gives her a package of original medieval poetry, penned by the hand of Gutenberg. The family and Hannah are unaware of its value, which is much more than that of the Gutenberg Bible. Hannah 's friend, a native German discovers its value. The Bible thief begins his plan to steal them, too. Bethany, Hannah 's fourth child, arrives, and Hannah encounters Gutenberg and Christ in an out-of-body-experience. Bethany describes Hannah rescuing her children from a disgusting pipgen expedition, taking a trip to Washington to find people to help locate her brother, and her entrapment into an intended fiery grave designed for her by the Gutenberg Bible bandit. Why has God set her into such a place of mayhem? Will she survive this season of trouble and testing? Share her faith and determination as she takes on the adventure of a lifetime—discovering the Gutenberg connection.

Despite record sales and an ever-growing global industry, the simple fact is that videogames are disappearing. Most obviously, the physical deterioration of discs, cartridges, consoles and controllers means that the data and devices will crumble to dust and eventually will be lost forever. However, there is more to the disappearance of videogames than plastic corrosion and bit rot. Best Before examines how the videogames industry's retail, publishing, technology design, advertising and marketing practices actively produce obsolescence, wearing out and retiring old games to make way for the always new, just out of reach, 'coming soon' title and 'next generation' platform. Set against the context of material deterioration and the discursive production of obsolescence, Best Before examines the conceptual and practical challenges faced within the nascent field of game preservation. Understanding videogames as rich, complex and mutable texts and experiences that are supported and sustained by cultures of gameplay and fandom, Best Before considers how - and even whether - we might preserve and present games for future generations.

On sale in time to celebrate the new Sonic live-action movie, this book is packed with puzzles, games, four sheets of stickers, and fun facts about the world's fastest hedgehog. Featuring sixteen full-color pages illustrated in the classic Sonic style, this sticker activity book provides tons of fun activities all about Sonic and his friends, plus four pages of stickers!

Now a Nickelodeon Original Movie! Over 100 Weeks on the New York Times Bestseller List! 44 State Award Lists! Discover what James Patterson calls " the coolest library in all the world " in this fun-filled, action-packed bestseller from the much-loved co-author of I Funny and Treasure Hunters! " A worthy successor to...Willy Wonka. " —Booklist. Starred Review When Kyle learns that the world's most famous game maker, Luigi Lemoncello, has designed the town's new library and is having an invitation-only lock-in on opening night, he's determined to be there! But the tricky part isn't getting into the library—it's getting out. Because when morning comes, the doors stay locked. Kyle and the other kids must solve every clue and figure out every secret puzzle to find the hidden escape route! Don't miss bonus content in the back of the book—extra puzzles, an author Q&A, and more! And look for the puzzle-packed sequels—Mr. Lemoncello's Library Olympics and Mr. Lemoncello 's Great Library Race! " Full of puzzles to think about, puns to groan at ... this solid, tightly plotted read is a winner for readers and game-players alike. " —Kirkus Reviews. Starred Review
