You ever wondered what it takes to be an undercover cop? To infiltrate a worldwide drugs gang? To live a double life? Read this gripping true story of Britain's biggest drug bust.

Based on a true story and inspired by the author's real-life undercover days and bestselling memoir, his debut crime fiction story brings to life Steve Regan, a laid-back badass undercover cop in the Steve Regan Undercover Cop trilogy. The title of Book One in the series is a nod to identity confusion often experienced by cops who are deep undercover. As Regan goes deep undercover, he starts to have problems separating reality from fiction. He works in a world of duplicity leading to the ultimate question: How does Regan know people are who they say they are? Tempted by the riches of drug smuggling so he can help a loved one, Regan wonders whether he can go 'rogue' and cross the line. Regan infiltrates a South American cartel headed up by a Miami-based Mob-connected drug lord. Becoming involved in a million-dollar cocaine deal escalates the dangers of working undercover. On his return to the United Kingdom from Miami, Regan discovers a plot to kill a leading barrister. Is this linked to the Mob and drug cartel? Faced with a race against time through London to prevent the barrister's murder, Regan is confronted by more questions and threats to his life. Just how far will the Mob go to protect its interests? You will be shocked to discover the measures these gangsters will use to stay free and out of jail. If you like hard-boiled crime fiction or are a Jack Reacher fan, this book is for you. Original-concept crime fiction about an undercover cop written by a former undercover cop! Get it now. "I knew when I read the author's first book Undercover: Operation Julie although non-fiction that he could make the transition to writing fiction; I was right. He has an ease of language that lends itself to storytelling; he tells it as if he was there in the plot and why shouldn't he having been an undercover cop in the real world?" - Pat McDonald, British Crime Author

'Listen, Leaf,' Pritchard said, 'the hash is neither here nor there. You're in a lot more trouble than possession of a bit of dope. You've got big problems, man... big problems.' He looked at me with something akin to sympathy. 'How did you get into such a fix?' I'd been asking myself the same question. Operation Julie in 1977 remains Britain's biggest ever drugs bust. The work of eleven police forces, it resulted in the break-up of one of the largest LSD co-operatives in the world, the arrest of 120 people and, according to reports, the seizure of six million trips' worth of LSD crystal, valued at 100 million. Overnight, the price of a tab went from 1 to 5. This is the first insider account of how it felt to be caught up in - and by - Operation Julie.

The history of one of the world's biggest drugs networks that was active in mid-Wales in the mid-1970s. In a rural laboratory near Tregaron pure LSD valued at millions of pounds was produced and seized; this led to an interesting and notorious criminal case. Reprint; first published in August 2010.

What is the secret capable of destroying a glorious achievement and a source of national pride? A secret so enormous it could not be told for many years, until now. British undercover cop Steve Regan experiences a baptism of fire when he investigates 'THE SECRET.' New and old Steve Regan fans can now discover him at the beginning of his crime-busting career in this gripping thriller. Join Regan in this prequel to the Steve Regan Undercover Cop Thriller series by tagging along with Steven Hanrahan as a young C.I.D. detective in 1970's Liverpool until his world is shattered by a tragic event involving a fatal car crash. The young detective is hand-picked for a dangerous undercover assignment. On accepting the role, he moves to London - the 'Smoke, ' adopting a new identity. The legend of Steve Regan is born with a foolproof backstory so he can infiltrate the international crime gang behind England's biggest sporting secret. A secret so shocking it could taint the image of British sport irreversibly if it were ever divulged. What is that secret? Is it worth dying for? A page-turning thriller of a novella packed with suspense. Discover Stephen Bentley's undercover cop series today. Get it now to find out what happens when Regan sets off on his first undercover adventure.

There's a killer lurking in all of us. Sometimes you just don't know it. Take Phil Mercer, for example, what dark secret from his past changes a decent man, and respected professional into a man with murder on his mind? Down to earth Northerner, Phil Mercer, begins to question why so-called university friends failed to help him establish a practice at London's Criminal Bar. Despite that and colleagues' professional jealousy, he goes on to achieve success as a fearless defender of society's less fortunate until his career is threatened by events triggered by something completely out of his control. Figuring his life and career are about to change forever, Mercer strives to find a way to right wrongs by inventing a new parlour game called 'Comfort Zone.' At a dinner party surrounded by colleagues he insists they all play the game. He introduces it after dinner as a 'storytelling game.' He adds - "the easy choice is not an option at all. What terrifies you? What scares you shitless? Be brave. Be reckless. You are among friends. What can possibly go wrong? It's just a parlour game, right?" Get this dark suspense noir crime novella now.

Don't mess with Deal... Mayhem will follow At the funeral of two of his hit men, Mike Russo, capo of the New Jersey Mob puts out a contract on Detective Matt Deal for his part in the killings. At the same time another funeral is taking place in Florida. Deal will soon learn just how badly his world is broken... and it's about to get worse. The long awaited sequel to Book One in the series - Mercy. Fans of Jack Ryan, or lethal killers like Reacher or Scot Harvath will devour this novel.

## Where To Download Undercover Operation Julie The Inside Story

You want suspense? Like mystery thrillers? You'll be delighted with this compelling and thrilling story. Steve Regan is back and this time he's alone and undercover in a seedy area of Thailand on the trail of a Texan expatriate, Les Watkins, the biggest drug smuggler in South East Asia. Using himself as the bait, Regan attempts to score a \$50,000 deal with the Thai mafia in an effort to get closer to his target. As he finds himself embroiled deeper into the operation, Regan suspects Watkins may be connected to Regan's nemesis, ruthless Mafia boss Carlo Vitale, who has fled the United States following a triple bombing and assassination of three crime family heads. Besides staying alive, Regan has other problems when he suddenly finds himself facing the worst dilemma an undercover cop can face. Dilemma is an edgy, suspenseful tale with twists and turns plus a sprinkle of romance. Though Book 2 in the Steve Regan Undercover Cop series of crime fiction novellas, it can be read as a standalone book. The author is a former undercover cop, and penned the Amazon UK bestselling memoir 'Undercover: Operation Julie - The Inside Story, ' a unique British undercover police investigation. If you like hard-boiled crime fiction, there is nothing earthier or more realistic than the Steve Regan series. Crime fiction about an undercover cop written by a former undercover cop! This is no ordinary police procedural. What readers say: "Once again, Stephen Bentley writes a compelling and thrilling story, with his latest novella, Dilemma. The story builds on Book One in this series. Steve Regan continues his undercover work, doing what he does best - bringing the bad guys to justice - sometimes the judicial form of justice and sometimes his own form of justice. This time he is infiltrating the world of a dangerous mob cartel and finds himself mixed up in the seedy world of the people trafficking, gun running and of course drugs. The tale is full of adventure as Regan and his woman Fon, make some new friends and some new enemies as well as run into a few old enemies. Reagan is forced to dig deep in his heart to do what is right when he falls in love with a woman he probably shouldn't. The action-packed ride has plenty of narrow escapes and near misses. Right from the first bombs ripping thorough major cities in the US to the last surprising ending, the story is a captivating and fun read." - Amazon US Customer It's a genuine page-turner with plenty of action... . I must commend the author on a most surprising and ingenious twist in the tale as the ending really took me by surprise." - Amazon UK Customer

'Undercover lays bare the deceit, betrayal and cold-blooded violation practised again and again by undercover police officers - troubling, timely and brilliantly executed.' Henry Porter The gripping stories of a group of police spies - written by the award-winning investigative journalists who exposed the Mark Kennedy scandal - and the uncovering of forty years of state espionage. This was an undercover operation so secret that some of our most senior police officers had no idea it existed. The job of the clandestine unit was to monitor British 'subversives' - environmental activists, anti-racist groups, animal rights campaigners. Police stole the identities of dead people to create fake passports, driving licences and bank accounts. They then went deep undercover for years, inventing whole new lives so that they could live incognito among the people they were spying on. They used sex, intimate relationships and drugs to build their credibility. They betrayed friends, deceived lovers, even fathered children. And their operations continue today. Undercover reveals the truth about secret police operations - the emotional turmoil, the psychological challenges and the human cost of a lifetime of deception - and asks whether such tactics can ever be justified.

His daughter was taken. He'll never get her back. Set in the near future, Brit Matt Deal marries into a wealthy Florida family. Mercy, his fifteen-year-old daughter, is the glue in his rocky marriage to Lorey. His life is changed forever after Mercy is brutally sexually assaulted on a Destin beach leaving her in a persistent vegetative state. Trusting the local detectives to bring the rapists to justice, mixed martial arts expert Deal concentrates in vain on his Florida gym business, only to have his world further explode on learning the men responsible for his daughter's injuries may escape justice. Deal is isolated and at his wit's end after his rich father-in-law sends death threats blaming him for all these ills. Who can he turn to? Where can he go? What will he do? Who can he trust? Will he return to a post-Brexit Britain or ultimately will he seek revenge? Fans of Jack Reacher, Barry Eisler, and any vigilante justice novel will love this book.
