Offers brief profiles of all forty-four United States presidents, and lists important events that occurred during each president's administration.

Your best friend Lindsay Boxer is pregnant at last! But her work doesn't slow for a second. When millionaire Chaz Smith is mercilessly gunned down, she discovers that the murder weapon is linked to the deaths of four of San Francisco's most untouchable criminals. And it was taken from her own department's evidence locker. Anyone could be the killer--even her closest friends. Or a vicious killer? Lindsay is called next to the most bizarre crime scene she's ever seen: two bodiless heads elaborately displayed in the garden of a world-famous actor. Another head is unearthed in the garden, and Lindsay realizes that the ground could hide hundreds of victims. You won't know until the 11th hour A reporter launches a series of vicious articles about the cases and Lindsay's personal life is laid bare. But this time she has no one to turn to--especially not Joe. 11TH HOUR is the most shocking, most emotional, and most thrilling Women's Murder Club novel ever.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

The chilling and little-known story of Adolf Hitler's eight-year march to the pinnacle of German politics. On the night of January 30, 1933, Adolf Hitler leaned out of a spotlight window of the Reich chancellery in Berlin, bursting with joy. The moment seemed unbelievable, even to Hitler. After an improbable political journey that came close to faltering on many occasions, his march to power had finally succeeded. While the path of Hitler's rise has been told in books covering larger portions of his life, no previous work has focused solely on his eight-year climb to rule: 1925-1933. Renowned author Peter Ross Range brings this period back to startling life with a narrative history that

describes brushes with power, quests for revenge, nonstop electioneering, American-style campaign tactics, and-for Hitler-moments of gloating triumph followed by abject humiliation. Indeed, this is the tale of a high-school dropout's climb from the infamy of a failed coup to the highest office in Europe's largest country. It is a saga of personal growth and lavish living, a melodrama rife with love affairs and even suicide attempts. But it is also the definitive account of Hitler's unrelenting struggle for control over his raucous movement, as he fought off challenges, built and bullied coalitions, quelled internecine feuds and neutralized his enemies-all culminating in the creation of the Third Reich and the western world's descent into darkness. One of the most dramatic and important stories in world history, Hitler's ascent spans Germany's wobbly recovery from World War I through years of growing prosperity and, finally, into crippling depression.
