Collects graphic adaptations of nineteenth century literary classics from "Frankenstein" and "Moby-Dick" to "Great Expectations" and "Huckleberry Finn," including illustrations inspired by famous poems and speeches.
The Graphic Canon, Volume 2 gives us a visual cornucopia based on the wealth of literature from the 1800s. Several artists(including Maxon Crumb and Gris Grimly)present their versions of Edgar Allan Poe's visions. The great American novel Huckleberry Finn is adapted uncensored for the first time, as Twain wrote it. The bad boys of Romanticism(Shelley, Keats, and Byron)are visualized here, and so are the Brontë sisters. We see both of Coleridge's most famous poems: "Kubla Khan" and "The Rime of the Ancient Mariner" (the latter by British comics legend Hunt Emerson). Philosophy and science are ably represented by ink versions of Nietzsche'sThus Spake Zarathustra and Darwin's On the Origin of Species. Frankenstein, Moby-Dick, Les Misérables, Great Expectations, Middlemarch, Anna Karenina, Crime and Punishment (a hallucinatory take on the pivotal murder scene), Thoreau's Walden (in spare line art by John Porcellino of King-Cat Comics fame), "The Drunken Boat" by Rimbaud, Leaves of Grass by Whitman, and two of Emily Dickinson's greatest poems are all present and accounted for. John Coulthart has created ten magnificent full-page collages that tell the story of The Picture of Dorian Gray by Oscar Wilde. And Pride and Prejudice has never looked this splendid! This volume is a special treat for Lewis Carroll fans. Dame Darcy puts her unmistakable stamp on/what else?The Alice books in a new 16-page tour-de-force, while a dozen other artists present their versions of the most famous characters and moments from Wonderland. There's also a gorgeous silhouetted telling of Jabberwocky.) and Mahendra's Singh's surrealtic take on "The Hunting of the Shark.) Curvballs in this volume include fairy tales illustrated by the unnameable S. Clay Wilson, a fiery speech from freed slave Frederick Douglass (rendered in stark black and white by Seth Tobocman), a letter on reincarnation from Flaubert, the Victorian erotic classic Venus in Furs, the drug classic The Hashesh Eater, and silk-screened illustrations for the ghostly children's classic Der Struwwelpeter. Among many other canonical works.

THE GRAPHIC CANON (Seven Stories Press) is a gorgeous, one-of-a-kind trilogy that brings classic literatures of the world together with legendary graphic artists and illustrators. There are more than 130 illustrators represented and 190 literary works over three volumes(many newly commissioned, some hard to find/reinterpreted here for readers and collectors of all ages. Volume 1 takes us on a visual tour from the earliest literature through the end of the 1700s. Along the way, we're treated to eye-popping renditions of the human race's greatest epics: Gilgamesh, The Iliad, The Odyssey (in watercolors by Gareth Hinds), The Aeneid, Beowulf, and The Arabian Nights, plus later epics The Divine Comedy and The Canterbury Tales (both by legendary illustrator and graphic designer Seymour Chwast), Paradise Lost, and Le Morte D'Arthur. Two of ancient Greece's greatest plays are adapted(the tragedy Medea by Euripides and Tania Schrag's uninhibited rendering of the very bawdy comedy Lysistrata by Aristophanes (the text of which is still censored in many textbooks). Also included is Robert Crumb's rarely-seen adaptation of James Boswell's London Journal, filled with philosophical debate and well-illustrated, with the Books of Daniel and Esther from the Old Testament, Rick Geary's awe-inspiring new rendition of the Book of Revelation from the New Testament, the Tao te Ching, Rumi's Sufi poetry, Hinduism's Mahabharata, and the Mayan holy book Popol Vuh, illustrated by Roberta Gregory. The Eastern canon gets its due, with The Tale of Genji (the world's first novel, done in full-page illustrations reminiscent of Aubrey Beardsley), three poems from China's golden age of literature lovingly drawn by pioneering underground comics artist Sharon Rudahl, the Tibetan Book of the Dead, a Japanese Noh play, and other works from Asia. Two of Shakespeare's greatest plays (King Lear and A Midsummer Night's Dream) and two of his sonnets are here, as are Plato's Symposium, Gulliver's Travels, Candide, A Vindication of the Rights of Woman, Renaissance poetry of love and desire, and Don Quixote visualized by the legendary Will Eisner. Some unsuspected twists in this volume include a Native American folktale, an Incan play, Sappho's poetic fragments, bawdy essays by Benjamin Franklin, the love letters of Abelard and Heloise, and the decadent French classic Dangerous Liaisons, as illustrated by Molly Crabapple. Edited by Russ Kick, The Graphic Canon is an extraordinary collection that will continue with Volume 2: "Kubla Khan" to the Bronte Sisters to The Picture of Dorian Gray in Summer 2012, and Volume 3: From Heart of Darkness to Hemingway to Infinite Jest in Fall 2012. A boxed set of all three volumes will also be published in Fall 2012.

The latest volume in Russ Kick's New York Times best-selling series retells classic crime fiction in full-color visual comix splendor. "Easily the most ambitious and successfully realized literary project in recent memory." --NPR "A treasure trove for literary comics fans." --WIRED Here are Teddy Goldenberg's dense, murky treatment of Dashiell Hammett's "The Road Home," often considered the first hardboiled detective story ever published. Shawn Cheng renders the first serial-killer story, the so-called fairy tale "Bluebeard" by Charles Perrault. Landis Blair reimagine's The Trial as a choose-your-own-adventure story that you cannot win, and Ted Rall retells an O. Henry story about a petty criminal who just can't get arrested. Plus 28 other contributors using a wide range of illustrative styles. As with previous volumes in the Graphic Canon series, the illustrations run the full gamut of media and techniques, and artistic interpretations range from verbatim literalism to metaphorical extensions to surrealism and abstraction. The common theme, tracing the origins and standout texts of the morbid and mysterious, unites these multifarious partners in crime.

The highly acclaimed Graphic Canon series is back, bringing the same highly varied, unpredictable approach to classic works involving murderers, thieves, victims, private detectives, police, judges and jailors, not to mention con artists, spies and kings. In The Graphic Canon of Crime and Mystery Vol 1, artists retell crime stories by Stephen King, Jo Nesbo, Truman Capote, Patricia Highsmith, Dostoevsky, Kafka and more!

The original three-volume anthology The Graphic Canon presented the world's classic literature—from ancient times to the late twentieth century—as eye-popping comics, illustrations, and other visual forms. In this follow-up volume, young people's literature through the ages is given new life by the best comics artists and illustrators. Fairy tales, fables, fantastical adventures, young adult novels, swashbuckling yarns, your favorite stories from childhood and your teenage years . . . they're all here, in all their original complexity and strangeness, before they were censored or sanitized.

Description based on: volume 2, c2012, title from 1.p.
Brunetti offers selections from the works of more than seventy-five avant-garde comic artists. His selections are arranged by genre and grouped thematically. Included here are works from such well-known artists as Robert Crumb, Kim Deitch, Art Spiegelman, Chris Ware, Ben Katchor, Charles Burns, Gary Panter, Seth, Phoebe Gloeckner, Daniel Clowes, Lynda Barry, Joe Sacco, and Jaime and Gilbert Hernandez, as well as many other pioneers whose names may be less familiar.

Join Steven as he starts his next adventure from trying to save the local library to getting lost inside Pearl's head! It's always a good day to be Steven Universe when you're surrounded by such amazing friends and family. Collects issues #5-8, including all the covers and shorts.
