Widely-acclaimed author Mark Buchanan states that what we've really lost is "the rest of God-the rest God bestows and, with it, that part of Himself we can know only through stillness." Stillness as a virtue is a foreign concept in our society, but there is wisdom in God's own rhythm of work and rest. Jesus practiced Sabbath among those who had turned it into a dismal thing, a day for murmuring and finger-wagging, and He reminded them of the day's true purpose: liberation-to heal, to feed, to rescue, to celebrate, to lavish and relish life abundant. With this book, Buchanan reminds us of this and gives practical advice for restoring the sabbath in our lives.

The Restored Man is a practical and life-changing resource for men with a sincere desire to change their relationship with God and others.

The never-before-told story of Lecrae's loss of faith after the experiences of his past threatened to ruin his career and life. Two-time GRAMMY winning hip-hop artist and bestselling author Lecrae had inspired millions with his redemptive and gut-honest art. But when his personal life spun into chaos, he was forced to face the buried impact of the unhealed wounds--sexual abuse, physical trauma, addiction, and depression--that threatened to tear it all apart. Along the way, he realized the wounds we all carry have the potential to be unlikely guides to healing and freedom for ourselves, and others. With vulnerable honesty and transformational

yet simple steps you can apply today, Lecrae shares the personal practices he uses in his daily life for mental, emotional, and spiritual health. With powerful prose, he gives an unflinching look at the personal and public spaces that sadly hurt us so often--culture, politics, family, church, personal failure--and reminds us that learning to let go and forgive is the birthplace for the life of creativity and freedom God has for us. I Am Restored is an inspiring charge to embrace the lasting healing and restoration available now, and that we all desperately long for, because no matter what you've experienced, God is near, He hears, and He's not done with you yet.

We all face difficulties in life. The death of a loved one, financial problems, divorce, health issues, job loss . . . the list can go on and on. In the midst of these difficult seasons of life there is hope. The CSB Life Restoration Bible features relevant and applicable notes and helps focus on life recovery in an easy-to-follow format to help individuals find hope and joy within the Bible as they embrace the truths and promises found in God ' s Word during difficult seasons of life. The key helps in this Bible include over 500 guided notes following seven Life Restoration Principles via the easy-to-remember R.E.S.T.O.R.E acrostic (Rest and Reflect–Eternal Perspective–Support–Thanksgiving and Contentment–Other-centeredness–Relationships–Exercise of Faith). Each note is based on a key verse in God ' s Word related to a specific Life Restoration Principle followed by a short devotional to help expound upon the principle before guiding the reader to the “ Next Step ” in the restoration journey. The features of this CSB Bible include: A “ First 30-days ” devotional, Book Introductions that highlight “ Restoration Themes ” in each book, Restoration profiles of biblical characters and real people, Articles featuring

scripture references highlighting specific biblical themes related to restoration, Over 200 “ Joyful Noise ” callouts of scriptures throughout the Bible to provide encouragement during the restoration journey, Topical subheadings, Two-column text, Concordance, Smyth-sewn binding, Presentation page, Full-color maps, and more. Available in brown LeatherTouch Bible cover and paperback (similar to a leather like Bible). Edited by Stephen Arterburn, author of other recovery Bibles. CSB Bibles by Holman feature the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others. Whether you are looking for a CSB study Bible, recovery and restoration study Bible, or journaling Bible, the CSB is a translation that focuses on serving people ' s understanding of God ' s Word.

It's easy to get discouraged by the headlines. It can often feel as if God has left the building, like we are on our own. We want to believe God's promises to us, and we search for signs of his continuing restoration of the world in which we live. Now, with passion and heart, two leading experts on Christianity and culture cut through the chaos and uncertainty to show readers how God is powerfully active and intensely engaged in fulfilling his promise to restore all things unto himself. Through inspiring real-life stories of justice, mercy, love, and forgiveness in our midst, Smith and Stonestreet present a God who is intimately involved in his creation and using his church to work out the redemption of this world.

Walls come in all shapes and sizes. They can be physical or

strong, firm and steadfast" (1 Peter 5:10, NIV). This book contains specific prayers for restoration with related Scriptures to meditate on.

THE BODY OF CHRIST NEEDS HEALING This is my journey to a real and engaging relationship with Jesus. It's how I became born again among Evangelicals, was empowered by the sacrament among Catholics, received the baptism of the Spirit among Pentecostals, and was transformed by social justice ministries among Oldline Reformers. But it's also about how the Church has divided by these four very ways people meet Jesus, sabotaging both its credibility and mission. In fact, this division in the Body of Christ reflects the same shame-based spirit of religion that fueled both the Pharisees and the 9/11 terrorists. Above all, this book is about how Jesus is battling to heal His broken Body unto today, and through it, this broken world. It's time we joined Him. His victory--and ours--demands it. God 15. Blackmailed by Shame, Freed by Grace and Truth  
Epilog - Rise and Jog SOUND BITES \* I found myself sneaking from camp to camp, learning from Catholics, Evangelicals, Pentecostals, and Oldline social reformers, yet being careful not to reveal in any one church my sympathies for the others. \* Most people don't want to be healed--at least, not as badly as they want to cover their shame. \* God's love is not a zero-sum game. There's plenty to go around. You don't have to condemn someone different in order to affirm yourself. You just have to know how much your Father loves you. \* To look forward to communion with excitement--as my friend looked forward to being with his wife again--you must believe that Jesus will actually be there at the table with you, alive and active, even in your behalf. \* Biblical faith redefines safety--indeed, peace itself--not as the absence of threat, but the presence of Jesus. \* Those who have little of the world's resources reflect the deeper reality that we all have nothing except what God has graciously given us. \* Material comfort and security are good insofar as they are seen as the undeserved gifts of a graceful, loving God, and evil insofar as they separate us from the needs of others and make us unresponsive to their suffering. \* Christians are not called to fit into this world, but to change it. \* Moses came to tell us what to do; Jesus came to show us Who does it.

Look around, and you ' ll notice: The world is covered with jagged edges. People and places are broken all around us. We were made for better than this: We were made to be whole, and wholly human, to tend a world that is wholly humane. We were made in the image of God. This book is a quest to recover that image in ourselves and our neighbors, to help us all become human and humane again. For Christians who lament the brokenness in themselves, their

neighbors, and the world around them, Whole offers a rallying cry to pursue wholeness together.
