The problem with 'The Sunflower Forest' is not that it is also a work of fiction, but that it doesn't focus on children with special needs like Hayden's other novels. At first, this put me off. Saying this, after finally getting into the

The depth of understanding human nature Ms Hayden shows in this book is astounding. Writing often in the first person, she makes you wonder how much of the book is autobiographical, as some of the events described dovetail as a possible prequel to her other books. I was enthralled throughout.

9780586065358: The Sunflower Forest - AbeBooks - Hayden ...

Victoria Lynn Hayden, known as Torey L. Hayden (born 21 May 1951 in Livingston, Montana, U.S.), is a special education teacher, university lecturer and writer of non-fiction books based on her real-life experiences with teaching and counseling children with special needs and also of fiction books.

Bestselling author Torey Hayden's new novel poignantly tells of a daughter's attempt to grow up in the shadow of her mother's haunted past. Warm, melancholy and evocatively rendered this book captures the essence of a family touched by sadness. A haunting tale of a family who can't escape the consequences of their mother's tormented childhood. Hayden, a master storyteller, again turns her talent to fiction in this novel that combines a psychological thriller with a nuanced family drama. Lesley's Hungarian mother Mara -- charming, childlike, lovable -- is traumatized by her adolescent Holocaust experiences. Though her American husband and daughters try to live a normal life, Mara holds them thrall to her moods and quirks. Lesley struggles to understand, but dealing with Mara is a severe strain which sets her apart from her peers. But when Mara's psychosis results in tragedy, Lesley goes to Wales in search of her mother's remembered joy.

Bestselling author Torey Hayden's novel is a fascinating study of a fractured family, a troubled child, and a psychiatrist ' s attempts to rescue them.

From the bestselling author of One Child comes the story of three of former special education teacher Torey Hayden ' s most extraordinary challenges. Nine-year-old Cassandra, kidnapped by her father and found starving, dirty, and picking through garbage cans—is a child prone to long silences and erratic, violent behavior. Charming, charismatic four-year-old Drake will speak only in private to his mother—while his tough, unbending grandfather's demands for an immediate cure threatens to cause irreparable harm. And though she had never worked with adults, Hayden agrees to help fearful and silent eighty-two-year-old massive stroke victim Gerda—discovering in the process that a treatment's successes could prove nearly as heartbreaking as its limitations.

Special-education teacher Torey Hayden's first book, One Child, was an international bestseller, thrilling readers on every continent. Their hearts were captured by Sheila, a silent, troubled girl who had been abandoned on a highway by her mother and abused by her alcoholic father, and who refused to speak. As Hayden writes in the prologue to this book, "This little girl had a profound effect on me. Her courage, her resilience, and her inadvertent ability to express that great, gaping need to be loved that we all feel -- in short, her humanness -- brought me into contact with my own." Since then Hayden has gone on to write books about many of her students, but her fans continue to ask her, "What happened to Sheila?" The Tiger's Child is her response. Here Hayden tells how Sheila, now a young woman, finally came to terms with her nightmare childhood. When Hayden was working on One Child, she showed the manuscript to Sheila, then a teenager, and was astonished to find that Sheila remembered almost nothing of her troubled younger years. She had no recollection of her many clashes with her teacher as Hayden tried to break through her emotional pain. And although Hayden had managed to get Sheila to communicate and become an active and lively child, Sheila's home life was still very troubled. Her father had been sent to prison when she was eight and Sheila had run away from a series of foster homes until finally she was placed in a children's home. But as Hayden continued to renew her relationship with the teenage Sheila, the memories slowly came back, bringing with them feelings of abandonment and hostility. Overwhelmed by the intensity of her awakening emotions, Sheila was driven to suicidal despair. The Tiger's Child is the touching, inspiring story of how a maturing Sheila came to perceive her mother not as a monster who willfully cast off her eldest child, but as a weak, forlorn, ordinary human being. Able to appreciate her own strength and resilience, Sheila at last is free to overcome the haunting legacy of child abuse.

"Just Another Kid is not just another book. This remarkable teacher's memoir reminds us that love takes many forms." -The New York Times From the bestselling author of One Child comes the true story of six children impossible to reach and the amazing teacher who embraced them all. Torey Hayden faced six emotionally troubled kids no other teacher could handle—three recent arrivals from battle-torn Northern Ireland, badly traumatized by the horrors of war; eleven-year-old Dirkie, who only knew of life inside an institution; excitable Mariana, aggressive and sexually precocious at the age of eight; and seven-year-old Leslie, perhaps the most hopeless of all, unresponsive and unable to speak. With compassion, rare insight, and masterful storytelling, teacher Torey Hayden once again touches our hearts with her account of the miracles that can happen in her class of " special " children.

An annotated bibliography covering the best in historical fiction set all around the world

When Torey Hayden first met fifteen-year-old Kevin, he was barricaded under a table. Desperately afraid of the world around him, he hadn' t spoken a word in eight years. He was considered hopeless, incurable, but Hayden refused to believe it. With unwavering devotion and gentle, patient love, she set out to free him—and slowly uncovered a shocking, violent history and a terrible secret that an unfeeling bureaucracy had simply filed away and forgotten. But she never gave up on this tragic " lost case. " For a trapped and frightened boy desperately needed her help—and she knew in her heart she could not rest easy until she had rescued him from the darkness.

From the bestselling author of One Child comes this amazing, true story of a mute and withdrawn seven-year-old girl and the special education teacher determined never to abandon a child in need. Seven-year-old Venus Fox never spoke, never listened, never even acknowledged the presence of another human being in the room with her. Yet an accidental playground " bump " would release a rage frightening to behold. The school year that followed would be one of the most trying, perplexing, and ultimately rewarding of Torey Hayden ' s career, as she struggled to reach a silent child in obvious pain. It would be a strenuous journey beset by seemingly insurmountable obstacles and darkened by truly terrible revelations—yet encouraged by sometimes small, sometimes dazzling breakthroughs—as a dedicated teacher remained committed to helping a " hopeless " girl, and patiently and lovingly leading her toward the light of a new day.

The first new book from beloved therapist and writer Torey Hayden in almost fifteen years—an inspiring, uplifting tale of a troubled child and the remarkable woman who made a difference. In a forgotten corner of Wales, a young girl languishes in a home for troubled children. Abandoned by her parents because of her violent streak, Jessie—at the age of ten—is at risk of becoming just another lost soul in the foster system. Precocious and bold, Jessie is convinced she is possessed by the devil and utterly unprepared for the arrival of therapist Torey Hayden. Armed with patience, compassion, and unconditional love, Hayden begins working with Jessie once a week. But when Jessie makes a stunning accusation against one of Hayden ' s colleagues — a man Hayden implicitly trusts — Hayden ' s work doubles: now she must not only get to the root of Jessie ' s troubles, but also find out if what the girl alleges is true. A moving, compelling, and inspiring account, Lost Child is a powerful testament once again of Torey Hayden ' s extraordinary ability to reach children who many have given up on—and a reminder of how patience and love can ultimately prevail.
