He served as dispatch runner between Petro Petrakas and Papadakis behind the German lines for the Cretan resistance and later, from 1941 to 1945, for the Special Operations Executive (SOE). During the postwar years he was at first mistakenly imprisoned as a George Psychoundakis (Greek: ) was a shepherd and a Greek Resistance fighter on Crete during the Second World War.

Cretan Runner: His Story of the German Occupation by ...  
A most fascinating insight into the life of a member of the Cretan resistance during World War II. George Psychoundakis was only a young boy when the Nazis invaded Crete in 1941. His lack of education in no way hampers the power of his firsthand account of counter-resistance work in the face of occupation.

The Cretan Runner: His Story of the German Occupation ...  
After the war he was mistakenly imprisoned as a deserter and began writing what would become The Cretan Runner (published in English in 1955 and in Greek in 1986) while in prison. The Cretan Runner: His Story of the German Occupation by ...  
Of course, the story of the Cretan resistance is compelling: there was resistance to the Nazis in most countries, but rarely did the Germans seem to have destroyed more villages with greater zeal, nor shot more of the populace (let's ignore the death camps of course) than they did in Crete. That resistance sidelined energies that would have been better spent in Russia and elsewhere for the Nazis: To this day the Cretans (characteristically) boast they won the war for the allies by delaying ...

The Cretan Runner: His story of the German Occupation by ...  
George Psychoundakis was a Greek Resistance fighter on Crete during the Second World War. He was a shepherd, a war hero and an author. He served as dispatch runner between Petro Petrakas and Papadakis behind the German lines for the Cretan resistance and later, from 1941 to 1945, for the Special Operations Executive. During the postwar years he was at first mistakenly imprisoned as a deserter. While in prison he wrote his wartime memoirs, which were published as The Cretan Runner. Later he trans

George Psychoundakis - Wikipedia  
Fascinating true story of a Cretan who spent the war years traversing Crete with information for the Resistance and British forces. The humility which he shows even with the appalling treatment he received after the War at the hands of the greek government is an inspiration.

The Cretan Runner: His Story of the German Occupation ...  
Best known in modern times for his popular book about the German occupation. His " The Cretan Runner " would be the definitive story from the Cretan perspective. It was later translated by another hero, the famous Patrick Leigh Fermor, who was the British liaison instrumental in leading the Cretan resistance.

Resistance Fighter George Psychoundakis: The Legendary ...

The Cretan runner : his story of the German occupation ...  
In this unique account of the Resistance, Psychoundakis records the daily life of his fellow Cretans, his treacherous journeys on foot from the eastern White Mountains to the western slopes of Mount Ida to transmit messages and transport goods, and his enduring friendships with British officers (like his eventual translator Patrick Leigh Fermor) whose missions he helped to carry out with unflagging courage, energy, and good humor.

George Psychoundakis was a twenty-one-year-old shepherd from the village of Asi Gonia when the battle of Crete began: "It was in May 1941 that, all of a sudden, high in the sky, we heard the drone of many aeroplanes growing steadily closer." The German parachutists soon outnumbered the British troops who were forced first to retreat, then to evacuate, before Crete fell to the Germans. So began the Cretan Resistance and the young shepherd's career as a wartime runner. In this unique account of the Resistance, Psychoundakis records the daily life of his fellow Cretans, his treacherous journeys on foot from the eastern White Mountains to the western slopes of Mount Ida to transmit messages and transport goods, and his enduring friendships with British officers (like his eventual translator Patrick Leigh Fermor) whose missions he helped to carry out with unflagging courage, energy, and good humor. Includes thirty-two black-and-white photographs and a map.

One of the most daring feats in Patrick Leigh Fermor ' s daring life was the kidnapping of General Kreipe, the German commander in Crete, on April 26, 1944. Abducting a General, now published for the first time in the United States, is Leigh Fermor ' s own account of the kidnapping. Written in his inimitable prose, and introduced by the acclaimed Special Operations Executive historian Roderick Bailey, it is a glorious firsthand account of one of the great adventures of the Second World War. Also included in this book are Leigh Fermor ' s intelligence reports sent from caves deep within Crete, which bring the immediacy of SOE operations vividly alive, as well as the peril under which the SOE and Resistance were operating, and a guide to the journey that Kreipe took, from the abandonment of his car to the embarkation site, so that the modern visitor to Crete can relive this extraordinary trip.

Acclaimed historian and best-selling author Antony Beevor vividly brings to life the epic struggles that took place in Second World War Crete - reissued with a new introduction. 'The best book we have got on Crete' Observer The Germans expected their airborne attack on Crete in 1941 - a unique event in the history of warfare - to be a textbook victory based on tactical surprise. They had no idea that the British, using Ultra intercepts, knew their plans and had laid a carefully-planned trap. It should have been the first German defeat of the war, but a fatal misunderstanding turned the battle round. Nor did the conflict end there. Ferocious Cretan freedom fighters mounted a heroic resistance, aided by a dramatic cast of British officers from Special Operations Executive.
