There exist wonderful truths--spiritual laws that nourish us, one and all. Laws of wisdom, freedom, and charity, or divine love. How can we shape our lives and destiny to live in harmony with them? As awakened captains of our destiny, we can meet today's challenges in a more relaxed and happy way. The spiritual laws of life give us the many resources to make the very best decision at any one moment. Read Harold Klemp's groundbreaking book. Watch a new vista of understanding open for you. You've not seen the likes of it. Learn how to keep in tune with your true spiritual nature. Suddenly you're living a full, exciting life of greater love, energy, and wonder. Do you wish to open a door to the hidden spiritual truths that uplift us all? Then come along. Open these pages and enjoy the adventure! Eckankar is a modern-day spiritual teaching with ancient roots founded in 1965 by Paul Twitchell. Harold Klemp is the current spiritual leader of Eckankar since 1981.

Personalized keys to having spiritual experiences. Doorway to wisdom, freedom & love.

Discover the restorative power of mandala meditation Relax your body, calm your mind, and promote overall well-being with The Art of Mandala Meditation. This gorgeous collection features inspirational instruction and more than eighty colorful mandala illustrations that will help you find the comfort, healing, or inspiration you've been seeking. With these mesmerizing designs, you'll finally be able to ease your mind and free yourself from the obstacles that keep you from achieving inner peace. This book also includes customizable blank mandalas to further your meditation and guide you even deeper into tranquility. This beautiful volume is a must-have for anyone looking to live a more balanced life.

The groundbreaking study of the new religion, Eckankar and its founder Paul Twitchell. Written forty years ago by a then a young college student, The Making of A Spiritual Movement showed for the first time how the founder of Eckankar had attempted to hide his past and create a new biography replete with mythic characters such as Sudar Singh and Rebazar Tarzs. Paul Twitchell was also a plagiarist of the first rank and copied verbatim whole pages from the work of Julian P. Johnson and others. Many Eckists who read this book in its earlier editions chose to leave the movement and became harsh critics of Eckankar's persistent cover-up of its founder and his questionable activities. The Making of a Spiritual Movement caused such a tremendous uproar within the membership of the group that Eckankar issued a "Special Notice to All Eck Chelas," dated December 27, 1979, attempting to squelch the persisting controversy surrounding Lane's findings. The following excerpt reveals in a nutshell Eckankar's ofcial opinion of this book and its findings: "It does not tell the straight story. . . was not completely researched and is untrue. These people [David Lane, Mark Albrecht, et al.] are being used by the Kal [Negative] forces to dismantle Eckankar and are referred to by Sri Paul Twitchell in a private tape he made. . . shortly before he translated. Paul said: . . '[These] pagans and heathens are in a conspiracy to destroy Eckankar, not only in the physical but in the psychic worlds. . . those who are bracketed within the category of these people are actually against us. They have been--since the beginning of mankind or the formation of the lower worlds. All these people are under the Kal forces. . Sn' Darwin [Second Living Eck Master] asks that [Lane's research as found in the 1979 SCP Joumal] be destroyed. . . ." Obviously, Eckankar does not agree with Lane's findings. However, as Dr. J. Gordon Melton notes, "The evidence that David Lane uncovered of Twitchell's creating a false history of his rise to leadership of Eckankar indicates extensive corruption. That the leadership has done nothing to correct Twitchell's false claims, yea, have perpetuated them, indicates a significant problem at the heart of that organization." This particular edition is based primarily on the 1978, 1983, and 1993 versions and thus reflects what was then known about Eckankar and its history. Excerpt from the prefatory section, "A number of researchers have discovered that Paul Twitchell's plagiarism was much more extensive and widespread than I even first imagined since it turns out that he had appropriated complete sentences and paragraphs from a variety of books outside of Radhasoami and Sant Mat circles. In light of the Internet and sophisticated scanning applications, it is now possible to track down most of Twitchell's sources word by word. Twitchell wrote at a time when he most likely did suspect that his massive plagiarisms would be discovered, but today it is relatively easy to see where the founder of Eckankar got his inspirations and where he indulged in literary piracy. Moreover, Twitchell's attempt to hide his past has come undone, with new documents and information showing that he never traveled to Europe or Paris at the times he claimed. Despite Twitchell's duplicity there are many who feel that he was a "master compiler" and a spiritual "smash up" artist before his time. As for myself, I find Paul Twitchell to be one of the most interesting religious leaders to have emerged from the 1960s.

A guide to harnessing the ancient power of hieroglyphs • Reveals hieroglyphs as magical tools for manifesting ideas in the material world • Offers in-depth interpretations of 60 hieroglyphs and guidelines for understanding them as words of power, oracles, and dream symbols • Explains how to create your own hieroglyph cards and amulets and use them for divination, meditation, and manifestation work Words are magic. They operate on many levels through both sound and symbol. Egyptian priests understood that language and thought could create realities if the exact words are uttered at the right time, properly intoned, and filled with intention. They called their magical language of hieroglyphic symbols medju neter, meaning “the Word of God.” These symbols were said to have been created by Isis and Thoth and were presided over by the goddess Seshet, keeper of the Akashic records. Through their chant lines and repetitions, sound vibrations, and hypnotically recurring images, hieroglyphs, such as those found inside the pyramids, were intended to activate a trancelike state that allowed the individual to ascend into the heavens and thus, riding on this incantatory language, converse with the ancestors and the Creator. In this detailed guide, author Normandi Ellis explores how to use hieroglyphs as words of power for manifesting ideas into the material world as well as how to utilize them in magic, meditation, divination, and dream work. She offers a deep look at the many layers of meaning contained within 60 important hieroglyphs, breaking down the elements within each symbol and explaining the myths behind them, the gods and goddesses they are connected to, their initiatory significance, and their oracular and dream meanings. She also shares guidelines for interpreting hieroglyphs so readers will be able to come to their own understandings about the secrets they hold. Providing instructions for creating your own hieroglyph cards, amulets, and other magically empowered objects, Ellis offers practices and strategies to use them, with detailed explanations for the historical, magical, practical, and symbolic reasons why each method is effective. She offers several layouts and card spreads for divination readings based on Egyptian myth, numerology, and astrology. Revealing the depth of meaning behind each of these powerful ancient symbols, Normandi Ellis shows that we can still harness their millennia-old magic today.

How to build the best possible future -- master your destiny. Learn to listen directly to the guidance of the Holy Spirit.

Outsider musicians can be the product of damaged DNA, alien abduction, drug fry, demonic possession, or simply sheer obliviousness. This book profiles dozens of outsider musicians, both prominent and obscure--figures such as The Shaggs, Syd Barrett, Tiny Tim, Jandek, Captain Beefheart, Daniel Johnston, Harry Partch, and The Legendary Stardust Cowboy--and presents their strange life stories along with photographs, interviews, cartoons, and discographies. About the only things these self-taught artists have in common are an utter lack of conventional tunefulness and an overabundance of earnestness and passion. But, believe it or not, they're worth listening to, often outmatching all contenders for inventiveness and originality. A CD featuring songs by artists profiled in the book is also available.
