model, Alexa Ranger. Granted, the age gap bothers her more than him, but a normal relationship is totally out of the question anyway because Casey is related to her daughter's boyfriend. The last thing Alexa needs is another talk-show worthy drama in her already complicated life. ***** What kind of book is this? This is a funny, irreverent, romantic comedy about a sexy, older woman falling in love with a younger man, a military veteran, who is starting over. The point of this "cougar" story, if there is one, is definitely to look for laughter and love. This is book 1 of the Never Too Late series.

When Marnie decides to help a wild young man, known as Raver, become more civilized, the town suddenly turns on her and accuses her of witchcraft for having transformed him into an entirely different person. Reprint.

Are you over 40? Over 50? This hot contemporary romance series is just for you! Let the stories of Alexa, Regina, and Lauren convince you in this humorous romantic comedy saga that it is "Never Too Late" to find romance and love. DESCRIPTION: After divorcing her cheating ex-husband years ago, 42 yr old Lauren McCarthy is upset to find herself attracted to a married man. Or at least, 42 yr old James Gallagher says he's married, even though Lauren has never seen a wife. Every time Jim puts his hands on her, she thinks if Jim would only trust her with his secrets, she might be willing to risk her saintly reputation to be in his arms.

It Really Is Never Too Late To Fall In Love Widowed and over sixty might not sound like the perfect life to some people, but Lydia fully intends to remain single. Book 4 of this humorous romantic comedy saga finds the dashing and sexy, Morrison Fox, trying to woo the reluctant and sassy, Lydia McCarthy. The results are as funny as they are surprising. Lydia McCarthy doesn't want any man in her life, much less an incorrigible old flirt like Morrison Fox. Widowed

since her forties, being single suits her just fine. She truly can't see any sane reason to risk her peaceful existence for someone who says he wants to make wine out of her one minute and then embarrasses her the next. Does it matter at her age that Morrie might be her last chance to find true love?

Sexy contemporary romance with characters over 40. In Book 2 of this romantic comedy series, sex therapist, Dr. Regina Logan, finds she can fix everyone's love life but her own. Her dating moves always go public, and men flee before they even get to her bed. Nice guy and widower, Ben Kaiser, is drawn to passionate Regina and determined to be the one man who toughs out the bad press. Unfortunately, Regina's negative publicity threatens the livelihoods of the very people Ben most cares about.

When Joy Came to Stay is the heart-wrenching story of one woman's escape from the shadows of clinical depression. Bestselling author Karen Kingsbury offers this moving tale of the quest for a simple, transparent life lived in the sunlight of God's favor and forgiveness.

A New York Times Notable Book that "casts a searing eye on the labyrinth that is the American foster care system" (NPR's On Point). Who are the children of foster care? What, as a country, do we owe them? Cris Beam, a foster mother herself, spent five years immersed in the world of foster care looking into these questions and tracing firsthand stories. The result is *To the End of June*, an unforgettable portrait that takes us deep inside the lives of foster children in their search for a stable, loving family. Beam shows us the intricacies of growing up in the system—the back-and-forth with agencies, the rootless shuffling between homes, the emotionally charged tug between foster and birth parents, the terrifying push out of foster care and into adulthood. Humanizing and challenging a broken system, *To the End of June* offers a tribute to resiliency and

Commentary on Tirukkural, ancient Tamil classic verse by Tiruvalluvar; includes text with English translation.

Mercedes Lackey's triumphant return to the best-selling world of Valdemar, *Take a Thief* reveals the untold story of Skif--a popular character from Lackey's first published novel, *Arrows of the Queen*. Skif was an orphan who would have died from malnutrition and exposure if he had never met Deke the pickpocket. By the time he was twelve, Skif was an accomplished cat burglar. But it wasn't until he decided to steal a finely tacked-out white horse, which was, oddly enough, standing unattended in the street, that this young thief discovered that the tables could turn on him--and that he himself could be stolen!
