So, you have a dream. You have a great idea that will bring exciting new products or services to market. How will you make that dream a reality? While it's true that hundreds of startups succeed each year in turning the imagination of talented people into hard profit, it's also true that just as many or more startups fail right out of the gate. Just having an idea is never enough. It takes hard work, it takes effort, and it takes organization. From obtaining money for your startup to hiring the right employees to bringing your product or service to market, every company takes a little bit of sweat and a little bit of stress and a lot of hard work. You'll see why in the following pages. One thing that separates successful startups from those doomed to fail is knowing how to craft a well thought out business plan. In the following pages you'll see the reasons why you need a business plan and how to make one that works for you. You'll learn which type of business plan is best for you and how to tailor one to suit your needs. Let me show you how to plan out your entire strategy from beginning to success, from the spark of an idea to an efficient and well organized company that people will recognize and identify with. You've got the startup. I've got the blueprint to get you from your vision, to your success.

A guide to writing a successful business plan in just one hour A strong business plan greatly increases a business chance of success, especially in an economic environment in which more than 50 percent of businesses fail within three years. Your business plan can serve as a foundation for your successful business. The One-Hour Business Plan, written by seasoned entrepreneur and business instructor John McAdam, helps you lay that foundation. With the help of this book, aspiring entrepreneurs can write a viable business plan in just one hour. Offers step-by-step guidance on the process of writing a business plan, with field-tested instructional techniques that are simple, strong, and easy to implement Written by John McAdam, a "been there, done that" hired CEO and serial entrepreneur with decades of real-world experience, who helps ordinary people become entrepreneurs and helps entrepreneurs become successful The One-Hour Business Plan outlines a process and a framework for creating a business plan that sets you up for success. Give your business the best odds for success, in just one hour of your time.

This book eliminates all the excuses for not having a business plan! If you are a proprietor of know-how... this book was written for you! Now you can write a draft plan on a single page in less than two hours. In fact, we've done most of the hard work for you... using The One Page Plan® methodology, you'll never again have to start with a blank page. You get proven downloadable templates and examples that reflect industry best practices. Also inside are easy assessments that let you quickly discover what's working in your practice and what's not!"The One Page Business Plan is the business owner's Cliff Notes®". --Fred DaMert, Toy, Game and Puzzle Design Consultant"This process removes the mystique from business plans! Jim Horan will lead you by the hand to crafting the best plan possible: Clear, focused, understandable and concise. of thousands of entrepreneurs, business owners and corporate executives achieve significant breakthroughs in their businesses.

Judging by all the hoopla surrounding business plans, you'd think the only things standing between would-be entrepreneurs and spectacular success are glossy five-color charts, bundles of meticulous-looking spreadsheets, and decades of month-by-month financial projections. Yet nothing could be further from the truth. In fact, often the more elaborately crafted a business plan, the more likely the venture is to flop. Why? Most plans waste too much ink on numbers and devote too little to information that really matters to investors. The result? Investors discount them. In *How to Write a Great Business Plan*, William A. Sahlman shows how to avoid this all-too-common mistake by ensuring that your plan assesses the factors critical to every new venture: The people—the individuals launching and leading the venture and outside parties providing key services or important resources The opportunity—what the business will sell and to whom, and whether the venture can grow and how fast The context—the regulatory environment, interest rates, demographic trends, and other forces shaping the venture's fate Risk and reward—what can go wrong and right, and how the entrepreneurial team will respond Timely in this age of innovation, *How to Write a Great Business Plan* helps you give your new venture the best possible chances for success.

How to make realistic financial projections, develop effective marketing strategies and refine your overall business goals.

Startup money is moving online, and this guide shows you how it works. *The Art of Startup Fundraising* takes a fresh look at raising money for startups, with a focus on the changing face of startup finance. New regulations are making the old go-to advice less relevant, as startup money is increasingly moving online. These new waters are all but uncharted—and founders need an accessible guide. This book helps you navigate the online world of startup fundraising with easy-to-follow explanations and expert perspective on the new digital world of finance. You'll find tips and tricks on raising money and investing in startups from early stage to growth stage, and develop a clear strategy based on the new realities surrounding today's startup landscape. The finance world is in a massive state of flux. Changes are occurring at an increasing pace in all sectors, but few more intensely than the startup sphere. When the paradigm changes, your processes must change with it. This book shows you how startup funding works, with expert coaching toward the new rules on the field. Learn how the JOBS Act impacts the fundraising model Gain insight on startups from early stage to growth stage Find the money you need to get your venture going Craft your pitch and optimize the strategy Build momentum Identify the right investors Avoid the common mistakes Don't rely on the "how we did it" tales from superstar startups, as these stories are unique and applied to exceptional scenarios. The game has changed, and playing by the old rules only gets you left behind. Whether you're founding a startup or looking to invest, *The Art of Startup Fundraising* provides the up-to-the-minute guidance you need.
