every chapter ends with a policy issue that emphasizes the markets vs. government dilemma. The authors teach economics in a relevant context, filling chapters with the real facts and applications of economic life. Schiller is also the only principles text that presents all macro theory in the single consistent context of the AS/AD framework. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Schiller/Sabiston/Phipps, The Micro Economy Today, Canadian Edition, is more concise and somewhat less analytical and mathematical than other first year texts. In some respects, it is better suited to the modern undergraduate. It does a better job of explaining some of the key issues
