For deft plotting, riotous inventiveness, unforgettable characters, and language that brilliantly captures the lively rhythms of American speech, no American writer comes close to Mark Twain. This sparkling anthology covers the entire span of Twain's inimitable yarn-spinning, from his early broad comedy to the biting satire of his later years. Every one of his sixty stories is here: ranging from the frontier humor of "The Celebrated Jumping Frog of Calaveras County," to the bitter vision of humankind in "The Man That Corrupted Hadleyburg," to the delightful hilarity of "Is He Living or Is He Dead?" Surging with Twain's ebullient wit and penetrating insight into the follies of human nature, this volume is a vibrant summation of the career of—in the words of H. L. Mencken—"the father of our national literature."

Like Hans Christian Andersen and the Brothers Grimm, Isak Dinesen and Angela Carter, A. S. Byatt knows that fairy tales are for grownups. And in this ravishing collection she breathes new life into the form. Little Black Book of Stories offers shivers along with magical thrills. Leaves rustle underfoot in a dark wood: two middle-aged women, childhood friends reunited by chance, venture into a dark forest where once, many years before, they saw-or thought they saw-something unspeakable. Another woman, recently bereaved, finds herself slowly but surely turning into stone. A coolly rational ob-gyn has his world pushed off-axis by a waiflike art student with her own ideas about the uses of the body. Spellbinding, witty, lovely, terrifying, the Little Black Book of Stories is Byatt at the height of her craft.

At eighteen-years-old, I made a promise with my best friend in high school. If neither one of us were married by age thirty-two, we would marry each other. Now Miles Warner is back in town and wants to cash in on that promise we made all those years ago. The fact that Miles is still unmarried and single baffles me. The young man I remembered from high school has grown into one of the most handsome men I've ever laid eyes on. And he refuses to take no for an answer. You see, he needs a bride, and I'm his last resort. Romantic, isn't it? Well, no thank you. That is not going to happen. At least that's what I keep telling myself. But as the days pass by and Miles settles back into life in our hometown, I find myself falling head over heels in love with him. Again. What is the lesson I've learned, you ask? Never make a promise you don't intend to keep.
