Painstakingly honest, this chilling memoir reveals how a teenager became immersed in the bizarre life of legendary porn star John Holmes. Starting with a childhood that molded her perfectly to fall for the seduction of “the king of porn,” this autobiography recounts the perilous road that Dawn Schiller traveled—from drugs and addiction to beatings, arrests, forced prostitution, and being sold to the drug underworld. After living through the horrific Wonderland murders of 1981, she entered protective custody, ran from the FBI, and turned in John Holmes to the police. This is the true story of a young girl’s harrowing escape from one of the most infamous public figures, her struggle to survive, and her recovery from unthinkable abuse.

A true story of one of the most gruesome mass murders in Los Angeles history. This incredible twenty-year saga includes brutal murder, vicious robbery, corruption at the highest levels of the judiciary and law enforcement, bought off witnesses and jury tampering, intimidation, bribery, organized crime, as well as drug dealing and all its violent repercussions. All of these barriers seem insurmountable to the cops who are assigned to pick their way through this "garden of evil." Several other high profile cases of the period are high lighted.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The Road Through Wonderland: Surviving John Holmes." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Instant New York Times Bestseller Legendary actor Val Kilmer shares the stories behind his most beloved roles, reminisces about his star-studded career and love life, and reveals the truth behind his recent health struggles in a remarkably candid autobiography. Val Kilmer has played many iconic roles over his nearly four-decade film career. A table-dancing Cold War agent in *Top Secret!* A troublemaking science prodigy in *Real Genius*. A brash fighter pilot in *Top Gun*. A swashbuckling knight in *Willow*. A lovelorn bank robber in *Heat*. A charming master of disguise in *The Saint*. A wise-cracking detective in *Kiss Kiss Bang Bang*. Of course, *Batman*, *Jim Morrison* and the sharp-shooting *Doc Holliday*. But who is the real Val Kilmer? With *I ' m Your Huckleberry*—published ahead of next summer ' s highly anticipated sequel *Top Gun: Maverick*, in which Kilmer returns to the big screen as Tom " Iceman " Kazansky—the enigmatic actor at last steps out of character and reveals his true self. In this uniquely assembled memoir—featuring vivid prose, snippets of poetry and rarely-seen photos—Kilmer reflects on his acclaimed career, including becoming the youngest actor ever admitted to the Juilliard School ' s famed drama department, determinedly campaigning to win the lead part in *The Doors*, and realizing a years-long dream of performing a one-man show as his hero Mark Twain. He shares candid stories of working with screen legends Marlon Brando, Tom Cruise, Robert Downey Jr. and Robert De Niro, and recounts high-profile romances with Cher, Cindy Crawford, Daryl Hannah, and former wife Joanne Whalley. He chronicles his spiritual journey and lifelong belief in Christian Science, and describes travels to far-flung locales such as a scarcely inhabited island in the Indian Ocean where he suffered from delirium and was cared for by the resident tribe. And he reveals details of his recent throat cancer diagnosis and recovery—about which he has disclosed little until now. While containing plenty of tantalizing celebrity anecdotes, *I ' m Your Huckleberry*—taken from the famous line Kilmer delivers as Holliday in *Tombstone*—is ultimately a singularly written and deeply moving reflection on mortality and the mysteries of life.

Things are different when you're a burden.I was dumped at Carroll's Home for Troubled Youth by parents I can't quite remember-or maybe I came here on my own. No ... I was found guilty of a crime and that's why I'm here. It all depends on who you ask or choose to believe, I guess.I spend my days with my best friend who's done way more heinous things than I have.He wants me to remember-to tell him stories about being a stranger in a strange land, but I don't want to talk about it because

Get Free The Road Through Wonderland Surviving John Holmes

when you talk about things, that's how they become real again. Because it was real, no matter what Dr. Carpenter or any of the orderlies say, and Ever is the only one that believes me. He wants me to go back, but I can't. There's a bounty on my head. I stole something from the Queen and she'll stop at nothing to get it back. Nothing.

“ When Gessen speaks about autocracy, you listen. ” —The New York Times “ A reckoning with what has been lost in the past few years and a map forward with our beliefs intact. ” —Interview As seen on MSNBC ’ s Morning Joe and heard on NPR ’ s All Things Considered: the bestselling, National Book Award – winning journalist offers an essential guide to understanding, resisting, and recovering from the ravages of our tumultuous times. This incisive book provides an essential guide to understanding and recovering from the calamitous corrosion of American democracy over the past few years. Thanks to the special perspective that is the legacy of a Soviet childhood and two decades covering the resurgence of totalitarianism in Russia, Masha Gessen has a sixth sense for the manifestations of autocracy—and the unique cross-cultural fluency to delineate their emergence to Americans. Gessen not only anatomizes the corrosion of the institutions and cultural norms we hoped would save us but also tells us the story of how a short few years changed us from a people who saw ourselves as a nation of immigrants to a populace haggling over a border wall, heirs to a degraded sense of truth, meaning, and possibility. *Surviving Autocracy* is an inventory of ravages and a call to account but also a beacon to recovery—and to the hope of what comes next.

'Absolutely magical ... Always intriguing' Richard Adams author of *Watership Down*. Behind the realm of man lie the wild roads. Weaving through time and space, these hidden pathways carry the natural energies – the spirits, the dreams – of the world. No creature can slip into the shadows and travel the wild roads better than the cat. For millennia, cats have patrolled the tangled paths, maintaining balance and order, guarding against corruption and chaos. It is dangerous territory: for those who control the wild roads hold the keys to the world. Amid a struggle between the purest good and the darkest evil, here are tales of duty and destiny, of courage and comradeship among the extraordinary creatures who brave the wild roads... Secure in a world of privilege and safety, Tag is happy with life as a house cat – until the dreams begin. Hazy dreams of strange pathways, of a mission he must undertake and of a terrible responsibility he will bear. Armed with the cryptic message, Tag must bring the King and Queen of cats to Tintagel before the spring equinox. Meanwhile, a man known only as the Alchemist doggedly hunts the Queen for his own ghastly ends. And if the Alchemist captures her, the world will never be safe again...

Wall Street Journal, "Favorite Books of the Year 2013" *Cosmopolitan*, "Best Books of the Year for Women" *Library Journal*, "Best Books of 2013" *Salon*, "Best Books of 2013" "Haunting... more than a beautifully written memoir. [A] powerful and raw love letter."—The Washington Post A blazingly passionate memoir of identity and love: when a charismatic and troubled young woman dies tragically, her identical twin must struggle to survive Christa Parravani and her identical twin, Cara, were linked by a bond that went beyond siblinghood, beyond sisterhood, beyond friendship. Raised up from poverty by a determined single mother, the gifted and beautiful twins were able to create a private haven of splendor and merriment between themselves and then earn their way to a prestigious college and to careers as artists (a photographer and a writer, respectively) and to young marriages. But, haunted by childhood

Get Free The Road Through Wonderland Surviving John Holmes

experiences with father figures and further damaged by being raped as a young adult, Cara veered off the path to robust work and life and in to depression, drugs and a shocking early death. A few years after Cara was gone, Christa read that when an identical twin dies, regardless of the cause, 50 percent of the time the surviving twin dies within two years; and this shocking statistic rang true to her. "Flip a coin," she thought, "those were my chances of survival." First, Christa fought to stop her sister's downward spiral; suddenly, she was struggling to keep herself alive. Beautifully written, mesmerizingly rich and true, Christa Parravani's account of being left, one half of a whole, and of her desperate, ultimately triumphant struggle for survival is informative, heart-wrenching and unforgettably beautiful.

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.
