The author of [Permission Marketing](#) and [Purple Cow](#) shares insights into knowing when to support or fight corporate systems, explaining how to recognize and drop defunct practices to protect profits, job security, and professional satisfaction.

A New York Times, USA Today, and Wall Street Journal bestseller In this iconic bestseller, popular business blogger and bestselling author Seth Godin proves that winners are really just the best quitters. Godin shows that winners quit fast, quit often, and quit without guilt—until they commit to beating the right Dip. Every new project (or job, or hobby, or company) starts out fun...then gets really hard, and not much fun at all. You might be in a Dip—a temporary setback that will get better if you keep pushing. But maybe it's really a Cul-de-Sac—a total dead end. What really sets superstars apart is the ability to tell the two apart. Winners seek out the Dip. They realize that the bigger the barrier, the bigger the reward for getting past it. If you can beat the Dip to be the best, you'll earn profits, glory, and long-term security. Whether you're an intern or a CEO, this fun little book will help you figure out if you're in a Dip that's worthy of your time, effort, and talents. The old saying is wrong—winners do quit, and quitters do win.

This iconic bestseller from the bestselling author of [All Marketers Are Liars](#) proves that winners are just the best quitters and 'should be on every entrepreneur's book list' ([Entrepreneur.com](#)) Every new project (or career or relationship) starts out exciting and fun. Then it gets harder and less fun, until it hits a low point - really hard, really not fun. At this point you might be in a Dip, which will get better if you keep pushing, or a Cul-de-Sac, which will never get better no matter how hard you try. The hard part is knowing the difference and acting on it. According to marketing guru and best-selling author Seth Godin, what sets successful entrepreneurs (and pop stars and weight lifters and car salesmen) apart from everyone else is their ability to give up on Cul-de-Sacs while staying motivated in Dips. Winners quit fast, quit often and quit without guilt - until they commit to beating the right Dip for the right reasons. You'll never be number one at anything without picking your shots very carefully. The Dip is a short, entertaining book that helps you do just that. It will forever alter the way you think about success. 'Smart, honest, and refreshingly free of self-help posturing, this primer on winning-through-quitting is at once motivational and comically indifferent. . . Godin's truth-that "we fail when we get distracted by tasks we don't have the guts to quit"-makes excellent sense of an often-difficult career move' ([Publishers Weekly](#))

"A one-two punch! Half kick in the ass, half cheerleading encouragement." —Steven Pressfield, author of [The War of Art](#) If you are happy being just a dreamer, perhaps you don't need this book. If you're enjoying the status quo, don't even consider reading this book. If you are content waiting for success to find you, please put this book down and go find something else to read. Why has [Poke the Box](#) become a cult classic? Because it's a book that dares readers to do something they're afraid of. It could be what you need, too. "Is Seth Godin the Pied Piper for however many of us have been afraid to fail? Will I answer his call? Will you?" —Peter Shermeta, reviewing the original edition of [Poke the Box](#)

From the bestselling author of [Linchpin](#), [Tribes](#), and [The Dip](#) comes an elegant little book that will inspire artists, writers, and entrepreneurs to stretch and commit to putting their best work out into the world. Creative work doesn't come with a guarantee. But there is a pattern to who succeeds and who doesn't. And engaging in the consistent practice of its pursuit is the best way forward. Based on the breakthrough [Akimbo](#) workshop pioneered by legendary author Seth Godin, [The Practice](#) will help you get unstuck and find the courage to make and share creative work. Godin insists that writer's block is a myth, that consistency is far more important than authenticity, and that experiencing the imposter syndrome is a sign that you're a well-adjusted human. Most of all, he shows you what it takes to turn your passion from a private distraction to a productive contribution, the one you've been seeking to share all along. With this book as your guide, you'll learn to dance with your fear. To take the risks worth taking. And to embrace the empathy required to make work that contributes with authenticity and joy.

Describes how individuals can become successful leaders through passion and connection with an interested group, and provides real-life case studies that illustrate this method.

Heal from yesterday's pain and find hope for tomorrow with this inspirational guide -- and learn how God's faithfulness is working for your good, even when times are tough. If we are truly blessed to be a blessing, then we can take the lessons we learn in hardships and turn them around to help others navigate through their seasons of struggle. Hope and healing are the two words God has given us. Hope for tomorrow and healing from yesterday. Shaun Nepstad believes God wants to use our stories to bring hope and healing to others. When it comes to life, we've all asked, "Is there more?" We want to believe there's more to life than what we're currently experiencing. But the problem is, so much in life promises more but doesn't deliver. There's actually only One who can deliver the "more" we need, and that is Jesus. He delivers more than what we ask for or can even imagine. Consistently. Without fail. No matter what our situation looks like. Don't Quit in the Dip inspires us to keep fighting. To keep believing. And to keep helping us experience God's full blessing.

V is for Vulnerable by Seth Godin is a full-color ABC book for grown-ups, with a powerful message about doing great work. V is for Vulnerable looks and feels like a classic picture book. But it's not for kids, it's for hardworking adults. It highlights twenty-six of Seth Godin's principles about treating your work as a form of art, with illustrations by acclaimed cartoonist Hugh MacLeod. A sample: A is for Anxiety, which is experiencing failure in advance. Tell yourself enough vivid stories about the worst possible outcome and you'll soon come to believe them. Worry is not preparation, and anxiety doesn't make you better. F is for Feedback, which can be either a crutch or a weapon. Use it to make your work smaller, safer, and more likely to please everyone (and fail in the long run). Or use it as a lever to further push you to embrace what you fear and what you're capable of. This is unlike any previous Godin book and makes a great gift, both for loyal fans and those who've never read him before. Seth Godin is the author of thirteen international bestsellers that have changed the way people think about marketing, the ways ideas spread, leadership and change including [Permission Marketing](#), [Purple Cow](#), [All Marketers are Liars](#), [The Dip](#) and [Tribes](#). He is the CEO of [Squidoo.com](#) and a very popular lecturer. His blog, [www.sethgodin.typepad.com](#), is the most influential business blog in the world, and consistently one of the 100 most popular blogs on any subject.

Best known for creating [CD Baby](#), the most popular music site for independent artists, founder Derek Sivers chronicles his "accidental" success and failures into this concise and inspiring book on how to create a multimillion-dollar company by following your passion. Sivers details his journey and the lessons learned along the way of creating and building a business close to his heart. In 1997, Sivers was a musician who taught himself to code a Buy Now button onto his band's website. Shortly thereafter he began selling his friends' CDs on his website. As [CD Baby](#) grew, Sivers faced numerous obstacles on his way to success. Within six years he had been publicly criticized by Steve Jobs and had to pay his father \$3.3 million to buy back 90 percent of his company, but he had also built a company of more than 50 employees and had profited \$10 million. [Anything You Want](#) is must reading for every person who is an entrepreneur, wants to be one, wants to understand one, or cares even a little about what it means to be human.
