Year One is the first book in the Chronicles of the One trilogy by the famous Nora Roberts. A fatal pandemic is destroying the world: it appears an avian influenza, highly contagious and pure deadly, within days, to those not immune.

Year One (Chronicles of The One, #1) by Nora Roberts

Year One isn't quite Roberts' usual fare, though it certainly harkens more to some of the gravity and darkness of her single books, or "In Death" series. Year One is a "magical apocalypse" book, if I had to give it a genre. We follow a revolving cast of characters, many who die awfully, before solidifying in a more stable main cast ...

The One Year Book of Encouragement is a collection of insights from assorted Christian authors, past and present—from Oswald Chambers and Philip Yancey to John Calvin and John Wesley. Draw encouragement every day from the wisdom of the ages with this One Year book—it's bound to be a classic!

If you're living a perfect, charmed life . . . well, then this book isn't for you. But if, like the rest of us, you are at times broken, confused, lonely, or scared—if you're struggling with problems that you think "good Christians" don't have—then welcome, girlfriend, and pull up a chair! This quirky, friendly, and gut-honest devotional comes straight from the heart of Ellen Miller (CEO, marketing executive, mom, and unapologetic "glorious mess"). Despite the serious struggles she's faced, Ellen today lives a life of profound joy, and The One Year Book of Inspiration for Girlfriends contains 365 days' worth of the principles and philosophies that have gotten her there. There's no subject she's afraid to tackle! Her quick, daily doses of encouragement will make you laugh, give you something to look forward to, help you to stay (somewhat!) sane . . . and remind you that you're never alone.

We tend to look to the New Testament to tell us about Jesus, yet it was the Old Testament about which Jesus said, "the Scriptures point to me!" In The One Year Book of Discovering Jesus in the Old Testament, Bible teacher Nancy Guthrie takes readers from Genesis through Malachi, shining the light of Christ on the promise of a descendent who will put an end to the curse of sin; the story of a father who offers up his son as a sacrifice; the symbol of a temple where people can meet with God; the prophecy of a servant who will suffer; the person of a king who will rule with righteousness—and so much more. Day by day throughout the year, readers will see the beauty of Christ in fresh new ways, creating a deeper understanding and appreciation for who Jesus is and what he accomplished through his Cross and Resurrection.

What happened on this date in church history? From ancient Rome to the twenty-first century, from peasants to presidents, from missionaries to martyrs, this book shows how God does extraordinary things through ordinary people every day of the year. Each story appears on the day and month that it occurred and includes questions for reflection and a related Scripture verse.

Presents one-year's worth of devotions based on trivia questions from the Bible, explaining the story that relates to the question and what it means for the reader.

In Chinese, peng you means friend. But in any language, all Anna knows for certain is that friendship is complicated. When Anna needs company, she turns to her books. Whether traveling through A Wrinkle in Time, or peering over My Side of the Mountain, books provide what real life cannot—constant companionship and insight into her changing world. Books, however, can't tell Anna how to find a true friend. She'll have to discover that on her own. In the tradition of classics like Maud Hart Lovelace's Betsy-Tacy books and Eleanor Estes' One Hundred Dresses, this novel subtly explores what it takes to make friends and what it means to be one.

ECPA 2020 Christian Book Award Finalist! You wouldn't believe it, but . . . James Earl Jones, the voice of Darth Vader, grew up mute. Michael Jordan was cut from his high school basketball team. Albert Einstein was bullied mercilessly in school. Beethoven's mom almost aborted him. Life takes the strangest sharp turns—and sometimes, U-turns. Robert Petterson—popular speaker, storyteller, and author—has been a student for his entire life of what God is teaching us through those real-life U-turns. In this book, he compiles 365 amazing stories that teach lessons you won't easily forget. Each entry is written in the rest-of-the-story style popularized by Paul Harvey. With The One Year Book of Amazing Stories, you'll marvel at how God has used the lives of these ordinary people to change the course of human history.
