Understanding Business 12th Edition - amazon.com

Understanding Business has long been The Gold Standard and preeminent teaching and learning experience ever created for Introduction to Business. Our experienced and diverse authors and long-tenured editorial team have by listening to you have created a product that meets the needs of nearly all classrooms no matter the size teaching modality or learning objectives.

Acces PDF Understanding Business 10th Edition

Understanding Business by Nickels, McHugh, and McHugh has been the number one textbook in the introduction to business market for several editions for three reasons: (1) The commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience, (2) we listen to our customers, and (3) the quality of our supplements package. We consistently look to the experts – full-time faculty members, adjunct instructors, and of course students – to drive the decisions we make about the text itself and the

ancillary package. Through focus groups, symposia, as well as extensive reviewing of both text and key ancillaries, we have heard the stories of more than 600 professors and their insights and experiences are evident on every page of the revision and in every supplement. As teachers of the course and users of their own materials, the author team is dedicated to the principles of excellence in business education. From providing the richest most current topical coverage to using dynamic pedagogy that puts students in touch with today's real business issues, to creating

sentence grammar. It offers a practical blend of the most useful elements of both traditional and new linguistic grammar, beginning with an overview of English as a world language, language change, and various classroom issues associated with prescriptive grammar and correctness, along with an updated list of further readings. Every discussion is viewed through the eyes of a novice reader, bearing in mind how the current generation of students uses communication tools for social purposes. Both students and teachers appreciate the self-teaching quality that incremental
