become a money master. -- adapted from publisher info

New York Times best-selling author Dr. John C. Maxwell has a message for you, and for today's corporate culture fixated on talent above all else: TALENT IS NEVER ENOUGH. People everywhere are proving him right. Read the headlines, watch the highlights, or just step out your front door: Some talented people reach their full potential, while others self-destruct or remain trapped in mediocrity. What makes the difference? Maxwell, the go-to guru for business professionals across the globe, insists that the choices people make—not merely the skills they inherit—propel them onto greatness. Among other truths, successful people know that: Belief lifts your talent. Initiative activates your talent. Focus directs your talent. Preparation positions your talent. Practice sharpens your talent. Perseverance sustains your talent. Character protects your talent. . . . and more!! It's what you add to your talent that makes the greatest difference. With authentic examples and time-tested wisdom, Maxwell shares thirteen attributes you need to maximize your potential and live the life of your dreams. You can have talent alone and fall short of your potential. Or you can have talent plus, and really stand out.

Motivational guru John C. Maxwell finds inspiration and encouragement in the lives of Old Testament personalities.

Publishing a book has never been so simple, accessible, or affordable as it is today. So why are so many thought leaders, healers, and change-agents stuck at the starting line? This book

will light the way, offering a simple step-by-step path that takes authors from concept to finished book. In it, publishing veteran Kelly Notaras demystifies the publishing process and gives writers the tools, insider information, and inspiration to start strong, keep going, and get across the finish line as quickly as possible.

#1 New York Times bestselling author John C. Maxwell believes that any setback, whether professional or personal, can be turned into a step forward when you possess the right tools to turn a loss into a gain. Drawing on nearly fifty years of leadership experience, Dr. Maxwell provides a roadmap for winning by examining the eleven elements that constitute the DNA of learners who succeed in the face of problems, failure, and losses. 1. Humility - The Spirit of Learning 2. Reality - The Foundation of Learning 3. Responsibility - The First Step of Learning 4. Improvement - The Focus of Learning 5. Hope - The Motivation of Learning 6. Teachability - The Pathway of Learning 7. Adversity - The Catalyst of Learning 8. Problems - The Opportunities of Learning 9. Bad Experiences - The Perspective for Learning 10. Change - The Price of Learning 11. Maturity - The Value of Learning Learning is not easy during down times, it takes discipline to do the right thing when something goes wrong. As John Maxwell often points out--experience isn't the best teacher; evaluated experience is.

Updated edition of the author's *The Renaissance soul: life design for people with too many passions to pick just one*, published in 2006.

Are there tried and true principles that are always certain to help a person grow? John
