An introspective and beautiful dual memoir by the #1 New York Times bestselling novelist and her daughter. Look out for Ann Kidd Taylor's new novel, The Shark Club, which will be published in June 2017. Sue Monk Kidd has touched millions of readers with her novels The Secret Life of Bees and The Mermaid Chair and with her acclaimed nonfiction. In this intimate dual memoir, she and her daughter, Ann, offer distinct perspectives as a fifty-something and a twenty-something, each on a quest to redefine herself and to rediscover each other. Between 1998 and 2000, Sue and Ann travel throughout Greece and France. Sue, coming to grips with aging, caught in a creative vacuum, longing to reconnect with her grown daughter, struggles to enlarge a vision of swarming bees into a novel. Ann, just graduated from college, heartbroken and benumbed by the classic question about what to do with her life, grapples with a painful depression. As this modern-day Demeter and Persephone chronicle the richly symbolic and personal meaning of an array of inspiring figures and sites, they also each give voice to that most protean of connections: the bond of mother and daughter. A wise and involving book about feminine thresholds, spiritual growth, and renewal, Traveling with Pomegranates is both a revealing self-portrait by a beloved author and her daughter, a writer in the making, and a momentous story that will resonate with women everywhere.

A transcendent tale of a woman's self-discovery/the New York Times/bestselling second work of fiction by the author of The Secret Life of Bees and the forthcoming novel The Book of Longings Inside the church of a Benedictine monastery on Egret Island, just off the coast of South Carolina, resides a beautiful and mysterious chair ornately carved with mermaids and dedicated to a saint who, legend claims, was a mermaid before her conversion. When Jessie Sullivan is summoned home to the island to cope with her eccentric mother's seemingly inexplicable behavior, she is living a conventional life with her husband, Hugh, a life (molded to the smallest space possible.!) Jessie loves Hugh, but once on the island, she finds herself drawn to Brother Thomas, a monk about to take his final vows. Amid a rich community of unforgettable island women and the exotic beauty of marshlands, tidal creeks, and majestic egrets, Jessie grapples with the tension of desire and the struggle to deny it, with a freedom that feels overwhelmingly right, and with the immutable force of home and marriage. Is the power of the mermaid chair only a myth? Or will it alter the course of Jessie's life? What happens will unlock the roots of her mother's tormented past, but most of all, it will allow Jessie to discover selfhood and a place of belonging as she explores the thin line between the spiritual and the erotic.
