Framed by Michaeli ' s own experience as an American with family roots in Israel, Twelve Tribes will illuminate the complex dynamics within the country, a collective drama which has global consequences far beyond the ongoing conflict with the Palestinians. Through extensive research and access to all sectors of Israeli society, Michaeli reveals Israel as a land of paradoxical intersections and volatile, unlikely cohabitation—a place where all of the world ' s struggles meet, and a microcosm for the challenges faced by all nations today.
