This book offers the tools teachers need to get started with an innovative approach to teaching history, one that develops literacy and higher-order thinking skills, connects the past to students' lives today, and meets Common Core State Standards (grades 7-12). The author provides over 60 primary sources organized into 7 thematic units, each structured around an essential question from U.S. history. As students analyze carefully excerpted documents—speeches by presidents and protesters, Supreme Court cases, political cartoons—they build an understanding of how diverse historical figures have approached key issues. At the same time, students learn to participate in civic debates and develop their own views on what it means to be a 21st-century American. Each unit connects to current events and dynamic classroom activities make history come alive. In addition to the documents themselves, this teaching manual provides: strategies to assess student learning; mini-lectures designed to introduce documents; activities to help students process, display, and integrate their learning; guidance to help teachers create their own units, and more.

Jimmy McClean is a Lakota boy—though you wouldn't guess it by his name: his father is part white and part Lakota, and his mother is Lakota. When he embarks on a journey with his grandfather, Nyles High Eagle, he learns more and more about his Lakota heritage—in particular, the story of Crazy Horse, one of the most important figures in Lakota and American history. Drawing references and inspiration from the oral stories of the Lakota tradition, celebrated author Joseph Marshall III juxtaposes the contemporary story of Jimmy with an insider's perspective on the life of Tasunke Witko, better known as Crazy Horse (c. 1840-1877). The book follows the heroic deeds of the Lakota leader who took up arms against the US federal government to fight against encroachments on the territories and way of life of the Lakota people, including leading a war party to victory at the Battle of the Little Bighorn. Along with Sitting Bull, Crazy Horse was the last of the Lakota to surrender his people to the US army. Through his grandfather's tales about the famous warrior, Jimmy learns more about his Lakota heritage and, ultimately, himself. American Indian Youth Literature Award

The New York Times Bestseller! "This is The Most Inspiring Children's Book We've Ever Seen."--Refinery29.com "The very first kids' book released by the iconic publishing house City Lights, Rad American Women A-Z navigates the alphabet from Angela Davis to Zora Neale Hurston with colorful illustrations and short, powerful narratives. The perfect gift for the junior riot grrl in your life."--Bust Magazine "The History of Feminism--in an Awesome Picture Book. The ABCs just got a major girl-power upgrade."--Chantal Strasburger, Teen Vogue Like all A-Z books, this one illustrates the alphabet--but instead of "A is for Apple", A is for Angela--as in Angela Davis, the iconic political activist. B is for Billie Jean King, who shattered the glass ceiling of sports; C is for Carol Burnett, who defied assumptions about women in comedy; D is for Dolores Huerta, who organized farmworkers; and E is for Ella Baker, who mentored Dr. Martin Luther King and helped shape the Civil Rights Movement. And the list of great women continues, spanning several centuries, multiple professions, and 26 diverse individuals. There are artists and abolitionists, scientists and suffragettes, rock stars and rabble-rousers, and agents of change of all kinds. The book includes an introduction that discusses what it means to be "rad" and "radical," an afterword with 26 suggestions for how you can be "rad," and a Resource Guide with ideas for further learning and reading. American history was made by countless rad--and often radical--women. By offering a fresh and diverse array of female role models, we can remind readers that there are many places to find inspiration, and that being smart and strong and brave is rad. Rad American Women will be appreciated by various age groups. It is Common Core aligned for students grades 3 - 8. Pre-school and young children will be captured by the bright visuals and easily modified texts, while the subject matter will stimulate and inspire high-schoolers and beyond. "This is not a book. This is a guest list for a party of my heroes. Thank you for inviting us." -Lemony Snicket, author of A Series of Unfortunate Events books "I feel honored to be included in this book. Women need to take radical steps to become feminists, and to be strong to fight for their rights and those of others facing oppression and discrimination. The world needs rad women to create a just society." -Dolores Huerta, Labor Leader, Civil Rights Activist "It's almost always with a chuckle that I view a cartoon image of myself. But to see cartoon-me positioned (alphabetically) amongst so many of my women heroes and role models . . . well, I just broke down and cried. Happy tears. I surely hope that this one-of-a-kind collection of radical American women reaches the hands of all children who want to grow up and become amazing women." -Kate Bornstein, author of My New Gender Workbook "I was totally in rapture reading this book. Bold women, bold colors, and fierce black paper cutouts. I cheer these histories of
