The Legacy Of Jihad-Islamie

The Legacy of Jihad: Islamic Holy War and the Fate of Non-Muslims is a book by Andrew Bostom, a medical doctor who has written several other works discussing Islamic intolerance. The foreword was written by author and ex-Muslim, Ibn Warraq. The book is framed as a rejection of the notion that Islam is a peaceful religion and sets out to prove that Islam is violent and intolerant.

Bostom, 2008 Edition, Publisher: Prometheus Books [Paperback] by Andrew G. Bostom (ISBN: 8601417723197) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

The Legacy of Jihad: Islamic Holy War and the Fate of Non----

Professor of medicine Andrew G. Bostom has compiled in The Legacy of Jihad primary and secondary sources on jihad and non-Muslims (ahl adh-dhimma) under Islamic rule. Ibn Warraq (a pseudonym) says in his foreword that the author translated from Arabic the works of commentators on Islamic manuscripts. Ibn Warraq stresses that dealing with jihad could turn out to be hard for reasons of political correctness, fear of playing into the hands of racists to the detriment of the West's Muslim ...

The Legacy of Jihad: Islamic Holy War and the Fate of Non----

The Legacy of Jihad is a lengthy and monotonous collection of writings about Islamic jihad authored by a wide variety of experts. The collection has pieces from thousands of years ago and many are directly from the Koran.

The Legacy of Jihad: Islamic Holy War and the Fate of Non----

The Legacy of Jihad: Islamic Holy War and the Fate of Non-Muslims. "The Legacy of Jihad" provides a comprehensive, meticulously documented corrective to the genre of ahistorical assessments decried by Eilul. This unique, extensive compilation includes Muslim theological and juridical texts, eyewitness historical accounts by both Muslim and non-Muslim chroniclers, and essays by pre-eminent scholars analysing jihad war and the ruling conditions imposed upon the non-Muslim peoples conquered by ...

The Legacy of Jihad: Islamic Holy War and the Fate of Non----

The Legacy of Jihad's accounts of the horrors suffered by the conquered and the vanquished are graphic and, yes, shocking. While following Dr. Bostom's no-holds-barred journey through the centuries of terror, the reader cannot help but come to a disturbingly deeper understanding of the true meaning of the term "jihad".

The Legacy of Jihad: Islamic Holy War and the Fate of Non----

The Legacy of Jihad: Islamic Holy War and the Fate of Non-Muslims, by Andrew G. Bostom. Foreword by Ibn Warraq, Prometheus Books, 2005.759 pages, including index. \$ 28.00, hardcover. Professor of medicine Andrew G. Bostom has compiled in The Legacy of Jihad primary and secondary sources on jihad and non-Muslims (ahl adh-dhimma) under Islamic rule.

The Legacy of Jihad: Islamic Holy War and the Fate of Non-Muslims

This book reveals how, for well over a millennium and across three continents - Asia, Africa, and Europe - non-Muslims who were vanquished by jihad wars became forced tributaries (called dhimmi in Arabic) in lieu of being slain. Under the dhimmi religious caste system, non-Muslims were subjected to legal and financial oppression, as well as social isolation. Extensive primary and secondary source materials, many translated here for the first time into English, are presented, making clear that jihad conquests were brutal, imperialist advances, which spurred waves of Muslims to expropriate a vast expanse of lands and subdue millions of indigenous peoples. Finally, the book examines how jihad war, as a permanent and uniquely Islamic institution, ultimately regulates the relations of Muslims with non-Muslims to this day. Scholars, educators, and interested lay readers will find this collection an invaluable resource.

The attacks of September 11, 2001, changed the way the world looks at Islam. And rightfully so, according to M.A. Khan, a former Muslim who left the religion after realizing that it is based on forced conversion, imperialism, and slavery: the primary demands of Jihad, commanded by the Islamic God Allah. In this groundbreaking book, Khan demonstrates that Prophet Muhammad meticulously followed these misguided principles and established the ideal template of Islamic Jihad for his future followers to pursue, and that Muslims have been perpetuating the cardinal principles of Jihad ever since. Find out the true nature of Islam, particularly its doctrine of Jihad, and what it means to the modern world, and also learn about The core tenets of Islam and its history The propagation of Islam by force and other means Islamic propaganda Arab-Islamic imperialism Islamic slavery and slave-trade And much more! The commands of Allah are perpetual in nature, so are the actions of Prophet Muhammad. Jihad has been the way to win converts to Islam since its birth fourteen centuries ago, and it won't change anytime soon. Find out why in Islamic Jihad.

Author Andrew G. Bostom expands upon his two previous groundbreaking compendia, The Legacy of Jihad and The Legacy of Islamic Antisemitism, with this collection of his own recent essays on Sharia - Islamic law. The book elucidates, unapologetically, Sharia's defining Islamic religious principles and the consequences of its application across space and time, focusing upon contemporary illustrations. A wealth of unambiguous evidence is marshaled, distilled, and analyzed, including: objective, erudite studies of Sharia by leading scholars of Islam; the acknowledgment of Sharia's global "resurgence," even by contemporary academic apologists for Islam; an abundance of recent polling data from Muslim nations and Muslim immigrant communities in the West confirming the ongoing, widespread adherence to Sharia's tenets; the plaintive warnings and admonitions of contemporary Muslim intellectuals - freethinkers and believers, alike - about the incompatibility of Sharia with modern, Western-derived conceptions of universal human rights; and the overt promulgation by authoritative, mainstream international and North American Islamic religious and political organizations of traditional, Sharia-based Muslim legal systems as an integrated whole (i.e., extending well beyond mere "family-law aspects" of Sharia). Johannes J. G. Jansen, Professor for Contemporary Islamic Thought Emeritus at Utrecht University, says this book "will prove sobering to even staunch optimists."

The author documents the existence of antisemitism since the advent of Islam.

Sayyid Qutb is widely considered the guiding intellectual of radical Islam, with a direct line connecting him to Osama bin Laden. But Qutb has too often been treated maliciously or reductively-"the Philosopher of Islamic Terror," as Paul Berman famously put it in the New York Times Magazine. James Toth offers an even-handed account of Sayyid Qutb and shows him to be a much more complex figure than the many one-dimensional portraits would have us believe. Qutb first gained notice as a novelist, literary critic, and poet but then turned to religious and political criticism aimed at the Egyptian government and Muslims he deemed insufficiently pious. After a two-year sojourn in the U.S., he returned to Egypt even more radicalized and joined the Muslim Brotherhood, eventually taking charge of its propaganda operation. When Brotherhood members were accused of assassinating Egyptian President Gamal Abdel Nasser, the group was outlawed and Qutb imprisoned. He was executed in 1966, becoming the first martyr to the Islamist cause. Using an analytical approach that investigates without passing judgment, Toth traces the life and thought of Qutb, giving attention not only to his well-known Signposts on the Road, but also to his less-studied works like Social Justice in Islam and his 30-volume Qur'anic commentary, In the Shade of the Qur'an. Toth's aim is to give Qutb's ideas a fair hearing, to measure their impact, and to treat him like other intellectuals who inspire revolutions, however unpopular they may be. In offering a more nuanced account of Qutb, one that moves beyond the cartoonish depictions of him as the evil genius lurking behind today's terrorists, Sayyid Qutb deepens our understanding of a central figure of radical Islam and, indeed, our understanding of radical Islam itself.

The Legacy of Jihad: Islamic Holy War and the Fate of Non-Muslims

How has the Islamic view of marriage, family formation and child rearing developed and adapted over the centuries? Is contraception just permitted or actively encouraged? The family is the basic social unit of Islamic society. Even without compelling population pressures, there has been concern with spacing and family planning. This book is the result of a massive research project, gathering fourteen centuries (the seventh to the twentieth) of views on family formation and planning, as expressed by leading Islamic theologians and jurists. The work has been discussed and shaped at each stage by a committee of Islamic experts representing the majority of the Muslim countries. The book provides a much needed source of reference and will be of equal value and interest to professionals in health care and development work and to those working in the academic disciplines of Middle East studies, religion and population studies.

AN INDEPENDENT BEST BOOKS ON RELIGION 2014 PICK Few things provoke controversy in the modern world like the religion brought by Prophet Muhammad. Modern media are replete with alarm over jihad, underage marriage and the threat of amputation or stoning under Shariah law. Sometimes rumor, sometimes based on fact and often misunderstood, the tenets of Islamic law and dogma were not set in the religion's founding moments. They were developed, like in other world religions, over centuries by the clerical class of Muslim scholars. Misquoting Muhammad takes the reader back in time through Islamic civilization and traces how and why such controversies developed, offering an inside view into how key and controversial aspects of Islam took shape. From the protests of the Arab Spring to Istanbul at the fall of the Ottoman Empire, and from the ochre red walls of Delhi's great mosques to the trade routes of the Indian Ocean world, Misquoting Muhammad lays out how Muslim intellectuals have sought to balance reason and revelation, weigh science and religion, and negotiate the eternal truths of scripture amid shifting values.

In Iran's Final Solution for Israel: Andrew G. Bostom, M.D., M.S., analyzes the living, half-millennial legacy of Shiite Iranian jihadism and Islamic Jew-hatred. He further illuminates how the recent U.S.-brokered iP5 + 1 agreement has abetted the post-Khomeini era Iranian theocracy's annihilationist designs on Israel and its global hegemonic aspirations. This new edition of Iran's Final Solution for Israel! includes an Updated Author's Preface, added after the November 24, 2014, extension of the iP5 + 1 negotiations deadline through July 1, 2015. Bostom is the author of the highly acclaimed !The Legacy of Jihad,! !The Legacy of Islamic Antisemitism,! and !Sharia Versus Freedom.!
