Love as a Guide to Morals is an entry-level introduction to the ethical importance of love. Written in conversational format this book looks uniquely at the complexity of love in human relationships and how love can guide ethical decision-making. The book suggests that love in all its intricacy—erotic/erosic love, friendship, affection, and agapic love—is the great good of human life. The book argues that love has a unifying power for morality, and is more suited to ethical thinking and practice than any other idea. Love as a Guide to Morals uses a modified Aristotelian argument (after Alisdair MacIntyre) and suggests “loving relationships” rather than happiness as the goal of human life.

Love as a Guide to Morals is an entry-level introduction to the ethical importance of love. Love as a Guide to Morals uses a modified Aristotelian argument (after Alisdair MacIntyre) and suggests “loving relationships” rather than happiness as the goal of human life.

Hannah Sugarman seems to have it all. She works for an influential think tank in Washington, D.C., lives in a swanky apartment with her high-achieving boyfriend, and is poised for an academic career just like her parents. The only problem is that Hannah doesn't want any of it. What she wants is much simpler; to cook. When her relationship collapses, Hannah seizes the chance to do what she's always loved and launches an underground supper club out of her new landlord's town house. Though her delicious dishes become the talk of the town, her secret venture is highly problematic, given that it is not, technically speaking, legal. She also conveniently forgets to tell her landlord she has been using his place while he is out of town. On top of that, Hannah faces various romantic prospects that leave her guessing and confused, parents who don't support cooking as a career, and her own fears of taking a risk and charting her own path. A charming romantic comedy, *The Girls' Guide to Love and Supper Clubs* is a story about finding yourself, fulfilling your dreams, and falling in love along the way.

When Max Hallyday, a rising New York adman, joins a glitzy midtown agency, he knows the game is winner-takes-all. But after Max's best friend, Roger, a serial womanizer, seduces his billionaire client and puts his career in jeopardy, Max strikes back, penning "The Guys' Guy's Guide to Love," a column exposing the many Rogers prowling the city. Championed by magazine publisher and former flame, Cassidy Goodson, Max becomes famous . . . or is it notorious? With the women of New York clamoring for more, sparks begin to fly with Cassidy. Can Max survive his instant celebrity and cutthroat rivals to discover where his heart really belongs? *The Guys' Guy's Guide to Love* is a fast-paced tale of flawed men and smart women competing for love, sex, power, and money in the city where they play for keeps.

We all have expectations about how to spend money, where it should come from, how much is needed for financial security, how important it is, and whether or not we can trust other people to be responsible about money. When these expectations come up against a partner's competing ideas, serious trouble can result. Money conflict is, after all, the most common factor cited as grounds for divorce. This practical and insightful guide helps you and your partner understand your individual money personalities. Its techniques will teach you to successfully negotiate and communicate about money, merge your money management styles, and implement the right money management techniques to achieve financial freedom together.

Take a delightful look at one of the most abused, confused, and misused words in the English language—love—and explore its true meaning with bestselling author Anthony DeSefano. He has paired smile-making photos—of adults, couples, children, and even babies—with a refreshingly honest and truthful story to help you understand that real love is so much more than a greeting-card sentiment. This charming and heartwarming gift book leads you to discover that real love comes from God. By fully embracing that love, you'll discover that you are able to love your family and friends more deeply and sincerely than ever before.

After 30 years of clinical research and treatment of patients with unhealthy love lives, Dr. Thomas Jordan has recognized that most people aren't actually in control of their own love lives. Why? Because most people don't know how to identify and change what they've learned from the love relationships in their lives. In *Learn to Love: Guide to Healing Your Disappointing Love Life*, you will learn how to make real--and lasting--improvements in your love life. Starting with the family into which we're born, we learn from all the love relationships in our lives, especially the unhealthy ones. *Learn to Love* will show you how these experiences help to form a psychological blueprint that controls the love life experiences we have as adults. If what you learned about love relationships was healthy, you'll replicate this and have a meaningful and satisfying love life. But if what you learned was unhealthy, chances are you'll continue to make the same love life mistakes over and over again. *Learn to Love* will show you how to unlearn this unhealthy learning and form the love relationships you've always wanted to have. The simple formula presented within the pages of this book has helped many of my patients begin taking control of their own love lives, as well as helping me improve my own love life. *Learn to Love* will help you learn how to take control of your love life.

"A tale of rivalry, romance, and existential angst"--Jacket.

A marriage therapist and pastoral counselor explains that most of the feelings of receiving inadequate love come from unresolved childhood conflicts and describes how adults can learn to flourish as loving and loved people, in a new edition of the best-selling handbook. Reprint. 50,000 first printing.

Thirty-something romance-novice Kristen turns her life into a Love Laboratory in attempts to navigate the ever-more-complex world of dating & sexuality; her candid sharing of surprising, intimate and often comical real-life experiments offer up earnest lessons and run-at-home practices that challenge us to reconsider how we define love.
